Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Centers for Medicare & Medicaid Services, HHS.

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Centers for Medicare & Medicaid Services (CMS) is publishing the following summary of proposed collections for public comment. Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

1. *Type of Information Collection Request:* New collection; *Title of Information Collection:* Minimum Data Set for Medicaid Incentives for Prevention of Chronic Diseases Program Grantees; *Use:* The Medicaid Incentives for Prevention of Chronic Diseases (MIPCD), demonstration program provides grants to states to implement programs that provide incentives to Medicaid beneficiaries of all ages who participate in prevention programs and demonstrate changes in health risk and outcomes, including the adoption of healthy behaviors. The prevention programs address at least one of the following prevention goals: tobacco cessation, controlling or reducing weight, lowering cholesterol, lowering blood pressure, and avoiding the onset of diabetes or in the case of a diabetic, improving the management of the condition. The programs are also comprehensive, widely available, easily accessible, and based on relevant evidence-based research and resources, including: the Guide to Community Preventive Services; the Guide to Clinical Preventive Services; and the National Registry of Evidence-Based Programs.

The proposed information collection, the MIPCD Minimum Data Set (MDS), is

intended to collect data for program performance monitoring and evaluation. The MDS is a secondary data collection that assembles information already collected by grantees in the course of tracking beneficiary participation and outcomes and performing their own evaluation activities. Data collected through the MDS will be used to report on program implementation and evaluation to CMS and Congress. *Form Number:* CMS-10444 (OCN: 0938-New); *Frequency:* Quarterly; *Affected Public:* State, Local, or Tribal Governments; *Number of Respondents:* 10; *Total Annual Responses:* 40; *Total Annual Hours:* 3,467. (For policy questions regarding this collection contact Sherrie Fried at 410-786-6619. For all other issues call 410-786-1326.)
