

Because the request for review was withdrawn and because no other party requested a review of Kingchem, in accordance with 19 CFR 351.213(d)(1), we are partially rescinding this review with respect to this company.

The PRC-Wide Entity

In the *Preliminary Results*, the Department preliminarily found that Fine Chemical, Changjie Chemical, North Food, and Embaiking Pharmaceutical did not demonstrate that they were entitled to a separate rate.³ Therefore, the Department preliminarily found that they should be considered part of the PRC-wide entity for this review. No party commented on the Department's preliminary finding. For the final results the Department continues to find that these companies should be considered part of the PRC-wide entity for this review.

Third-Country Exporters

In the *Preliminary Results*, the Department preliminarily found that because Escalade, High Trans Corporation, Seicheng Chemical, Yuan Shan, Sin-Ho Trading, Long Hwang Chemicals, and Sun Disc are third-country exporters located outside of the PRC, and they do not have individual exporter rates, their entries of subject merchandise should be assessed at the rate applicable to their PRC suppliers. No party commented on the Department's preliminary finding. For these final results, the Department continues to find that their entries of subject merchandise should be assessed at the rate applicable to their PRC suppliers.

Assessment Rates

For all shipments of the subject merchandise by the PRC-wide entity entered, or withdrawn from warehouse, for consumption during the POR we will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties at the *ad valorem* PRC-wide entity rate of 329.94 percent.⁴ For all non-PRC exporters of subject merchandise which have not received their own rate, we will instruct CBP to assess the rate applicable to the PRC exporter(s) that supplied that non-PRC exporter. The Department intends to issue assessment instructions directly to CBP 15 days after the publication of the final results in the **Federal Register**.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Tariff Act of 1930, as amended ("the Act"): (1) For previously investigated or reviewed PRC and non-PRC exporters that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (2) for all PRC exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be the PRC-wide entity rate of 329.94 percent; and (3) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter. These requirements, when imposed, shall remain in effect until further notice.

Notifications to Interested Parties

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation, which is subject to sanction.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: August 8, 2012.

Paul Piquado,
Assistant Secretary for Import
Administration.
