DEPARTMENT OF LABOR**Employment and Training Administration**

Comment Request for Extension and Reorganization of Information Collections: OMB Control No. 1205-0466, ETA Form 9141, Application for Prevailing Wage Determination; ETA Form 9142, Application for Temporary Employment Certification, and OMB Control No. 1205-0404 ETA-9144, H-2A Certification Letter With Notification, 1205-NEW1; and 1205-NEW2

AGENCY: Employment and Training Administration (ETA), Labor.

ACTION: Notice.

SUMMARY: The Department of Labor (Department), as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 [44 U.S.C. 3506(c)(2)(A)]. This program helps ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed.

ETA is soliciting comments concerning the collection of data in the following information collections: Office of Management and Budget (OMB) Control Number 1205-0466, currently containing ETA Form 9141, *Application for Prevailing Wage Determination*, and ETA Form 9142, *Application for Temporary Employment Certification*, which expires on October 31, 2012; and OMB Control Number 1205-0404 containing the H-2A Certification Letter known as ETA-9144. The Department proposes to divide 1205-0466 into three distinct information collection requests (ICRs), segregated by program, and to merge 1205-0404 into the collection that remains in 1205-0466. Specifically, the Department proposes to separate out ETA Form 9141, *Application for Prevailing Wage Determination* into its own collection, 1205-NEW2. The Department also proposes to divide the ETA Form 9142, *Application for Temporary Employment Certification*, into two collections, one to remain as 1205-0466 and to contain the ETA Form 9142A, *H-2A Application for Temporary Employment Certification*

and *Appendix A*, along with other information collection burdens for the H-2A Temporary Labor Certification Program, while the second would be 1205-NEW1 and contain ETA Form 9142B, *H-2B Application for Temporary Employment Certification and Appendix B*, along with all the information collection burdens for the H-2B Temporary Labor Certification Program. Once separated, 1205-0404, which contains one additional information collection burden for the H-2A program, would be merged with 1205-0466 so that most of the H-2A information collection burdens can be accounted for in one ICR.

In order to meet its responsibilities under the Immigration and Nationality Act (INA), the Department needs to extend the existing collection of information pertaining to programs requiring prevailing wage determinations and the H-2A and H-2B programs for temporary employment certification in agricultural and non-agricultural occupations. The Department is utilizing this opportunity to separate the collections into more manageable and easy to understand ICRs.
