SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: U.S. Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549–0213.

Extension:
Rule 17f–1(b), OMB Control No. 270–28, SEC File No. 270–28.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.) (“PRA”), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for approval of extension of the previously approved collection of information provided for in Rule 17f–1(b) (17 CFR 240.17f–1(b)) under the Securities Exchange Act of 1934 (15 U.S.C. 78a et seq.).

Rule 17f–1(b) requires approximately 25,000 entities in the securities industry to register in the Lost and Stolen Securities Program (“Program”). Registration fulfills a statutory requirement that entities report and inquire about missing, lost, counterfeit, or stolen securities. Registration also allows entities in the securities industry to gain access to a confidential database that stores information for the Program.

The Commission staff estimates that 1,000 new entities will register in the Program each year. The staff estimates that the average number of hours necessary to comply with Rule 17f–1(b) is one-half hour. The total estimated burden is therefore 500 hours (1,000 times one-half hour) annually for all participants.

Rule 17f–1(b) is a registration obligation only. Registering under rule 17f–1(b) is mandatory to obtain the benefit of a central database that stores information about missing, lost, counterfeit, or stolen securities for the Program. Reporting institutions required to register under Rule 17f–1(b) will not be kept confidential; however, the Program database will be kept confidential.

The Commission may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not have a valid OMB control number.

Background documentation for this information collection may be viewed at the following Web site:
