

technologies, products and services to enter new foreign markets.

The Secretary of Commerce will appoint up to 35 members to the ETTAC. The members shall be selected in a manner that ensures that the ETTAC is balanced in terms of product and service lines and reflects the diversity of this sector, including in terms of geographic location and company size. Members of the ETTAC shall be drawn from U.S. environmental technologies manufacturing and services companies, U.S. trade associations, and U.S. private sector organizations involved in the promotion of environmental technologies, products, and services. The ETTAC shall include at least one individual representing each of the following:

1. Environmental businesses, including small businesses;
2. Trade associations in the environmental sector;
3. Private sector organizations involved in the promotion of environmental exports, including products that comply with U.S. environmental, safety, and related requirements;
4. States (as defined in 15 U.S.C. 4721(j)(5)) and associations representing the States; and
5. Other appropriate interested members of the public, including labor representatives.

Candidates should be senior executive-level representatives from U.S. environmental technology companies, trade associations, and non-profit organizations. Applicants must have experience in exporting environmental technologies products and services; ITA particularly seeks applicants with experience in one or more of the following sectors:

- (1) Air pollution control and monitoring technologies;
- (2) Analytic devices and services;
- (3) Environmental engineering and consulting services;
- (4) Financial services relevant to the environmental sector;
- (5) Process and pollution prevention technologies;
- (6) Solid and hazardous waste management technologies; and
- (7) Water and wastewater treatment technologies.

Members serve in a representative capacity, expressing the views and interests of a U.S. company or organization as well as its particular sector; they are, therefore, not Special Government Employees. For purposes of ETTAC eligibility, a U.S. company is defined as a firm incorporated in the United States (or an unincorporated firm with its principal place of business

in the United States) that is at least 51 percent owned and controlled by U.S. persons. For purposes of ETTAC eligibility, a U.S. organization is defined as an organization established in the United States that is controlled by U.S. persons, as determined based on its board of directors (or comparable governing body), membership, and funding sources, as applicable.

All members must be U.S. citizens. Federally registered lobbyists are not eligible for appointment, nor are individuals registered as a foreign agent under the Foreign Agents Registration Act.

ETTAC members are not be compensated for their services or reimbursed for their travel expenses. The ETTAC shall, to the extent practicable, meet approximately three times a year. Most ETTAC meetings are held in Washington, DC.

All appointments are made without regard to political affiliation. Members shall serve at the pleasure of the Secretary for a two year term. Self-nominations will be accepted. If you are interested in being nominated to become a member of ETTAC, please provide the following information (2 pages maximum):

- (1) Name;
- (2) Title;
- (3) Work phone, fax, and email address;
- (4) A sponsor letter from the applicant on his or her entity's letterhead or, if the applicant is to represent an entity other than his or her employer, a letter from the entity to be represented, containing a brief statement of why the applicant should be considered for membership on the ETTAC. This letter should include the name and address of entity to be represented by the applicant, including Web site address, and address the applicant's experience in exporting environmental technologies products and services;
- (5) Short biography of nominee, including information demonstrating knowledge and experience relevant to the work of the ETTAC;
- (6) Brief description of the entity to be represented, including, as applicable, its business activities, company size (number of employees and annual sales), and export markets served; and
- (7) An affirmative statement that:
  - (a) The applicant is a U.S. citizen;
  - (b) The applicant is not a federally-registered lobbyist, and that the applicant understands that if appointed, the applicant will not be allowed to continue to serve as an ETTAC member if the applicant becomes a federally-registered lobbyist;

(c) The applicant is not required to register as a foreign agent under the Foreign Agents Registration Act of 1938, as amended;

(d) The applicant meets all ETTAC eligibility requirements, including that the applicant represents a U.S. company or U.S. organization.

Please do not send company or trade association brochures or any other information.

Nominees selected to serve on the ETTAC will be notified.

Meeting Dates:

1. *Ecosystem-Based Management Committee Meeting: September 10, 2012, 1:30 p.m. until 3 p.m.*

The Ecosystem-Based Management Committee will review the status for Comprehensive Ecosystem-Based Amendment 3 (CE-BA 3), review the list of items and develop recommendations for CE-BA 4, and will receive an update on ecosystem activities.

2. *Shrimp Committee Meeting: September 10, 2012, 3 p.m. until 4 p.m.*

The Shrimp Committee will receive: an overview of public hearing comments for Shrimp Amendment 9, which would expedite the closure process during severe cold events in order to protect overwintering shrimp populations and would revise the Minimum Stock Size Threshold (MSST) proxy for pink shrimp; and a report from the Scientific and Statistical Committee (SSC). The Committee will develop recommendations for the amendment and is scheduled to recommend approval of Amendment 9 for formal review.

3. *SEDAR Committee Meeting: September 10, 2012, 4 p.m. until 5:30 p.m. (Note: A portion of the meeting will be CLOSED.)*

The SEDAR Committee will receive an activities update as well as a presentation on the SSC Only Reliable Catch Stocks (ORCS) Workshop. The Committee will provide guidance to the SEDAR Steering Committee representatives and will receive an overview of SEDAR 32, pertaining to gray triggerfish and bluefin tilefish. The Committee is scheduled to approve the SEDAR schedule and make appointments to SEDAR 32 (closed session).

4. *Snapper Grouper Committee Meeting: September 11, 2012, 8:30 a.m. until 5 p.m.*

The Snapper Grouper Committee will receive updates on *Oculina* research activities and the status of catches versus quotas for commercial and recreational species under Annual Catch Limits (ACLs). The Committee will also receive a presentation on "Catch and Discard Characterization for Red Snapper, Warsaw Grouper and Speckled Hind". The Committee will review the

status of amendments currently under formal review, including: The status of the red snapper emergency action request; Regulatory Amendment 12 pertaining to the golden tilefish ACL adjustment; the resubmittal of Action 4 in Amendment 18A addressing the transferability of black sea bass endorsements; Amendment 20A regarding the wreckfish Individual Transferable Quota (ITQ); and Amendment 18B that includes measures to limit participation in the commercial golden tilefish fishery. The Committee will also review an emergency rule request to delay the start of the golden tilefish fishing season. The Committee will discuss the status of the proposed Marine Protected Areas (MPAs) and Habitat Areas of Particular Concern (HAPCs) for speckled hind and warsaw grouper, including an overview of input from the public workshops and an update on SSC discussions.

Additionally, the Committee will receive an overview for: Regulatory Amendment 13, regarding adjustments of snapper grouper ACLs based on Marine Recreational Fishing Statistical Survey/Marine Recreational Information Program (MRFSS/MRIP) calibration; Amendment 22, pertaining to the development of the red snapper tag program; and Regulatory Amendment 14, regarding an overview of management history and current regulations for mutton snapper, greater amberjack, gray triggerfish, black sea bass and vermilion snapper. The Committee will discuss the blue runner issue as well as the Council's vision for the future of the snapper grouper fishery. The Committee will provide guidance and recommendations to staff on timing, actions and alternatives.

5. *Ad Hoc Data Collection Committee Meeting: September 12, 2012, 8:30 a.m. until 12 noon.*

The Ad Hoc Data Collection Committee will receive presentations on results of bycatch monitoring and the NMFS quota monitoring system. The Committee will: Review public hearing comments for the Joint Gulf and South Atlantic Council Generic Dealer Permit; finalize Committee recommendations; and recommend approval of the permit for formal review. The Committee will: Review public hearing comments for commercial vessel, for-hire vessel and discard reporting actions in CE-BA 3; finalize Committee recommendations for CE-BA 3; and recommend approval of these items for formal review.

6. *King and Spanish Mackerel Committee Meeting: September 12, 2012, 1:30 p.m. until 5 p.m.*

The King and Spanish Mackerel Committee will receive updates on: the

status of commercial and recreational catches versus quotas; the Joint Gulf and South Atlantic Mackerel Amendment 19, pertaining to permits and tournament sale requirements; and Amendment 20, regarding boundaries and transit provisions. The Committee will modify Amendments 19 and 20 as appropriate and provide guidance to staff. The Committee will review public input on the South Atlantic Mackerel Framework Amendment and will provide guidance to staff.

**Note:** There will be an informal public question and answer session with the NMFS Regional Administrator and the Council Chairman on September 12, 2012, beginning at 5:30 p.m.

7. *Advisory Panel Selection Committee Meeting: September 13, 2012, 8:30 a.m. until 9:30 a.m. (closed session)*

The Advisory Panel Selection Committee will review advisory panel applications and develop recommendations for appointments.

8. *Golden Crab Committee Meeting: September 13, 2012, 9:30 a.m. until 11 a.m.*

The Golden Crab Committee will receive a briefing on the golden crab permit holders meeting and an overview of Amendment 6, pertaining to establishing a catch share program for the commercial golden crab fishery. The Committee will modify the amendment as appropriate and will recommend the approval of Amendment 6 for formal review.

9. *Executive Finance Committee Meeting: September 13, 2012, 11 a.m. until 12 noon.*

The Executive Finance Committee will: review the status of Council Year (CY) 2012 budget expenditures; discuss joint South Florida management issues; and discuss other issues as appropriate.

Council Session: September 13, 2012, 1:30 p.m. until 5:30 p.m. and September 14, 2012, 8:30 a.m. until 12:30 p.m.

Council Session: September 13, 2012, 1:30 p.m. until 5:30 p.m.

1:30 p.m. until 2 p.m., the Council will call the meeting to order, adopt the agenda, approve the June 2012 meeting minutes, elect the Council chairman and vice-chairman, and present the Law Enforcement Officer of the Year award.

**Note:** A formal public comment session will be held on September 13, 2012, beginning at 2 p.m., on: Shrimp Amendment 9; the Joint Gulf and South Atlantic Dealer Permit; CE-BA 3; the emergency rule request to delay the start of the golden tilefish season; and Golden Crab Amendment 6; followed by comment on any other item on the agenda.

3:30 p.m. until 4 p.m., the Council will receive a presentation on the

changes in the Exclusive Economic Zone (EEZ) boundary between the United States and the Bahamas.

4 p.m. until 4:30 p.m., the Council will receive a report from the Snapper Grouper Committee, address the Committee recommendation relative to the request for an emergency rule to delay the golden tilefish fishing season, consider other recommendations and take action as appropriate.

#### Takes of Marine Mammals Incidental to Specified Activities; Taking Marine Mammals Incidental to Rocky Intertidal Monitoring Surveys on the South Farallon Islands, California

**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Notice; proposed incidental harassment authorization; request for comments.

**SUMMARY:** NMFS has received an application from the National Ocean Service's Office of National Marine Sanctuaries Gulf of the Farallones National Marine Sanctuary (GFNMS) for an Incidental Harassment Authorization (IHA) to take marine mammals, by harassment, incidental to rocky intertidal monitoring work and searching for black abalone, components

of the Sanctuary Ecosystem Assessment Surveys. Pursuant to the Marine Mammal Protection Act (MMPA), NMFS is requesting comments on its proposal to issue an IHA to GFNMS to incidentally take, by Level B harassment only, marine mammals during the specified activity.

**DATES:** Comments and information must be received no later than September 24, 2012.

**ADDRESSES:** Comments on the application should be addressed to Michael Payne, Chief, Permits and Conservation Division, Office of Protected Resources, National Marine Fisheries Service, 1315 East-West Highway, Silver Spring, MD 20910. The mailbox address for providing email comments is [ITP.Nachman@noaa.gov](mailto:ITP.Nachman@noaa.gov). NMFS is not responsible for email comments sent to addresses other than the one provided here. Comments sent via email, including all attachments, must not exceed a 25-megabyte file size.

**Instructions:** All comments received are a part of the public record and will generally be posted to <http://www.nmfs.noaa.gov/pr/permits/incidental.htm> without change. All Personal Identifying Information (e.g., name, address) voluntarily submitted by the commenter may be publicly accessible. Do not submit Confidential Business Information or otherwise sensitive or protected information.

An electronic copy of the application containing a list of the references used in this document may be obtained by writing to the address specified above, telephoning the contact listed below (see **FOR FURTHER INFORMATION CONTACT**), or visiting the Internet at: <http://www.nmfs.noaa.gov/pr/permits/incidental.htm>. NMFS is also preparing an Environmental Assessment (EA) in accordance with the National Environmental Policy Act (NEPA) and will consider comments submitted in response to this notice as part of that process. The EA will be posted at the foregoing Internet site once it is finalized. Documents cited in this notice may also be viewed, by appointment, during regular business hours, at the aforementioned address.
