#### SUPPLEMENTARY INFORMATION:

##### A. Purpose

FAR 16.205, Fixed-price contracts with prospective price redetermination, provides for firm fixed prices for an initial period of the contract with prospective redetermination at stated times during performance. FAR 16.206, Fixed price contracts with retroactive price redetermination, provides for a fixed ceiling price and retroactive price redetermination within the ceiling after completion of the contract. In order for the amounts of price adjustments to be determined, the firms performing under these contracts must provide information to the Government regarding their expenditures and anticipated costs. The information is used to establish fair price adjustments to Federal contracts.

##### B. Annual Reporting Burden

The estimated total burden is lower than that published the **Federal Register** at 74 FR 62783, on December 1, 2009. This is due to the decrease in the estimated number of respondents. Based on Fiscal Year 2011 information from the Federal Procurement Data System,

an estimated 230 unique contractors were awarded 1,970 fixed-price redetermination contracts. Thus, each vendor responded on average 8.6 times a year (rounded up to 9). The hours per response is increased to 2 hours after a reassessment of the time required to prepare and report the information.

*Respondents:* 230.

*Responses per Respondent:* 9.

*Annual Responses:* 2,070.

*Hours per Response:* 2.

*Total Burden Hours:* 4,140.

*Obtaining Copies of Proposals:*

Requesters may obtain a copy of the information collection documents from the General Services Administration, Regulatory Secretariat (MVCB), 1275 First Street NE., Washington, DC 20417, telephone (202) 501-4755. Please cite OMB Control No. 9000-0071, Price Redetermination, in all correspondence.
