BILLING CODE 4710-10-P

DEPARTMENT OF STATE

[Public Notice 8000]

U.S. Department of State Advisory Committee on Private International Law: Notice of Annual Meeting

The Department of State's Advisory Committee on Private International Law (ACPIL) will hold its annual meeting on developments in private international law on Thursday, October 11 and Friday, October 12, 2012 in Washington, DC. The meeting will be held at the Michael K. Young Faculty Conference Center, George Washington University Law School, 2000 H Street NW., Washington, DC 20052. The program is scheduled to run from 9:30 a.m. to 5 p.m. on Thursday and from 9 a.m. to 2 p.m. on Friday.

Time permitting, we expect that the discussion will focus on developments in a number of areas, e.g., international family law; federalism issues in implementing the Hague Convention on Choice of Court Agreements; international contract law; developments in major PIL organizations; agricultural finance and food security; and simplified incorporation and other initiatives to promote the growth of microenterprises and small and medium-sized enterprises. We also expect to discuss possible future work in the PIL field and solicit suggestions in that regard.

Documents on these subjects are available at www.hcch.net; www.uncitral.org; www.unidroit.org; www.oas.org, and www.nccusl.org. We may, by email, supplement those with additional documents.

Please advise as early as possible if you plan to attend. The meeting is open

to the public up to the capacity of the conference facility, and space will be reserved on a first come, first served basis. Persons who wish to have their views considered are encouraged, but not required, to submit written comments in advance. Those who are unable to attend are also encouraged to submit written views. Comments should be sent electronically to smeltzertk@state.gov. Those planning to attend should provide name, affiliation and contact information to Tricia Smeltzer at 202-776-8423 and Niesha Toms at 202-776-8420, or by email to tomsnn@state.gov and smeltzertk@state.gov. A member of the public needing reasonable accommodation should advise those same contacts not later than September 28th. Requests made after that date will be considered, but might not be able to be fulfilled.

Dated: August 22, 2012.

Keith Loken,

Assistant Legal Adviser, Office of Private International Law, Office of the Legal Adviser, Department of State.

BILLING CODE 4710-08-P

DEPARTMENT OF TRANSPORTATION

Federal Highway Administration

[Docket No. FHWA-2012-0059]

2012 Temporary Closure of I-395 Just South of Conway Street in the City of Baltimore to Vehicular Traffic to Accommodate the Construction and Operation of the Baltimore Grand Prix

AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Final notice.

SUMMARY: The FHWA has approved a request from Maryland Transportation Authority (MDTA) to temporarily close a portion of I-395 (just south of Conway Street in Baltimore City) from approximately 6 p.m. on Wednesday, August 29, until approximately 6 a.m. on Tuesday, September 4. The closure is requested to accommodate the construction and operation of the Baltimore Grand Prix (BGP), which will use the streets of downtown Baltimore as a race course.

The approval is granted in accordance with the provisions of 23 CFR 658.11 which authorizes the deletion of segments of the federally designated routes that make up the National Network designated in Appendix A of 23 CFR part 658. The FHWA published a Notice and Request for Comment on

July 9, 2012, seeking comments from the general public on this request submitted by the MDTA for a deletion in accordance with 23 CFR 658.11(d). No public comments were received.

DATES: *Effective Date(s):* This Notice is effective immediately.

FOR FURTHER INFORMATION CONTACT: Mr. John Nicholas, Truck Size and Weight Program Manager in the Office of Freight Management, (202) 366-2317; Mr. William Winne, Office of the Chief Counsel, (202) 366-0791, Federal Highway Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590; and Mr. Gregory Murrill, FHWA Division Administrator—DELMAR Division, (410) 962-4440. Office hours for the FHWA are from 8 a.m. to 4:30 p.m., e.t., Monday through Friday, except Federal holidays.

SUPPLEMENTARY INFORMATION:

Electronic Access and Filing

You may retrieve a copy of the Notice and Request for Comment, comments submitted to the docket, and a copy of this final notice through the Federal eRulemaking portal at: <http://www.regulations.gov>. The Web site is available 24 hours each day, every day of the year. Electronic submission and retrieval help and guidelines are available under the help section of the Web site.

An electronic copy of this document may also be downloaded from Office of the Federal Register's home page at: http://www.archives.gov/federal_register and the Government Printing Office's Web page at: <http://www.gpoaccess.gov>.

Background

The MDTA submitted a request to the FHWA for approval of the temporary closure of I-395 just south of Conway Street in the city of Baltimore for the period beginning Wednesday, August 29, at approximately 6 p.m. through Tuesday, September 4, at around 6 a.m., encompassing the Labor Day holiday. This closure will be undertaken in support of the BGP which will use the streets of downtown Baltimore as a race course. The MDTA is the owner and operator of I-395 and I-95 within the city of Baltimore.

The FHWA is responsible for enforcing the Federal regulations applicable to the National Network of highways that can safely and efficiently accommodate the large vehicles authorized by provisions of the Surface Transportation Assistance Act of 1982, as amended, designated in accordance with 23 CFR part 658 and listed in Appendix A. In accordance with 23 CFR 658.11, the FHWA may approve

deletions or restrictions of the Interstate system or other National Network route based upon specified justification criteria in section 658.11(d)(2). Requests for deletions are published in the **Federal Register** for notice and comment.

Notice and Request for Comment

The FHWA published a Notice and Request for Comment on July 9, seeking comments from the general public on this request submitted by the MDTA for a deletion in accordance with 23 CFR 658.11(d). The comment period closed on August 9. No public comments were received.

The FHWA sought comments on this request for temporary deletion from the National Network in accordance with 23 CFR 658.11(d). Specifically, the request is for approval of the temporary closure of I-395 just south of Conway Street in the city of Baltimore from the period beginning Wednesday August 29, at approximately 6 p.m. through Tuesday, September 4, at around 6 a.m., encompassing the Labor Day holiday. This closure will be undertaken in support of the BGP which will use the streets of downtown Baltimore as a race course. It is anticipated the BGP event will be hosted in the city of Baltimore for the next 4 consecutive years. The inaugural event occurred September 2 through September 4, 2011. The event is expected to attract 160,000 spectators over a 3–4 day period, not including the event organizer workforce and volunteers, the racing organizations and their respective personnel, or media and vendors. Event planners expect spectators from within a 400-mile radius of the city, with a large portion traveling the I-95 corridor. It is anticipated that the attendance for the peak day (Sunday) will reach 70,000 people with most arriving by private vehicle.

The construction and operation of the race course will create safety concerns by obstructing access from the I-395 northern terminus to the local street system including Howard Street, Conway Street, and Lee Street. However, an existing connection from I-395 to Martin Luther King, Jr. Boulevard will remain open throughout the event. In addition, access to and from I-95 into and out of the city along alternative access routes, including US 1, US 40, Russell Street, and Washington Boulevard will be maintained. The BGP and the city plan to update the 2011 signing plan to inform and guide motorists to, through, and around the impacted downtown area. The statewide transportation operations system, the Coordinated Highways Action Response Team, will provide real-time traffic

information to motorists through dynamic message signs and highway advisory radio. The MDTA states that the temporary closure of this segment of I-395 to general traffic should have no impact on Interstate commerce. I-95, the main north-south Interstate route in the region, will remain open during the time period of the event. There are five additional I-95 interchanges, just to the north or south of I-395, with connections to the local street system including the arterials servicing the city's downtown area. A sign and supplemental traffic control systems plan was developed as part of the 2011 event's Traffic Management Plan (TMP). In addition, I-695 (Baltimore Beltway) will provide motorists traveling through the region the ability to bypass the impact area by circling around the city.

Commercial motor vehicles of the dimensions and configurations described in 23 CFR 658.13 and 658.15 which serve the impacted area, may use the alternate routes listed above. Vehicles servicing the businesses bordering the impacted area will still be able to do so by also using the alternative routes noted above to circulate around the restricted area. In addition, vehicles not serving businesses in the restricted area but, currently using I-395 and the local street system to reach their ultimate destinations, will be able to use the I-95 interchanges north and south of I-395 to access the alternative routes. A map depicting the alternative routes is available electronically at the docket established for this notice at <http://www.regulations.gov>. The MDTA has reviewed these alternative routes and determined the routes to generally be capable of safely accommodating the diverted traffic during the period of temporary restriction. As mentioned previously, the sign and supplemental traffic control system plan is also being updated as part of the event's TMP. Commercial vehicles as well as general traffic leaving the downtown area will also be able to use the alternative routes to reach I-95 and the rest of the Interstate System. The BGP and the city are working closely with businesses, including the hotels and restaurants located within the impact area, to schedule deliveries prior to the proposed I-395 closure to the extent feasible. The BGP is also working with affected businesses to schedule delivery services during the event period.

The original plan uses a credentialing process for access through designated gates with access to specific loading areas. This request to temporarily close I-395 was prepared for the MDTA by the BGP and the city. In addition, the

city has reached out to the Federal, State, and local agencies to collaborate and coordinate efforts to address the logistical challenges of hosting the BGP. The BGP and the city have worked extensively with the businesses and residential communities in the city that could be affected by the event. These efforts include the formation of Task Forces and event Sub-Committees, to guide the development of plans for event security, transportation management, public safety and more.

The FHWA did not receive any comments in response to the Notice and Request for Comment. After full consideration of the MDTA request discussed in this final notice and determining that the request meets the requirements of 23 CFR 658.11(d), FHWA approves the deletion as proposed.

Authority: 23 U.S.C. 127, 315 and 49 U.S.C. 31111, 31112, and 31114; 23 CFR part 658.

Issued on: August 24, 2012.

Victor M. Mendez,
Administrator.
