Tapered Roller Bearings and Parts Thereof, Finished and Unfinished, From the People’s Republic of China: Continuation of the Antidumping Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: As a result of the determinations by the Department of Commerce (“Department”) and the International Trade Commission (“ITC”) that revocation of the antidumping duty order on tapered roller bearings and parts thereof, finished and unfinished (“TRBs”), from the People’s Republic of

China (“PRC”) would likely lead to a continuation or recurrence of dumping and material injury to an industry in the United States, the Department is publishing a notice of continuation of the antidumping duty order.

DATES: *Effective Date:* August 30, 2012.

FOR FURTHER INFORMATION CONTACT: Lindsey Novom, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–5256.

SUPPLEMENTARY INFORMATION: On August 1, 2011, the Department initiated the third sunset review of the antidumping duty order on TRBs from the PRC pursuant to section 751(c) of the Tariff Act of 1930, as amended (“Act”).¹

As a result of its review, the Department determined that revocation of the antidumping duty order on TRBs from the PRC would likely lead to a continuation or recurrence of dumping and, therefore, notified the ITC of the magnitude of the margins likely to prevail should the order be revoked.²

On July 31, 2012, the ITC determined, pursuant to section 751(c) of the Act, that revocation of the antidumping duty order on TRBs from the PRC would likely lead to a continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.³

Scope of the Order

The products covered by the order are tapered roller bearings and parts thereof, finished and unfinished, from the PRC; flange, take up cartridge, and hanger units incorporating tapered roller bearings; and tapered roller housings (except pillow blocks) incorporating tapered rollers, with or without spindles, whether or not for automotive use. These products are currently classifiable under Harmonized Tariff Schedule of the United States (“HTSUS”) item numbers 8482.20.00, 8482.91.00.50, 8482.99.15, 8482.99.45, 8483.20.40, 8483.20.80, 8483.30.80, 8483.90.20, 8483.90.30, 8483.90.80,

Continuation of the Order

As a result of these determinations by the Department and the ITC that revocation of the antidumping duty order on TRBs would likely lead to a continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, the Department hereby orders the continuation of the antidumping duty order on TRBs from the PRC. U.S. Customs and Border Protection will continue to collect antidumping duty cash deposits at the rates in effect at the time of entry for all imports of subject merchandise. The effective date of the continuation of the order will be the date of publication in the **Federal Register** of this notice of continuation. Pursuant to section 751(c)(2) of the Act, the Department intends to initiate the next five-year review of the order not later than 30 days prior to the fifth anniversary of the effective date of continuation.

This five-year sunset review and this notice are in accordance with section

SUPPLEMENTARY INFORMATION:

Background

On August 22, 2011, the Department informed interested parties that it was initiating proceedings under section 129 of the URAA to implement the findings of the WTO dispute settlement panel in DS 379 with regard to the countervailing duty ("CVD") investigations on OTR Tires and Sacks from the PRC. On September 27, 2011, the Department informed interested parties that it was initiating proceedings under section 129 of the URAA to implement the findings of the WTO dispute settlement panel in DS 379 with regard to the CVD investigations on CWP and LWRPT from the PRC. On May 14, 2012, the Department informed interested parties that it was initiating proceedings under section 129 of the URAA to implement the findings of the WTO dispute settlement panel in DS 379 with regard to the antidumping duty ("AD") investigations on CWP, LWRPT, OTR Tires, and Sacks from the PRC.

Given the number and complexity of the issues involved, the Department addressed the Dispute Settlement Body's findings through separate preliminary determination memoranda with respect to each of the issues addressed in WTO DS 379. Specifically, the Department issued the preliminary determinations regarding:

A. Loan benchmarks on April 6, 2012;²

WTO DS 379 Regarding the Antidumping and Countervailing Duty Investigations of Circular Welded Carbon Quality Steel Pipe from the People's Republic of China ("CWP Section 129 Final Determinations"); (3) Final Determinations: Section 129 Proceedings Pursuant to the WTO Appellate Body's Findings in WTO DS 379 Regarding the Antidumping and Countervailing Duty Investigations of Laminated Woven Sacks from the People's Republic of China ("Sacks Section 129 Final Determinations"); and (4) Final Determinations: Section 129 Proceedings Pursuant to the WTO Appellate Body's Findings in WTO DS 379 Regarding the Antidumping and Countervailing Duty Investigations of Light-Walled Rectangular Pipe and Tube from the People's Republic of China ("LWRPT Section 129 Final Determinations").
