

Customs and Border Protection port of entry, and FTZ 189's existing Sites 1–9 would be categorized as magnet sites;

Whereas, notice inviting public comment was given in the **Federal Register** (77 FR 14000, 3/8/2012) and the application has been processed pursuant to the FTZ Act and the Board's regulations; and,

Whereas, the Board adopts the findings and recommendations of the examiner's report, and finds that the requirements of the FTZ Act and the Board's regulations are satisfied, and that the proposal is in the public interest;

Now, therefore, the Board hereby orders:

The application to reorganize FTZ 189 under the alternative site framework is approved, subject to the FTZ Act and the Board's regulations, including Section 400.13, to the Board's standard 2,000-acre activation limit for the overall general-purpose zone project, and to a five-year ASF sunset provision for magnet sites that would terminate authority for Site 1–8 if not activated by August 31, 2017.

Signed at Washington, DC, this 17th day of August 2012.

#### SUPPLEMENTARY INFORMATION:

##### I. Abstract

This collection of information is required by the Defense Production Act (DPA). The DPA requires U.S. firms to furnish information (15 CFR 701) to the Department of Commerce regarding offset agreements exceeding \$5,000,000 in value associated with sales of weapon systems or defense-related items to foreign countries or foreign firms. Offsets are industrial or commercial compensation practices required as a condition of purchase in either government-to-government or commercial sales of defense articles and/or defense services as defined by the Arms Export Control Act and the International Traffic in Arms Regulations. Such offsets are required by most major trading partners when purchasing U.S. military equipment or defense related items. An annual report based on offset agreements and offset transactions data reported to BIS by industry is submitted to Congress on the impact of offsets in defense trade on the United States.

##### II. Method of Collection

Submitted electronically or on paper.
