National Institutes of Health

National Heart, Lung, and Blood Institute; Notice of Closed Meeting

Pursuant to section 10(d) of the Federal Advisory Committee Act, as amended (5 U.S.C. App.), notice is hereby given of the following meeting.

The meeting will be closed to the public in accordance with the provisions set forth in sections 552b(c)(4) and 552b(c)(6), Title 5 U.S.C., as amended. The grant applications and the discussions could disclose confidential trade secrets or commercial property such as patentable material, and personal information concerning individuals associated with the grant applications, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

Name of Committee: National Heart, Lung, and Blood Institute Special Emphasis Panel; Program Project Grant in Hypoxia and Sleep Medicine.

Date: September 28, 2012.

Time: 8 a.m. to 12 p.m.

Agenda: To review and evaluate grant applications.

Place: National Institutes of Health, 6701 Rockledge Drive, Room 9201, Bethesda, MD 20892.

Contact Person: Shelley S Sehnert, Ph.D., Scientific Review Officer, Office of Scientific Review/DERA, National Heart, Lung, and

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[LLNM920000 L13100000 F10000; OKNM 119314]

Notice of Proposed Reinstatement of Terminated Oil and Gas Lease OKNM 119314, Oklahoma

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: Under the provisions of the Mineral Leasing Act of 1920, as amended, the Bureau of Land Management (BLM) received a petition for reinstatement of oil and gas lease OKNM 119314 from the lessee Jones Energy, Ltd., for lands in Woodward County, Oklahoma. The petition was filed on time and was accompanied by all the rentals due since the date the lease terminated under the law.

FOR FURTHER INFORMATION CONTACT:

JulieAnn Serrano, Bureau of Land Management, New Mexico State Office, P.O. Box 27115, Santa Fe, New Mexico 87502-0115 or at 505-954-2149. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 to contact the above individual during business hours. The FIRS is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: No valid lease has been issued that affects the lands. The lessee agrees to new lease terms for rentals and royalties of \$10 per acre, or fraction thereof, per year and 16-2/3 percent, respectively. The lessee paid the required \$500 administrative fee for the reinstatement of the lease and \$159 cost for publishing this Notice in the **Federal Register**. The lessee met all the requirements for reinstatement of

the lease as set out in Section 31 (d) and (e) of the Mineral Leasing Act of 1920 (30 U.S.C. 188). The BLM is proposing to reinstate lease OKNM 119314, effective the date of termination, December 1, 2011, under the original terms and conditions of the lease and the increased rental and royalty rates cited above.

JulieAnn Serrano,

Land Law Examiner, Fluids Adjudication Team.

National Park Service

[NPS-NER-HPPC-10580; 4350-HAMP-409]

Record of Decision for the General Management Plan/Final Environmental Impact Statement, Hampton National Historic Site, Maryland

AGENCY: National Park Service, Interior.

ACTION: Notice of availability.

SUMMARY: Pursuant to 102 (2)(c) of the National Environmental Policy Act of 1969 (NEPA), the National Park Service (NPS) announces the availability of the Record of Decision for the Final General Management Plan and Environmental Impact Statement (GMP/EIS), Hampton National Historic Site, Maryland. As soon as practicable, the NPS will begin to implement the preferred alternative as contained in the Final GMP/EIS issued by the NPS on March 23, 2012, and summarized in the Record of Decision. Copies of the Record of Decision may be obtained from the contact listed below or online at the park's Web site (<http://www.nps.gov/hamp>) or the NPS Planning, Environment, and Public Comment (PEPC) Web site (<http://parkplanning.nps.gov/hamp>).

FOR FURTHER INFORMATION CONTACT: Tina Orcutt, Superintendent, Hampton National Historic Site, 535 Hampton Road, Towson, Maryland 21286-1397, telephone (410) 823-1309 ext. 101.

SUPPLEMENTARY INFORMATION: On April 23, 2012, the Regional Director of the NPS's Northeast Region signed the Record of Decision selecting Alternative 3 as the approved General Management Plan (GMP) for Hampton National Historic Site (NHS). The Record of Decision includes a statement of the decision made, synopses of other alternatives considered, the basis for the decision, a description of the environmentally preferable alternative, a finding on impairment of park

resources and values, a listing of measures to minimize environmental harm, and an overview of public involvement in the decision-making process.

The selected alternative, Alternative 3—Broadening the Hampton Experience, was identified as the agency's preferred alternative in the Final GMP/EIS. Under this alternative, the visitor experience will be expanded to include the entire story of the park, from its beginnings in the 18th century to its heyday in the 19th century, and through the changes of activity and ownership in the 20th century. It will broaden the stories to include all those who lived and worked at the mansion, the plantations, and related Ridgely family enterprises. It will provide visitor services and accommodate park operations within the historic and modern buildings existing on the property, including a new collections storage building and a small visitor contact building in the Support Zone on the mansion side of the property.

Modern and historic buildings will be rehabilitated to provide for visitor services—orientation, group programming, restrooms and bookstore—along with limited storage, and administrative and partnership offices, all within walking distance of the mansion. While this approach could disperse interpretation and administrative functions throughout the park, every effort will be made to group these operational functions near one another to enhance the 'campus feeling,' encourage organizational efficiency, and minimize their intrusion into the historic scene.

The modular buildings currently housing administrative and partner offices will be removed. One critical feature missing from the landscape and essential to the visitor experience, the corn crib, will be reconstructed, if Department of the Interior/NPS documentation needs are met in accordance with the Secretary of the Interior's Standards for the Treatment of Historic Properties, and used for interpretation on the farm side. Relocation of the modern entrance drive on the mansion side and changes to the access road to the farm will provide safer access to new visitor orientation areas on both sides of Hampton Lane.

Exhibits, media, programs, and scholarship will reflect the breadth of lives and events experienced by all of Hampton's residents and workers, free and enslaved, and will connect those stories with visitors' lives today. Park boundaries will remain unchanged, although minor adjustments will be

considered through donation and willing seller acquisitions.

The NPS selected Alternative 3 because it best fulfills the purposes of the park and conveys the greatest number of beneficial results in comparison with the other alternatives. The selected alternative will expand the visitor experience to include the entire story of the park and would broaden the stories to include all those who lived and worked at the estate. It will provide visitor services and accommodate park operations, including group activities and tours, while preserving park resources. Partnerships will enhance relevance of the park to local visitors and better enable the NPS to respond to concerns of local residents, preservation organizations, academics, and the general public about how the park is managed. Overall, the selected alternative provides the highest degree of protection of the park's natural and cultural resources and it provides the most exceptional opportunities for visitors. In addition, the selected alternative offers the best value balancing costs against improvements to preservation and visitor services.

This planning process was initiated in 1998 and included extensive involvement with key stakeholders, agencies, resource experts, and members of the public. Information was disseminated through newsletters and press releases, and all interested parties were provided with opportunities to provide input and feedback during public meetings, workshops, and document review periods. The Draft GMP/EIS was available for public and agency review from October 11, 2010, through December 24, 2010, with three public open houses held in November 2010. The Final GMP/EIS responded to, and incorporated, agency and public comments received on the Draft GMP/EIS. No changes were made to the alternatives or to the impact analysis presented in the Draft GMP/EIS; therefore, Alternative 3 remained the NPS Preferred Alternative and the environmentally preferred alternative in the Final GMP/EIS.

Dated: August 1, 2012.

Michael A. Caldwell,

*Acting Regional Director, Northeast Region,
National Park Service.*

Minor Boundary Revision at Big Thicket National Preserve

AGENCY: National Park Service, Interior.

ACTION: Notification of Boundary Revision.

SUMMARY: Notice is hereby given that, pursuant to the Act of October 11, 1974 (Pub. L. 93-439, 88 Stat. 1245), the boundary of Big Thicket National Preserve is modified to include 9 tracts of lands listed as follows: Tract 119-07, 123.07 acres; Tract 219-12, 6.45 acres; Tract 219-13, 177.28 acres; Tract 221-15, 8.51 acres; Tract 221-16, 4.29 acres; Tract 224-16, 648.01 acres; Tract 225-20, 41.40 acres; Tract 227-04, 52.74 acres; and Tract 230-01, 1,141.87 acres; for a total of 2,203.62 acres. These lands are located in Hardin County, Polk County, and Tyler County, Texas, immediately adjacent to the existing boundary of Big Thicket National Preserve. The boundary revision is depicted on Map No. 175/106,913A dated August, 2011. The map is available for inspection at the following locations: National Park Service, Intermountain Region Land Resources Program Center, 12795 West Alameda Parkway, Denver, Colorado 80225-0287 and National Park Service, Department of the Interior, Washington, DC 20240.

DATES: The effective date of this boundary revision is September 6, 2012.

FOR FURTHER INFORMATION CONTACT: National Park Service, Chief Realty Officer, Intermountain Region Resources Program Center, 12795 West Alameda Parkway, Denver, Colorado 80225-0827, at (303) 969-2610.

SUPPLEMENTARY INFORMATION: The Act of October 11, 1974, as amended, established the Big Thicket National Preserve and provided that after notifying the House Committee on Resources and the Senate Committee on Energy and Resources, the Secretary of the Interior is authorized to make this boundary revision. The Committees have been notified of this boundary revision.

This boundary revision will make a significant contribution toward the preservation and protection of the ecological crossroads of Southeast Texas for which the preserve was established. The acquisition of these parcels will provide connectivity between the various units and will aid in maintaining wildlife migration corridors and the management of the park. These
