Abstract of Proposed Collection

The DS-0174, Application for Employment as a Locally Employed Staff or Family Member, is needed to meet information collection requirements for recruitments conducted at approximately 170 U.S. embassies and consulates throughout the world. Current employment application forms do not meet the unique requirements of Mission recruitment (e.g., language skills and hiring preferences) under the FS Act of 1980 and 22 U.S.C. 2669(c). The DS-0174 is needed to improve data gathering and to clarify interpretation of candidate responses.

Methodology

Candidates for employment use the DS-0174 to apply for Mission-advertised positions throughout the world. Mission recruitments generate approximately 40,000 applications per year. Data that HR and hiring officials extract from the DS-0174 determines eligibility for employment, qualifications for the position, and selections according to Federal policies.

Community Development Financial Institutions (CDFI) Fund

OMB Number: 1559-NEW.

Type of Review: New collection.

Title: Capital Magnet Fund Reporting.

Abstract: The purpose of the Capital Magnet Fund (CMF) program is to competitively award grants to certified Community Development Financial Institutions (CDFIs) and qualified nonprofit housing organizations to attract and leverage other finance resources towards the support of affordable housing and related community development projects. The CMF was authorized in July of 2008 under Section 1339 of the Housing and Economic Recovery Act of 2008 (Pub. L. 110-289), and \$80 million was appropriated for this initiative under the Consolidated Appropriations Act of 2010 (Pub. L. 111-117). Twenty-three Awardees were competitively selected after a careful review of their program applications. These Awardees entered into Assistance Agreements with the CDFI Fund that set forth certain required terms and conditions of the award, including reporting and data collection requirements. The Assistance Agreement requires the collection of annual reports that are used to collect information for compliance monitoring and program evaluation purposes. This information is reviewed to ensure the Awardee's compliance with its performance goals and contractual obligations and the overall performance of the program.

Affected Public: Private Sector: Businesses or other for-profits; Not-for-profit institutions.

Estimated Total Burden Hours: 920.

Robert Dahl,

Treasury PRA Clearance Officer.
