SUPPLEMENTARY INFORMATION:

A. Purpose

Homeland Security Presidential Directive (HSPD) 12 "Policy for a Common Identification Standard for Federal Employees and Contractors" requires the implementation of a governmentwide standard for secure and reliable forms of identification for Federal employees and contractors. OMB's implementing instructions requires all contract employees requiring routine access to federally controlled facilities for greater than six (6) months to receive a background investigation. The minimum background investigation is the National Agency Check with Written Inquiries or NACI.

However, there is no requirement in the law or HSPD-12 that requires child care employees to be subject to the NACI since employees of child care providers are neither government employees nor government contractors. Instead, the child care providers are required to complete the criminal history background checks mandated in the Crime Control Act of 1990, Public Law 101-647, dated November 29, 1990, as amended by Public Law 102-190, dated December 5, 1991. These statutes require that each employee of a child care center located in a Federal building or in leased space must undergo a background check.

According to GSA policy, child care workers (as described above) will need to submit the following:

1. An original signed copy of a *Basic National Agency Check Criminal History*, GSA Form 176; and
2. Two sets of fingerprints on FBI Fingerprint Cards, for FD-258.

This is not a request to collect new information, this is a request to change the form that is currently being used to collect this information. The new GSA forms will be less of a public burden. This information is presently being collected on either the old Federal Protective Service 176 Form or the SF85P.

Please Note: The original request to review and approve the new information collection requirement regarding the collection of personal data for background check investigations was for both temporary contractors and child care workers accessing GSA owned and leased controlled facilities. However, through discussions with OMB a more streamlined will be developed for conducting background checks on temporary contractors. GSA is therefore pulling the request for review and approval of the collection of personal data for background check investigations of temporary contractors, form GSA 176T, presented in the **Federal Register** publication of February 17, 2009, 74 FR 7439. GSA is proceeding with the request for review and approval for background check investigations of child care workers, form GSA 176C—to be referred to as form GSA 176, HSPD-12, Background Check Investigations for Child Care Workers.
