1. In the *Auction 901 Procedures Public Notice*, 77 FR 32092, May 31, 2012, the Bureaus identified census blocks eligible for the Mobility Fund Phase I support to be offered in Auction 901. The Bureaus also released files containing detailed information about these census blocks in a number of data formats, and a file with information about the more than 14,000 biddable geographic areas for Auction 901. These biddable items include: (1) The census tract-level aggregations of eligible census blocks, (2) separate aggregations of Tribal blocks and non-Tribal blocks for tracts that contain some eligible blocks that are in a Tribal land and other eligible blocks that are not in a Tribal land, and (3) individual eligible census blocks in Alaska. The Bureaus now announce the availability of updated versions of these files, which are available via the link for "Attachment A Files" at <http://wireless.fcc.gov/auctions/901/>. An updated summary of the eligible census blocks is attached to the *Auction 901 Updated Data Files and Mock Auction Date Change Public Notice*.

2. These files do not change the set of eligible census blocks or biddable items. The only changes made are to the road miles listed for certain of the eligible census blocks and their associated biddable items. Comparing the recalculated road miles released today to the previously-released data, the Bureaus note that: (1) More than 80% of the biddable items have either no change in road miles or a change of less than 1 mile; and (2) Fewer than 200 of the more than 14,000 biddable items have changes of at least 1 road mile and more than 25% of the previous total road miles.

3. The Bureaus recently became aware of some anomalies in the calculated
