SUPPLEMENTARY INFORMATION: The Middle Class Tax Relief and Job Creation Act of 2012, Public Law 112-96, provides States with the opportunity to allow Unemployment Insurance claimants in the Federal Emergency

Unemployment Compensation program of 2008 to participate in a reemployment program that helps them start their own businesses. This is known as the Self-Employment Assistance (SEA) program. Currently, a handful of States use this reemployment program, for which a minor amount of information (claimants entering the program and weeks and amounts paid) is collected under OMB Control Number 1205-0010. With the expansion of this program to something that could involve more people and with a need to collect data documenting State activities and results, the ETA seeks an extension of the OMB approval under Control Number 1205-0490 for a reporting instrument specific to the SEA program.

This information collection is subject to the PRA.
