

and CNF and these biomarkers of early effect, considering potential confounding factors such as smoking, age, gender, and workplace co-exposures, including non-engineered ultrafine particles.

The proposed project supports the NIOSH legislatively mandated industrywide studies program that conducts epidemiological and exposure

assessment research studies to identify the occupational causes of disease in the working population and their offspring and to effectively communicate study results to workers, scientists, industry, and the public.

The questionnaire will be administered one time only, at the worksite, to 100 workers involved in the production and use of CNT or CNT. The

study will be carried out during the participants' regular work shift. There is no cost to respondents or their employers other than their time. We estimate that the average burden per response to be 22 minutes, and that the total burden to all respondents will be 37 hours (see table below).

ESTIMATED ANNUALIZED BURDEN HOURS

| Respondents | Number of respondents | Number of responses per respondent | Average burden per response (in hours) | Total burden (in hours) |
|-----------------------------|-----------------------|------------------------------------|--|-------------------------|
| Nanomaterials Workers | 100 | 1 | 22/60 | 37 |
| Total | | | | 37 |

Submission for OMB Review; Comment Request

Title: Title IV-E Plan for Foster Care, Adoption Assistance, and, optional, Guardianship Assistance Programs.

OMB No.: 0980-0141.

Description: A title IV-E plan is required by section 471, part IV-E of the Social Security Act (the Act) for each public child welfare agency requesting Federal funding for foster care, adoption assistance and guardianship assistance under the Act. Section 479B of the Act provides for an Indian tribe, tribal organization or tribal consortium (Tribe) to operate a title IV-E program in the same manner as a State with minimal exceptions. The Tribe must have an approved title IV-E Plan. The title IV-E plan provides assurances the

programs will be administered in conformity with the specific requirements stipulated in title IV-E. The plan must include all applicable State or Tribal statutory, regulatory, or policy references and citations for each requirement as well as supporting documentation. A title IV-E agency may use the pre-print format prepared by the Children's Bureau of the Administration for Children and Families or a different format, on the condition that the format used includes all of the title IV-E plan requirements of the law.

Respondents: Title IV-E agencies administering or supervising the administration of the title IV-E programs.

ANNUAL BURDEN ESTIMATES

| Instrument | Number of respondents | Number of responses per respondent | Average burden hours per response | Total burden hours |
|-----------------------|-----------------------|------------------------------------|-----------------------------------|--------------------|
| Title IV-E Plan | 17 | 1 | 16 | 272 |

Estimated Total Annual Burden Hours: 272.
