Pursuant to sections 307(b) and 505(b)(2) of the Act, a petition for judicial review of those portions of the Order that deny issues in the Petition may be filed in the United States Court of Appeals for the appropriate circuit within 60 days from the date this notice appears in the **Federal Register**.

SUPPLEMENTARY INFORMATION: The Act affords EPA a 45-day period to review and object to, as appropriate, a title V operating permit proposed by State permitting authorities. Section 505(b)(2) of the Act authorizes any person to petition the EPA Administrator, within 60 days after the expiration of this review period, to object to a title V operating permit if EPA has not done so. Petitions must be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided by the State, unless the petitioner demonstrates that it was impracticable to raise these issues during the comment period or the grounds for the issues arose after this period. EPA received a petition from WildEarth Petitioner dated August 4, 2011, requesting that EPA object to the issuance of the Permit to CLF&P for the Wygen II power plant located in Campbell County, Wyoming. The Petitioner alleges that WDEQ failed to respond to comments on the draft permit.

On August 23, 2012, the Administrator issued an Order denying the Petition. The Order explains the reasons behind EPA's conclusions.

Dated: September 11, 2012.

EXPORT-IMPORT BANK

[Public Notice 2012-0505]

Agency Information Collection Activities: Final Collection; Comment Request

AGENCY: Export-Import Bank of the U.S.

ACTION: Submission for OMB Review and Comments Request.

Form Title: EIB 11-05 Exporter's Certificate for Loan Guarantee & MT Insurance Programs

SUMMARY: The Export-Import Bank of the United States (Ex-Im Bank), as a part of its continuing effort to reduce paperwork and respondent burden,

invites the general public and other Federal Agencies to comment on the proposed information collection, as required by the Paperwork Reduction Act of 1995.

Ex-Im Bank's borrowers, financial institution policy holders and guaranteed lenders provide this form to U.S. exporters, who certify to the eligibility of their exports for Ex-Im Bank support. For direct loans and loan guarantees, the completed form is required to be submitted at time of disbursement and held by either the guaranteed lender or Ex-Im Bank. For MT insurance, the completed forms are held by the financial institution, only to be submitted to Ex-Im Bank in the event of a claim filing. Ex-Im Bank believes that EIB 11-05 requires emergency approval in order to continue operation of its long- and medium-term financing programs. It is an integral component of the programs and is heavily used.

Lack of an emergency approval of this form would preclude our ability to continue operation of its long- and medium-term financial institution programs. Ex-Im Bank developed the referenced form to obtain exporter certifications regarding the export transaction, content sourcing, and their eligibility to participate in USG programs. These details are necessary to determine the value and legitimacy of Ex-Im Bank financing support and claims submitted. It also provides the financial institutions a check on the export transaction's eligibility at the time it is fulfilling a financing request.

Accordingly, Ex-Im Bank requests emergency approval of EIB 11-05 in order to continue operation of these important export programs.

The form can be viewed at: www.exim.gov/pub/pending/eib11-05.pdf.

DATES: Comments should be received on or before October 25, 2012 to be assured of consideration.

ADDRESSES: Comments may be submitted electronically on WWW.REGULATIONS.GOV or by mail to Office of Information and Regulatory Affairs, 725 17th Street NW., Washington, DC 20038 Attn: OMB 3048-XXXX.
