SUPPLEMENTARY INFORMATION: The Consumer Price Index (CPI) is a measure of the average change over time in the prices paid by consumers for a market basket of consumer goods and services. Each month, BLS data collectors visit or call thousands of retail stores, service establishments, rental units, and doctors' offices all over the United States to obtain information on the prices of the thousands of items used to track and measure price changes in the

CPI. The collection of price data from rental units is essential for the timely and accurate calculation of the shelter component of the CPI. The CPI is then widely used as a measure of inflation, indicator of the effectiveness of government economic policy, deflator for other economic series and as a means of adjusting dollar values.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information if the collection of information does not display a valid Control Number. *See* 5 CFR 1320.5(a) and 1320.6. The determination was issued on July 26, 2012. The Department's Notice of determination was published in the **Federal Register** on August 9, 2012 (77 FR 47674). The workers' firm is engaged in activities related to the production of a daily newspaper. The subject worker group performs image manipulation for publication.

The initial investigation resulted in a negative determination based on the findings that a significant number or proportion of workers at State Journal Register, Camera and Plate Department, Springfield, Illinois has not been totally or partially separated, or threatened with such separation, and that the criteria of Section 222(e) of the Trade Act, as amended, have not been met.

The request for reconsideration states that the dislocated workers were part of the "Pre-Press Imaging Department" of State Journal Register, Springfield, Illinois.
