

CDX IG Series 19 for clearing on September 20, 2012 and will accept CDX HY Series 19 for clearing on September 27, 2012. CME notes that it has also certified the proposed rule changes that are the subject of this filing to its primary regulator, the Commodity Futures Trading Commission (“CFTC”), in CFTC Submission 12–283. The proposed CME rule amendments merely incorporate one additional series to CME’s existing offering of broad-based Markit CDX North American Investment Grade and High Yield Index credit default swaps. As such, the proposed amendments simply effect changes to an existing service of a registered clearing agency that (1) do not adversely affect the safeguarding of securities or funds in the custody or control of the clearing agency or for which it is responsible and (2) do not significantly affect the respective rights or obligations of the clearing agency or persons using its clearing agency services. Therefore, the proposed rule change is properly filed under Section 19(b)(3)(A) and Rule 19b–4(f)(4)(i) thereunder.

B. Self-Regulatory Organization’s Statement on Burden on Competition

CME does not believe that the proposed rule change will have any impact or impose any burden on competition.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

CME has not solicited, and does not intend to solicit, comments regarding this proposed rule change. CME has not received any unsolicited written comments from interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change was filed pursuant to Section 19(b)(3)(A)⁵ of the Act and paragraph (f)(4)(i) of Rule 19b–4⁶ thereunder and therefore became effective on filing. At any time within 60 days of the filing of such rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of

investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[File No. 500–1]

Titan Resources International, Corp.; Order of Suspension of Trading

September 26, 2012.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of Titan Resources International, Corp. (“Titan”). The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of Titan.

Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of the above-listed company is suspended for the period from 9:30 a.m. EDT, on September 26, 2012 through 11:59 p.m. EDT, on October 9, 2012.

SSA established methods for the public to: (1) Access to their SSA records; (2) disclosure of SSA records; (3) correct or amend their SSA records; (4) consent to release of their records; (5) request records under the Freedom of Information Act (FOIA); (6) and waive or reduce fees normally charged for release of FOIA records. Specifically, the agency uses the form to resolve discrepancies in the

individual's Social Security earnings record and to process claims for Social Security benefits. We only send Form SSA-7011-F4 to employers if we are unable to locate the earnings information in our own records. The respondents are employers who can verify wage allegations made by wage earners.

DEPARTMENT OF STATE

[Public Notice: 8044]

2014 Diversity Immigrant Visa Program

AGENCY: Department of State.

ACTION: Notice.

SUMMARY: This public notice provides information on how to apply for the DV-2014 Program.

Instructions for the 2014 Diversity Immigrant Visa Program (DV-2014)

This notice is issued pursuant to 22 CFR 42.33(b)(3) which implements sections 201(a)(3), 201(e), 203(c), and 204(a)(1)(I) of the Immigration and Nationality Act, as amended, (8 U.S.C. 1151, 1153, and 1154(a)(1)(I)).

The congressionally mandated Diversity Immigrant Visa Program is administered on an annual basis by the Department of State and conducted based on United States law, specifically Section 203(c) of the Immigration and Nationality Act (INA). This law provides for a class of immigrants known as "diversity immigrants," with visas made available to persons from countries with historically low rates of immigration to the United States. For Fiscal Year 2014, 50,000 diversity visas (DV) will be available.

The annual DV program makes visas available to persons meeting simple, but strict, eligibility requirements. A computer-generated, random drawing chooses selectees for DVs. The visas are distributed among six geographic regions, and within each region, no single country may receive more than seven percent of the available DVs in any one year. Visas are allocated to natives of countries with historically lower rates of U.S. immigration. Natives of countries who have sent more than 50,000 immigrants to the United States over the past five years are not eligible to apply for the Diversity Visa program.

For DV-2014, natives of the following countries are not eligible to apply because the countries sent a total of more than 50,000 immigrants to the United States in the previous five years:

Bangladesh, Brazil, Canada, China (mainland-born), Colombia, Dominican Republic, Ecuador, El Salvador, Haiti, India, Jamaica, Mexico, Pakistan, Peru, Philippines, South Korea, United Kingdom (except Northern Ireland) and its dependent territories, and Vietnam.

The term "country" in this notice includes countries, economies, and other jurisdictions explicitly listed at the end of these instructions. Persons born in Hong Kong SAR, Macau SAR, and Taiwan are eligible.

Changes in eligibility this year:

For DV-2014, natives of Guatemala are now eligible for selection.

The Department of State implemented the electronic registration system beginning with DV-2005 in order to make the DV process more efficient and secure. The Department utilizes special technology and other means to identify

those who commit fraud for the purposes of illegal immigration or those who submit multiple entries.

Diversity Visa Registration Period

Entries for the DV-2014 DV program must be submitted electronically between noon, Eastern Daylight Time (EDT) (GMT-4), Tuesday, October 2, 2012, and noon, Eastern Daylight Time (EDT) (GMT-4), Saturday, November 3, 2012. Applicants may access the electronic DV Entry Form (E-DV) at www.dvlottery.state.gov during the registration period. Paper entries will not be accepted. We strongly encourage applicants not to wait until the last week of the registration period to enter. Heavy demand may result in Web site delays. No entries will be accepted after noon, EDT, on November 3, 2012.

Requirements for Entry

To enter the DV program, you must be a native of one of the listed countries. In most cases, this means the country in which you were born. However, there are two other ways you may be able to qualify. First, if you were born in a country whose natives are ineligible but your spouse was born in a country whose natives are eligible, you can claim your spouse's country of birth—provided that both you and your spouse are on the selected entry, are issued visas, and enter the United States simultaneously. Second, if you were born in a country whose natives are ineligible, but neither of your parents was born there or resided there at the time of your birth, you may claim nativity in one of your parents' countries of birth if it is a country
