SUPPLEMENTARY INFORMATION: The DOL Iqbal Masih Award for the Elimination of Child Labor, presented by the Secretary of Labor, is intended to recognize exceptional efforts to reduce the worst forms of child labor. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information if the collection of information does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1290-0007. SUPPLEMENTARY INFORMATION:

I. Background

Title XII Section 1201 of the Social Security Act (SSA) provides for advances to states from the Federal Unemployment Account (FUA). The law further sets out specific requirements to be met by a state requesting an advance:

- The Governor, or designee, must apply for the advance;
- The application must cover a three month period and the Secretary of Labor (Secretary) must be furnished with estimates of the amounts needed in each month of the three month period;
- The application must be made on such forms and shall contain such information and data (fiscal and otherwise) concerning the operation and administration of the state unemployment compensation law as the Secretary deems necessary or relevant to the performance of his or her duties under this title;
- The amount required by any state for the payment of compensation in any month shall be determined with due allowance for contingencies and taking into account all other amounts that will be available in the state's unemployment fund for the payment of compensation in such month; and
- The term "compensation" means cash benefits payable to individuals with respect to their unemployment exclusive of expenses of administration.

Section 1202(a) of the SSA provides that the Governor of any state may at any time request that funds be transferred from the account of such state to the FUA in repayment of part or all of the balance of advances made to such state under section 1201. These applications and repayments may be requested by an individual designated for that authority in writing by the Governor.

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
