

We received a complete substantive response from the domestic interested parties within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i).⁴ We received no responses from respondent interested parties. As a result, the Department conducted an expedited sunset review of the order, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2).

Scope of the Order

The products covered by the order are natural honey, artificial honey containing more than 50 percent natural honey by weight, preparations of natural honey containing more than 50 percent natural honey by weight and flavored honey. The subject merchandise includes all grades and colors of honey whether in liquid, creamed, comb, cut comb, or chunk form, and whether packaged for retail or in bulk form.

The merchandise subject to the order is currently classifiable under subheadings 0409.00.00, 1702.90.90, 2106.90.99, 0409.00.0010, 0409.00.0035, 0409.00.0005, 0409.00.0045,

0409.00.0056, and 0409.00.0065 of the Harmonized Tariff Schedule of the United States (“HTSUS”). Although the HTSUS subheadings are provided for convenience and customs purposes, the Department’s written description of the merchandise under the order is dispositive.

Also included in the scope are blends of honey and rice syrup, regardless of the percentage of honey contained in the blend.

Analysis of Comments Received

All issues raised in this review are addressed in the “Issues and Decision Memorandum for the Expedited Sunset Review of the Antidumping Duty Order on Honey from the People’s Republic of China” (“Decision Memorandum”) from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Paul Piquado, Assistant Secretary for Import Administration, dated concurrently with and hereby adopted by this notice. The issues discussed in the Decision Memorandum include the likelihood of

continuation or recurrence of dumping and the magnitude of the margins likely to prevail if the order was to be revoked. Parties may find a complete discussion of all issues raised in the review and the corresponding recommendations in this public memorandum which is on file electronically via Import Administration’s Antidumping and Countervailing Duty Centralized Electronic Services System (“IA ACCESS”). Access to IA ACCESS is available in the Central Records Unit room 7046 of the main Commerce building. In addition, a complete version of the Decision Memorandum can be access directly on the Web at <http://ia.ita.doc.gov/frn>. The signed Decision Memorandum and the electronic versions of the Decision Memorandum are identical in content.

Final Results of Review

We determine that revocation of the Order would be likely to lead to continuation or recurrence of dumping at the following weighted-average percentage margins:

All submissions in these Sunset Reviews must be filed in accordance with the Department's regulations regarding format, translation, and service of documents. These rules, including electronic filing requirements via Import Administration's Antidumping and Countervailing Duty Centralized Electronic Service System ("IA ACCESS"), can be found at 19 CFR 351.303. See also *Antidumping and Countervailing Duty Proceedings: Electronic Filing Procedures; Administrative Protective Order Procedures*, 76 FR 39263 (July 6, 2011).

This notice serves as a reminder that any party submitting factual information in an AD/CVD proceeding must certify to the accuracy and completeness of that information. See section 782(b) of the Act. Parties are hereby reminded that revised certification requirements are in effect for company/government officials as well as their representatives in all AD/CVD investigations or proceedings initiated on or after March 14, 2011. See *Certification of Factual Information to Import Administration During Antidumping and Countervailing Duty Proceedings: Interim Final Rule*, 76 FR 7491 (February 10, 2011) ("*Interim Final Rule*") amending 19 CFR 351.303(g)(1) and (2) and supplemented by *Certification of Factual Information To Import Administration During*

Antidumping and Countervailing Duty Proceedings: Supplemental Interim Final Rule, 76 FR 54697 (September 2, 2011). The formats for the revised certifications are provided at the end of the *Interim Final Rule*. The Department intends to reject factual submissions if the submitting party does not comply with the revised certification requirements.

Pursuant to 19 CFR 351.103(d), the Department will maintain and make available a service list for these proceedings. To facilitate the timely preparation of the service list(s), it is requested that those seeking recognition as interested parties to a proceeding contact the Department in writing within 10 days of the publication of the Notice of Initiation.

Because deadlines in Sunset Reviews can be very short, we urge interested parties to apply for access to proprietary information under administrative protective order ("APO") immediately following publication in the **Federal Register** of this notice of initiation by filing a notice of intent to participate. The Department's regulations on submission of proprietary information and eligibility to receive access to business proprietary information under APO can be found at 19 CFR 351.304-306.

Information Required from Interested Parties

Domestic interested parties defined in section 771(9)(C), (D), (E), (F), and (G) of the Act and 19 CFR 351.102(b) wishing to participate in a Sunset Review must respond not later than 15 days after the date of publication in the **Federal Register** of this notice of initiation by filing a notice of intent to participate. The required contents of the notice of intent to participate are set forth at 19

CFR 351.218(d)(1)(ii). In accordance with the Department's regulations, if we do not receive a notice of intent to participate from at least one domestic interested party by the 15-day deadline, the Department will automatically revoke the order without further review. See 19 CFR 351.218(d)(1)(iii).

If we receive an order-specific notice of intent to participate from a domestic interested party, the Department's regulations provide that all parties wishing to participate in a Sunset Review must file complete substantive responses not later than 30 days after the date of publication in the **Federal Register** of this notice of initiation. The required contents of a substantive response, on an order-specific basis, are set forth at 19 CFR 351.218(d)(3). Note that certain information requirements differ for respondent and domestic parties. Also, note that the Department's information requirements are distinct from the Commission's information requirements. Please consult the Department's regulations for information regarding the Department's conduct of Sunset Reviews.¹ Please consult the Department's regulations at 19 CFR Part 351 for definitions of terms and for other general information concerning antidumping and countervailing duty proceedings at the Department.

This notice of initiation is being published in accordance with section

¹ In comments made on the interim final sunset regulations, a number of parties stated that the proposed five-day period for rebuttals to substantive responses to a notice of initiation was insufficient. This requirement was retained in the final sunset regulations at 19 CFR 351.218(d)(4). As provided in 19 CFR 351.302(b), however, the Department will consider individual requests to extend that five-day deadline based upon a showing of good cause.

751(c) of the Act and 19 CFR 351.218 (c).

Dated: September 12, 2012.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

International Trade Administration

U.S. Multi-Sector Trade Mission to South India and Sri Lanka

AGENCY: International Trade Administration, Department of Commerce.

ACTION: Amendment to Notice.

SUMMARY: The United States Department of Commerce, International Trade Administration, U.S. and Foreign Commercial Service is amending the Notice published at 77 FR 48499, August 14, 2012, regarding the U.S. Multi-Sector Trade Mission to South India and Sri Lanka Chennai and Cochin, India and Colombo, Sri Lanka February 3-8, 2013, to add to the targeted sector architecture services related to development of the residential and mixed use, tourism, and healthcare sectors, and encourage applications from U.S. exporters in those sub-sectors. Except as specified herein, all other information in the August 14, 2012 Notice, including the November 30, 2012 application deadline, remains unchanged.

SUPPLEMENTARY INFORMATION:

Background

The rapid growth of the Indian economy (averaging 8% over the past 10 years, though down as low as 6.4% recently) has created a pressing need for housing, hotel and healthcare infrastructure development and the country requires significant outside expertise to meet its ambitious targets. Additionally, Sri Lanka, after years of internal strife and conflicts, is poised to attract 2.5 million tourist arrivals by 2016 and the industry estimates it will need an additional 40,000 rooms in the next five years to achieve this target. The U.S. Department of Commerce, International Trade Administration, U.S. and Foreign Commercial Service anticipates that this current growth and increasing demand in the infrastructure, hospitality and healthcare sectors will provide opportunities for U.S. architecture service companies to expand and grow in these areas, and is therefore amending the mission

statement for the U.S. Multi-Sector Trade Mission to Chennai and Cochin, India and Colombo, Sri Lanka February 3-8, 2013, to add the architecture services as described below to the list of targeted sectors for this mission, which also includes infrastructure, hospitality, healthcare, and environmental and information technologies.

Amendments

For the reasons stated above, the Mission Description section of the amended Notice published at 77 FR 48499, August 14, 2012, regarding the U.S. Multi-Sector Trade Mission to South India and Sri Lanka Chennai and Cochin, India and Colombo, Sri Lanka February 3-8, 2013, are amended as follows:

1. Under Mission Description, after "expanding markets", add the following text:

Architecture Services Sub-Sectors

- Tourism
- Hospital and Healthcare
- Residential and Mixed-Use

2. Under Commercial Setting Chennai India, replace "Chennai possesses a broad need for all building types, but corporate campuses, education, housing, infrastructure, and master-planning efforts are the most active development sectors.", with the following text:

Chennai possesses a broad need for all building types, especially for residential development, tourism and health facilities. The Chennai real estate market has been growing at over 8 per cent a year and there are at least 675 real estate projects underway and 43.5 million square feet of area is awaiting approval for development with the local government. The residential real estate market is expected to register strong growth in 2012, primarily on account of improvement in the information technology (IT) sector, and continued economic growth in the region. Additionally, the SCMS Group, a Kochi-based academic house, plans to develop an academic complex in the Smart City campus with an investment of over \$10 million.

3. Under Commercial Setting Colombo Sri Lanka, after "With the return of peace, sectors such as construction, telecommunications, tourism and transportation offer enormous opportunities for U.S. companies.", add the following text:

The Urban Development Authority, a state agency, has plans to develop many areas of Colombo for tourism, housing, leisure and entertainment. A prime location in Colombo close to several five star hotels and adjoining a lake is

earmarked for hotels, restaurants, malls, casinos and other leisure activities. A leading local company has developed plans to convert the Colombo Fort area to an entertainment and leisure district and has plans to attract leading international brands and franchises to this major entertainment and shopping hub. A marina with water sports activities is also planned. The UDA is also implementing projects in the south and north central areas of the country as well. The UDA is under the authority of the Ministry of Defense.
