## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-67931; File No. SR-FICC-2012-06]

### Self-Regulatory Organizations; Fixed Income Clearing Corporation; Order Approving Proposed Rule Change to Move the Time at Which the Mortgage-Backed Securities Division Runs Its Daily Morning Pass

September 26, 2012.

#### I. Introduction

On August 6, 2012, the Fixed Income Clearing Corporation ("FICC") filed with the Securities and Exchange Commission ("Commission") proposed rule change SR-FICC-2012-06 pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),<sup>1</sup> and Rule 19b-4 thereunder.<sup>2</sup> The proposed rule change was published for comment in the **Federal Register** on August 20, 2012.<sup>3</sup> The Commission received no

comment letters regarding the proposal. For the reasons discussed below, the Commission is granting approval of the proposed rule change.

#### II. Description

FICC proposes to move the time at which its Mortgage-Backed Securities Division ("MBS") runs its first processing pass of the day from 2:00 p.m. to 4:00 p.m. Eastern Standard Time. The proposed change does not require revisions to MBS's rules because those rules do not address the times of MBS's processing passes.

MBS currently runs its first processing pass of the day (historically referred to as the "AM Pass") at 2:00 p.m. Eastern Standard Time. MBS also executes an evening pass (referred to as the "PM Pass") at 8:00 p.m. Eastern Standard Time, which will remain unchanged. On days when MBS executes its to-be-announced netting cycle, this cycle immediately follows the completion of the first pass of the day. The proposed change to 4:00 p.m. for the first pass of the day will allow more trades to be included in the to-be-announced net, which will assist in reducing both the amount of fails in the market and the related operational risk. The proposed change is being made at the request of the Securities Industry and Financial Markets Association ("SIFMA") MBS Operations Committee. MBS advised members of the proposed change via an Important Notice dated August 1, 2012.

#### III. Discussion

Section 19(b)(2)(C) of the Act<sup>4</sup> directs the Commission to approve a self-regulatory organization's proposed rule change if it determines that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to such organization. Section 17A(b)(3)(F) of the Act<sup>5</sup> requires, among other things, that the rules of a clearing agency be designed to promote the prompt and accurate clearance and settlement of security transactions, and to assure the safeguarding of securities and funds that are in the custody or control of such clearing agency, or for which it is responsible.

The Commission concludes that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to FICC. The proposed rule change will help to maximize the number of trades that are included in the to-be-announced netting process.

This, in turn, should reduce the number of trades that ultimately fail, and will temper the attendant operational risk, as well. The proposed change will therefore foster the prompt and accurate clearance and settlement of security transactions, and assure the safeguarding of securities and funds in FICC's custody or control, or for which FICC is responsible.

#### IV. Conclusion

On the basis of the foregoing, the Commission finds that the proposal is consistent with the requirements of the Act, in particular with the requirements of Section 17A of the Act<sup>6</sup> and the rules and regulations thereunder.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,<sup>7</sup> that the proposed rule change (File No. SR-FICC-2012-06) be and hereby is APPROVED.<sup>8</sup>

For the Commission by the Division of Trading and Markets, pursuant to delegated authority.<sup>9</sup>

**Kevin M. O'Neill,**  
*Deputy Secretary.*
