AGENCY: Office of Community Services (OCS), ACF, HHS.

ACTION: The Administration for Children and Families (ACF), Office of Community Services (OCS) announces the award of single-source program expansion supplements to seven FY 2012 grantees under the Assets for Independence Demonstration Program.

SUMMARY: The Administration for Children and Families (ACF), Office of Community Services (OCS) announces the award of single-source program expansion supplements to seven FY 2012 grantees under the Assets for Independence Demonstration Program (AFI). Grantees will provide an array of supports and services to enable individuals and families with low incomes to become more economically self-sufficient for the long term. A primary feature of each AFI project is that project participants are given access

to special matched savings accounts called Individual Development Accounts (IDA). Participants open an IDA and save earned income in the account regularly with the goal of accumulating savings to acquire an economic asset that will appreciate over time—specifically, to purchase a home, capitalize or expand a business for self-employment, or attend higher education or training. Grantees also ensure that participants have access to financial literacy education and coaching such as training on money management and consumer issues. Grant recipients must finance the projects with a combination of the federal AFI grant and non-federal cash. The non-federal cash amount must be at least equal to the federal AFI grant amount.

DATES: Project periods are 04/1/2012–03/31/2017 and 07/1/2012–06/30/2017.

[Docket No. FDA-2012-N-0405]

Stephen C. Delaney, Jr.: Debarment Order

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice.

SUMMARY: The Food and Drug Administration (FDA) is issuing an order under the Federal Food, Drug, and Cosmetic Act (the FD&C Act) debarbing Stephen C. Delaney, Jr. for a period of 5 years from importing articles of food or offering such articles for importation into the United States. FDA bases this order on a finding that Mr. Delaney was convicted of one felony count under Federal law for conduct relating to the importation into the United States of an article of food. Mr. Delaney was given notice of the proposed debarment and an opportunity to request a hearing within the timeframe prescribed by regulation. As of August 10, 2012 (30 days after receipt of the notice), Mr. Delaney had not responded. Mr. Delaney's failure to respond constitutes a waiver of his right to a hearing concerning this action.

DATES: This order is effective October 5, 2012.

ADDRESSES: Submit applications for termination of debarment to the Division of Dockets Management (HFA-305), Food and Drug Administration, 5630 Fishers Lane, rm. 1061, Rockville, MD 20852.

FOR FURTHER INFORMATION CONTACT: Kenny Shade, Office of Regulatory Affairs, Food and Drug Administration, 12420 Parklawn Dr., Rockville, MD 20857, 301-796-4640.

SUPPLEMENTARY INFORMATION:

I. Background

Section 306(b)(1)(C) of the FD&C Act (21 U.S.C. 335a(b)(1)(C)) permits FDA to debar an individual from importing an article of food or offering such an article for import into the United States if FDA finds, as required by section

306(b)(3)(A) of the FD&C Act (21 U.S.C. 335a(b)(3)(A)), that the individual has been convicted of a felony for conduct relating to the importation into the United States of any food.

On April 8, 2011, Mr. Delaney was convicted in the U.S. District Court for the District of Massachusetts of one count of false labeling under the Lacey Act in violation of 16 U.S.C. 3372(d).

FDA's finding that debarment is appropriate is based on the felony conviction referenced herein for conduct relating to the importation into the United States of any food. The factual basis for this conviction is as follows: As alleged in the indictment that was filed against Mr. Delaney, he was the president and owner of a seafood packing and re-packing company. On or about April 15, 2009, in violation of 16 U.S.C. 3372(d), he knowingly made and submitted a false record, account and label for, and a false identification of fish that had been and was intended to be, imported, purchased, and received from a foreign country and transported in interstate commerce, and involved the sale and purchase, the offer of sale and purchase, and the intent to sell and purchase, fish with a market value of approximately \$8,000. Specifically, Mr. Delaney falsely labeled imported frozen fillets of pollock, product of China, as cod loins, product of Canada.

As a result of his conviction, on July 9, 2012, FDA sent Mr. Delaney a notice by certified mail proposing to debar him for a period of 5 years from importing articles of food or offering such articles for import into the United States. The proposal was based on a finding under section 306(b)(1)(C) of the FD&C Act that Mr. Delaney was convicted of a felony under Federal law for conduct relating to the importation into the United States of an article of food because he knowingly made and submitted a false record, account and label for, and a false identification of fish that had been and was intended to be, imported, purchased, and received from a foreign country and transported in interstate commerce, and involved the sale and purchase, the offer of sale and purchase, and intent to sell and purchase, fish with a market value of approximately \$8,000.

The proposal was also based on a determination, after consideration of the factors set forth in section 306(c)(3) of the FD&C Act (21 U.S.C. 335a(c)(3)), that Mr. Delaney should be subject to a 5-year period of debarment. The proposal also offered Mr. Delaney an opportunity to request a hearing, providing him 30 days from the date of receipt of the letter in which to file the request, and advised
