Title; Associated Form; and OMB Number: Checklist for Requesting Approval of Still and Motion Imagery of Military Personnel and Equipment for Commercial Purposes; DD Form x633; OMB Control Number 0704-TBD.

Needs and Uses: The information collection requirement is necessary to collect information from those who seek DoD approval prior to the use of still or motion imagery of military personnel and equipment for commercial purposes. The form prescribes processes/standards that have been established for granting image use approval, when requested. It further allows DoD a duty of care to military members to not approve commercial uses of imagery that infringe their rights.

Affected Public: Business or other for profit; Not-for-profit institutions.

Annual Burden Hours: 350.

Number of Respondents: 350.

Responses per Respondent: 6.

Average Burden per Response: 10 minutes.

Frequency: On occasion.

SUPPLEMENTARY INFORMATION:

Summary of Information Collection

Respondents are members of non-profit organizations wanting to use the military in their promotional and/or fund raising material. Respondents may also be marketing and advertising professionals who provide military or patriotic-themed exhibits, promotional material, web page designs, and advertisements for their business clients and require DoD approval for use of military imagery as part of their standard operating procedure. The completed form allows the respondents to acknowledge and comply with the DoD guidelines for granting military image use approval in their products. The completed form is included with the final mock-up of the proposed commercial use product and serves as notification that the respondent has complied with the DoD guidelines. If the form is not submitted or is incomplete, individuals reviewing the military imagery in the proposed commercial use product must contact the respondent and convey the requested changes in order to obtain DoD approval. Having the marketing, advertising, and non-profit organization professionals complete the form will educate the community of respondents about DoD guidelines, reduce the response time to their requests, and increase efficiency for those reviewing the requests.

Dated: October 3, 2012.

Alternate OSD Federal Register Liaison Officer, Department of Defense.
