Product Cancellation Order for Certain Pesticide Registrations**AGENCY:** Environmental Protection Agency (EPA).**ACTION:** Notice.

SUMMARY: This notice announces EPA's order for the cancellations, voluntarily requested by the registrants and accepted by the Agency, of the products listed in Table 1 of Unit II, pursuant to the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA). This cancellation order follows a February 29, 2012 **Federal Register** Notice of Receipt of Requests from the registrants listed in Table 2 of Unit II. to voluntarily cancel these product registrations. In the February 29, 2012 notice, EPA indicated that it would issue an order implementing the cancellations, unless the Agency received substantive comments within the 180 day comment period that would merit its further review of these requests, or unless the registrants withdrew their requests. The Agency did not receive any comments on the notice. Further, the registrants did not

withdraw their requests. Accordingly, EPA hereby issues in this notice a cancellation order granting the requested cancellations. Any distribution, sale, or use of the products subject to this cancellation order is permitted only in accordance with the terms of this order, including any existing stocks provisions.

DATES: The cancellations are effective October 17, 2012.

IV. Cancellation Order

Pursuant to FIFRA section 6(f), EPA hereby approves the requested cancellations of the registrations identified in Table 1 of Unit II. Accordingly, the Agency hereby orders that the product registrations identified in Table 1 of Unit II are canceled. The effective date of the cancellations that are the subject of this notice is October 17, 2012. Any distribution, sale, or use of existing stocks of the products identified in Table 1 of Unit II. in a manner inconsistent with any of the provisions for disposition of existing stocks set forth in Unit VI. below, will be a violation of FIFRA.

V. What is the agency's authority for taking this action?

Section 6(f)(1) of FIFRA provides that a registrant of a pesticide product may at any time request that any of its pesticide registrations be canceled or amended to terminate one or more uses. FIFRA further provides that, before acting on the request, EPA must publish a notice of receipt of any such request in the **Federal Register**. Thereafter, following the public comment period, the EPA Administrator may approve such a request. The notice of receipt for this action was published for comment in the **Federal Register** issue of February 29, 2012 (77 FR 12299) (FRL-9336-2). The comment period closed on August 27, 2012.

VI. Provisions for Disposition of Existing Stocks

Existing stocks are those stocks of registered pesticide products which are currently in the United States and which were packaged, labeled, and released for shipment prior to the effective date of the cancellation action. The existing stocks provisions for the products subject to this order are as follows.

A. Registrations Listed in Table 1 of Unit II Except for Registration No. WA860012

The registrants may continue to sell and distribute existing stocks of products listed in Table 1 of Unit II., except for Furadan 15 G Insecticide Nemanticide, with Registration No. WA860012, until October 17, 2013, which is 1 year after the publication of

the Cancellation Order in the **Federal Register**. Thereafter, the registrants are prohibited from selling or distributing products listed in Table 1, except for export in accordance with FIFRA section 17, or proper disposal. Persons other than the registrants may sell, distribute, or use existing stocks of products listed in Table 1 of Unit II., except for Furadan 15 G Insecticide Nemantocide, with Registration No. WA860012, until existing stocks are exhausted, provided that such sale, distribution, or use is consistent with the terms of the previously approved labeling on, or that accompanied, the canceled products.

EXPORT-IMPORT BANK

[Public Notice 2012-0531]

Agency Information Collection Activities: Comment Request

AGENCY: Export-Import Bank of the U.S.

ACTION: Submission for OMB Review and Comments Request.

Form Title: EIB 92-53 Small Business Multi-Buyer Export Credit Insurance Policy Enhanced Assignment of Policy Proceeds.

SUMMARY: The Export-Import Bank of the U.S. (Ex-Im Bank) pursuant to the Export-Import Bank Act of 1945, as amended (12 U.S.C. 635, *et seq.*), facilitates the finance of export of U.S. goods and services. By neutralizing the effect of export credit insurance and guarantees offered by foreign governments and by absorbing credit risks that the private sector will not accept, Ex-Im Bank enables U.S. exporters to compete fairly in foreign markets on the basis of price and

product. This collection of information is used by exporters to convey legal rights to, and describe the duties and obligations that have to be met by their financial institution lender in order to share insurance policy proceeds from Ex-Im Bank approved insurance claims.

The changes that were made to this agreement include language clarifications and changes to the descriptions of the rights and obligations of the parties to the agreement. The changes were made to provide clarity and specificity for exporters/lenders based on issues that have arisen through either exporter/lender inquiries or interpretations made during processing of claims. The language of the existing agreement frequently results in improper documentation by our lender partners which increases claim processing times and causes significant resource burdens to Ex-Im Bank. The language in the existing agreement also creates the potential for fraud, resulting in losses to Ex-Im Bank. Recent changes to the Ex-Im Bank Charter (12 U.S.C. 635(i)(2)(i) and a-6(b)) mandate that Ex-Im Bank must develop practices to identify, prevent and monitor for potential fraud. Therefore changes to the agreement were required to comply with this mandate and protect the U.S. taxpayer from fraud related loss. In addition, the changes to this agreement protect Ex-Im Bank's lender partners who are parties to the agreement, allowing us to maintain our relationships with our lender partners, and fulfill our agency mission to finance exports (through our lender partners) and create jobs. Due to the Ex-Im Bank Charter mandate to reduce fraud, the changes in the form need to be immediately disseminated to exporters/lenders so that they can change practices where needed, especially where documentation of export transactions is involved.

SUPPLEMENTARY INFORMATION:

Titles and Form Number: EIB 92-53 Small Business Multi-Buyer Export Credit Insurance Policy Enhanced Assignment of Policy Proceeds.

OMB Number: 3048-XXXX.

Type of Review: New.

Need and Use: The form represents the exporter's directive to Ex-Im Bank to whom and where the insurance proceeds should be sent, and also describes the duties and obligations that have to be met by the financial institution in order to share in the policy proceeds. The form is typically part of the documentation required by financial institution lenders in order to provide financing of an exporter's foreign accounts receivable. Foreign accounts receivable insured by Ex-Im Bank represent stronger collateral to secure the financing. By recording which policyholders have completed this form, Ex-Im Bank is able to determine how many of its exporter policyholders require Ex-Im Bank insurance policies to support lender financing.

Affected Public: This form affects entities involved in the export of U.S. goods and services.
