

of a Master Plan for the Buffalo Bill State Park and the Buffalo Bill Dam and Reservoir Modification Project.

The use of a right-of-way, interagency or cooperative agreement, or surface management under the 43 CFR 3809 regulations would not adequately constrain nondiscretionary uses which could result in permanent loss of significant values of the recreation site. There are no suitable alternative sites since the lands described here contain the resource values that need protection.

No water rights would be needed to fulfill the purpose of the requested withdrawal.

Records relating to the application may be examined by contacting either Diane Schurman at the above address or by calling 307-775-6189 or Lyle Myler, Bureau of Reclamation, Wyoming Area Office, Mills, Wyoming, or by calling 307-261-5676.

For a period until January 16, 2013, all persons who wish to submit comments, suggestions, or objections in connection with the proposed withdrawal application may present their views in writing to the BLM Wyoming State Director at the address or email address noted above.

Comments including names and street addresses of respondents will be available for public review at the BLM Wyoming State office, during regular business hours 8:00 a.m. to 4:30 p.m., Monday through Friday, except holidays. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you may ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. Individual respondents may request confidentiality. If you wish to withhold your name or address from public review or from disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your comments. Such requests will be honored to the extent allowed by law. All submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be made available for public inspection in their entirety.

For a period until October 20, 2014, the land will be segregated as specified above unless the application is denied or canceled or the withdrawal is approved prior to that date. Licenses, permits, cooperative agreements, or

discretionary land use authorizations of a temporary nature which would not impact the site may be allowed with the approval of an authorized officer of the BLM during the application processing period.

Notice is hereby given that an opportunity for a public meeting is afforded in connection with the proposed withdrawal. All interested persons who desire a public meeting for the purpose of being heard on the proposed withdrawal must submit a written request to the BLM Wyoming State Director no later than January 16, 2013. If the authorized officer determines that a public meeting will be held, a notice of the time and place will be published in the **Federal Register** and a local newspaper at least 30 days before the scheduled date of the meeting.

This application will be processed in accordance with the regulations set forth in 43 CFR 2310.1-2.

### Steel Concrete Reinforcing Bar From Belarus, China, Indonesia, Latvia, Moldova, Poland, and Ukraine; Notice of Commission Determinations to Conduct Full Five-Year Reviews

**AGENCY:** United States International Trade Commission.

**ACTION:** Notice

**SUMMARY:** The Commission hereby gives notice that it will proceed with full reviews pursuant to section 751(c)(5) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(5)) to determine whether revocation of the antidumping duty orders on steel concrete reinforcing bar from Belarus, China, Indonesia, Latvia, Moldova, Poland, and Ukraine would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. A schedule for the reviews will be established and announced at a later date. For further information concerning the conduct of these reviews and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

**DATES:** *Effective Date:* October 5, 2012.

**FOR FURTHER INFORMATION CONTACT:** Amy Sherman (202-205-3289), Office of Investigations, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436. **SUPPLEMENTARY INFORMATION:** On October 5, 2012, the Commission determined that it should proceed to full reviews in the subject five-year reviews pursuant to section 751(c)(5) of the Act. The Commission found that both the domestic interested party group response to its notice of institution (77 FR 39254, July 2, 2012) was adequate and that the respondent interested party group responses with respect to Latvia and Moldova were adequate, and decided to conduct full reviews of the antidumping duty orders on steel concrete reinforcing bar from Latvia and Moldova. The Commission found that the respondent interested party group response with respect to Belarus, China, Indonesia, Poland, and Ukraine was inadequate. However, the Commission determined to conduct full reviews concerning the orders on steel concrete reinforcing bar from Belarus, China, Indonesia, Poland, and Ukraine to promote administrative efficiency in light of its decision to conduct full reviews with respect to the orders on subject imports from Latvia and Moldova. A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's Web site.
