Announcement of Requirements and Registration for Caregivers Video Challenge

AGENCY: Office of the National Coordinator for Health Information Technology, HHS.

ACTION: Notice.

SUMMARY: The *Caregivers Video Challenge* is an opportunity for members of the public to create short, <2 min videos sharing how they use health IT and eHealth tools to help manage care for a loved one. Cash prizes are available to winning videos.

DATES: Effective on October 22, 2012.

FOR FURTHER INFORMATION CONTACT: Erin Poetter, Policy Analyst, Office of Consumer eHealth, ONC, *erin.poetter@hhs.gov*, 202-205-3310.

SUPPLEMENTARY INFORMATION:

Subject of Challenge Competition: The Office of the National Coordinator for Health Information Technology (ONC), seeks to motivate and inspire patients and their family caregivers to get access to their health information and to leverage health IT and other consumer eHealth tools to be empowered to better manage their health and the health of loved ones. Patients and their family caregivers today have access to an unprecedented number of tools and resources to enhance their ability to manage care. The *Caregivers Video Challenge* is an opportunity for members of the public to create short (<2 min long) videos sharing how they use health IT and eHealth tools to learn about or better manage the care for a loved one. This is the sixth in a series of Health IT Video Contests that ONC has sponsored throughout 2012. The goal of this video contest series is to generate inspirational stories that may be used to motivate and inspire others to leverage technology to better manage their health and be more engaged partners in their health and health care. Family caregivers can include: prenatal or child care, care for a spouse or partner, and care for an elderly parent, relative or friend. Videos

will demonstrate how health IT can be used to help caregivers learn about or better manage care. Video topics could include:

- Leveraging health IT to monitor remotely a loved one's care
 - Helping make sure the care they receive reflects personal preferences
 - Coordinating care transitions
 - Improving patient or caregiver collaboration with a healthcare provider
 - Accessing or establishing electronic health records
 - Caregiver-to-caregiver/parent-to-parent support
 - Medication management
 - Caregiver-provider collaboration
- Please refer to the *http://Caregivers.challenge.gov* Web site for the most up to date information about the contest and deadlines since they are subject to change.

Eligibility Rules for Participating in the Competition:

To be eligible to win a prize under this challenge, an individual or entity—

- (1) Shall have registered to participate in the competition under the rules promulgated by HHS;
- (2) Shall have complied with all the requirements under this section;

Notice of Availability: Test Tools and Test Procedures Approved for the Office of the National Coordinator for Health Information Technology (ONC) HIT Certification Program

AGENCY: Office of the National Coordinator for Health Information Technology, Office of the Secretary, Department of Health and Human Services.

Authority: 42 U.S.C. 300jj-11.

ACTION: Notice.

SUMMARY: This notice announces the availability of test tools and test procedures approved by the National Coordinator for Health Information Technology (the National Coordinator) for the testing of EHR technology under the ONC HIT Certification Program to the 2011 Edition EHR certification criteria. The approved test tools and test procedures are identified on the ONC Web site at: <http://www.healthit.gov/policy-researchers-implementers/2011-edition-approved-test-methods>.

FOR FURTHER INFORMATION CONTACT:

Carol Bean, Director, Office of Certification, Office of the National Coordinator for Health Information Technology, 202-690-7151.

SUPPLEMENTARY INFORMATION: On January 7, 2011, the Department of Health and Human Services issued a final rule establishing a permanent certification program for the purposes of testing and certifying health information technology ("Establishment of the Permanent Certification Program for Health Information Technology," 76 FR 1262) (Permanent Certification Program final rule).¹ The permanent certification program was renamed the "ONC HIT Certification Program" in a final rule published on September 4, 2012 (77 FR 54163). The preamble of the Permanent Certification Program final rule stated that when the National Coordinator had

¹ The Department issued a proposed rule entitled "Proposed Establishment of Certification Programs for Health Information Technology" (75 FR 11328, March 10, 2010) that proposed the establishment of a temporary certification program and a permanent certification program and stated the Department's intentions to issue separate final rules for each program.

approved test tools and/or test procedures ONC would publish a notice of availability in the **Federal Register** and identify the approved test tools and test procedures on the ONC Web site. As discussed in the Permanent Certification Program final rule, we anticipated that many of the test tools and test procedures that were developed by the National Institute of Standards and Technology (NIST) and approved for use in the temporary certification program would be approved for use in performing the testing of EHR technology under the ONC HIT Certification Program, particularly when the adopted certification criteria to which the test tools and test procedures applied had not been revised.

The National Coordinator has approved for use under the ONC HIT Certification Program the test tools and test procedures developed by NIST for testing EHR technology to the 2011 Edition EHR certification criteria. These approved test tools and test procedures are identified on the ONC Web site at: <http://www.healthit.gov/policy-researchers-implementers/2011-edition-approved-test-methods>.

Dated: October 11, 2012.
