Agency Information Collection Activities; Proposed Collection; Comment Request

ACTION: Notice.

SUMMARY: In compliance with the requirement for opportunity for public comment on proposed data collection projects (section 3506(c)(2)(A) of Title 44, United States Code, as amended by the Paperwork Reduction Act of 1995,

Pub. L. 104–13), the Health Resources and Services Administration (HRSA) publishes periodic summaries of proposed projects being developed for submission to the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995. To request more information on the proposed project or to obtain a copy of the data collection plans and draft instruments, email paperwork@hrsa.gov or call the HRSA Reports Clearance Officer at (301) 443–1984.

HRSA requests comments on: (1) The necessity and utility of the proposed information collection for the proper performance of the agency’s functions, (2) the accuracy of the estimated burden, (3) ways to enhance the quality, utility, and clarity of the information to be collected, and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

Information Collection Request Title: Drug Pricing Program Reporting Requirements (OMB No. 0915–0176)—[Extension]

Abstract: Section 602 of Public Law 102–585, the Veterans Health Care Act of 1992, enacted section 340B of the Public Health Service Act (PHS Act), “Limitation on Prices of Drugs Purchased by Covered Entities.” Section 340B provides that a manufacturer who participates in Medicaid must sign a Pharmaceutical Pricing Agreement with the Secretary of Health and Human Services in which the manufacturer agrees to charge enrolled covered entities a price for covered outpatient drugs that will not exceed an amount determined under a statutory formula. Covered entities which choose to participate in the section 340B Drug Pricing Program must comply with the requirements of 340B(a)(5) of the PHS

Act. Section 340B(a)(5)(A) prohibits a covered entity from accepting a discount for a drug that would also generate a Medicaid rebate. Further, section 340B(a)(5)(B) prohibits a covered entity from reselling or otherwise transferring a discounted drug to a person who is not a patient of the entity.

In response to the statutory mandate of section 340B(a)(5)(C) to permit the Secretary or manufacturers to conduct audits of covered entities and because of the potential for disputes involving covered entities and participating drug manufacturers, the HRSA Office of Pharmacy Affairs (OPA) developed a dispute resolution process for manufacturers and covered entities, as well as manufacturer guidelines for audit of covered entities (Federal Register Final Notice, December 12, 1996 (Vol. 61, No. 240, pp. 65406–65413)).

FOR FURTHER INFORMATION CONTACT: Allen F. Woodhouse, NSTAC Alternate Designated Federal Officer, Department of Homeland Security, telephone (703) 235–4900.

SUPPLEMENTARY INFORMATION: Notice of this meeting is given under the Federal Advisory Committee Act (FACA), 5 U.S.C. App. (Pub. L. 92–463). The NSTAC advises the President on matters related to national security and emergency preparedness (NS/EP) telecommunications policy.

Agenda: The NSTAC members will receive an update on progress made to date by the Nationwide Public Safety Broadband Network (NPSBN) Subcommittee as well as an update regarding the work of the Secure Government Communications

Subcommittee. The committee is not taking any action on the work of these subcommittees at this meeting. The NPSBN Subcommittee is currently examining any NS/EP policy that should be considered when facilitating priority access across a diverse community of potential users of the Nationwide Public Safety Broadband Network, particularly during NS/EP events. Additionally, they are reviewing policy changes that could possibly encourage the innovative evolution of NS/EP functions by or through the NPSBN. The Secure Government Communications Scoping Subcommittee is charged with examining how commercial-off-the-shelf technologies and private sector best practices can be used to secure unclassified communications between and among Federal civilian departments and agencies.

Additionally, NSTAC members will discuss and vote on their Executive Letter to the President regarding their review of the Department of Homeland Security’s (DHS) National Cybersecurity and Communications Integration Center (NCCIC). This review was conducted June 2012–September 2012 and will provide the President with an assessment of whether the NCCIC has developed in ways consistent with previous NSTAC recommendations.

The FACA requires that notices of meetings of advisory committees be announced in the **Federal Register** 15 days prior to the meeting date. A notice of the meeting of the NSTAC is being published in the **Federal Register** with less than 15 days notice due to an effort to assure the accuracy and validity of the NSTAC meeting agenda and contents. NSTAC changes in leadership and stakeholder approval of the NSTAC meeting discussion points created a longer than usual adjudication process. Although the meeting notice was published in the **Federal Register** late, the agenda will be published on the NCS Web site: www.ncs.gov and an email will be sent out to the NSTAC Members.

Dated: October 19, 2012.

Allen F. Woodhouse,

Alternate Designated Federal Officer for the NSTAC.
