Applicants' Representations

1. The Trust, a Delaware statutory trust, is registered under the Act as an open-end management investment company and is comprised of individual series, including the Redmont Funds, each with its own investment objective, policies and restrictions.¹ The Adviser, an Alabama corporation, is, and each other Adviser will be, registered as an investment adviser under the Investment Advisers Act of 1940, as amended (the "Advisers Act"). The Adviser serves as the investment adviser of the Redmont Funds and will serve as investment adviser to the future Funds.

¹ Applicants also request relief with respect to any existing or future series of the Trust and any other existing or future registered open-end management investment company or series thereof that: (a) Is advised by the Adviser or any entity controlling, controlled by, or under common control with the Adviser or its successors (included within the term "Adviser"); (b) uses the manager of managers structure (the "Manager of Managers Structure") described in the application; and (c) complies with the terms and conditions of the application (together with the Redmont Funds, the "Funds" and each, individually, a "Fund"). For purposes of the requested order, "successor" is limited to any entity or entities that result from a reorganization of the Adviser into another jurisdiction or a change in the type of business organization. The only existing registered open-end investment company that currently intends to rely on the order is named as an applicant. The Redmont Funds are the only Funds that currently intend to rely on the requested order. If the name of any Fund contains the name of a Subadviser (as defined below), the name of the Adviser will precede the name of the Subadviser.

The Redmont Funds have entered into an investment advisory agreement with the Adviser (the "Advisory Agreement"),² approved by the Trust's board of trustees (the "Board"),³ including a majority of the trustees who are not "interested persons," as defined in section 2(a)(19) of the Act, of the Trust or the Adviser (the "Independent Trustees"), and by shareholders representing a majority of each Redmont Fund's shares.

2. Under the terms of the Advisory Agreement, the Adviser is responsible for the overall management of each Redmont Fund's business affairs and selecting investments according to their respective investment objectives, policies and restrictions. For the investment management services that it provides to a Redmont Fund, the Adviser receives the fee specified in the Advisory Agreement. The Advisory Agreement also permits the Adviser to retain one or more subadvisers for the purpose of managing the investments of all or a portion of the assets of the Redmont Funds. Pursuant to this authority, the Adviser may enter into investment subadvisory agreements with unaffiliated investment subadvisers ("Subadvisers") to provide investment advisory services to the Redmont Funds (each, a "Subadvisory Agreement" and together, the "Subadvisory Agreements").⁴ Each Subadviser will be registered as an investment adviser under the Advisers Act. The Adviser will supervise, evaluate and allocate assets to the Subadvisers, and make recommendations to the Board about their hiring, retention or release, at all times subject to the authority of the Board. The Adviser will compensate each Subadviser out of the fees paid to the Adviser under the Advisory Agreement.

3. Applicants request an order to permit the Adviser, subject to Board approval, to enter into and materially amend Subadvisory Agreements without obtaining shareholder approval.

² The Adviser will enter into substantially similar investment advisory agreements to provide investment management services to future Funds ("Future Advisory Agreements"). The terms of Future Advisory Agreements will comply with section 15(a) of the Act and Future Advisory Agreements will be approved by shareholders and by the Board, including a majority of the Independent Trustees, in the manner required by sections 15(a) and 15(c) of the Act and rule 18f-2 thereunder. References to any Advisory Agreement include Future Advisory Agreements as they pertain to future Funds.

³ The term "Board" also includes the board of trustees or directors of a future Fund, if different.

⁴ The Redmont Funds do not currently employ Subadvisers, but each anticipates doing so in the future.

The requested relief will not extend to any subadviser that is an affiliated person, as defined in section 2(a)(3) of the Act, of the Trust, a Fund or the Adviser, other than by reason of serving as a subadviser to one or more of the Funds (an "Affiliated Subadviser").

4. Funds will inform shareholders of the hiring of a new Subadviser pursuant to the following procedures ("Modified Notice and Access Procedures"): (a) Within 90 days after a new Subadviser is hired for any Fund, that Fund will send its shareholders either a Multi-manager Notice or a Multi-manager Notice and Multi-manager Information Statement;⁵ and (b) the Fund will make the Multi-manager Information Statement available on the Web site identified in the Multi-manager Notice no later than when the Multi-manager Notice (or Multi-manager Notice and Multi-manager Information Statement) is first sent to shareholders, and will maintain it on that Web site for at least 90 days. In the circumstances described in the application, a proxy solicitation to approve the appointment of new Subadvisers provides no more meaningful information to shareholders than the proposed Multi-manager Information Statement. Moreover, as indicated above, the Board would comply with the requirements of sections 15(a) and 15(c) of the Act before entering into or amending Subadvisory Agreements.

Applicants' Legal Analysis

1. Section 15(a) of the Act provides, in relevant part, that it is unlawful for any person to act as an investment adviser to a registered investment company except pursuant to a written contract that has been approved by the vote of a majority of the company's outstanding voting securities. Rule 18f-2 under the Act provides that each series or class of securities in a series

⁵ A "Multi-manager Notice" will be modeled on a Notice of Internet Availability as defined in rule 14a-16 under the Securities Exchange Act of 1934 ("Exchange Act"), and specifically will, among other things: (a) Summarize the relevant information regarding the new Subadviser; (b) inform shareholders that the Multi-manager Information Statement is available on a Web site; (c) provide the Web site address; (d) state the time period during which the Multi-manager Information Statement will remain available on that Web site; (e) provide instructions for accessing and printing the Multi-manager Information Statement; and (f) instruct the shareholder that a paper or email copy of the Multi-manager Information Statement may be obtained, without charge, by contacting the Funds.

A "Multi-manager Information Statement" will meet the requirements of Regulation 14C, Schedule 14C and Item 22 of Schedule 14A under the Exchange Act for an information statement. Multi-manager Information Statements will be filed electronically with the Commission via the EDGAR system.

investment company affected by a matter must approve that matter if the Act requires shareholder approval.

2. Section 6(c) of the Act provides that the Commission may exempt any person, security, or transaction or any class or classes of persons, securities, or transactions from any provisions of the Act, or from any rule thereunder, if such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act. Applicants state that the requested relief meets this standard.

3. Applicants assert that the shareholders expect the Adviser and the Board to select the Subadvisers for the Funds that are best suited to achieve each Fund's investment objective. Applicants assert that, from the perspective of the investor, the role of the Subadvisers is substantially equivalent to that of the individual portfolio managers employed by the Adviser. Applicants state that requiring shareholder approval of each Subadvisory Agreement would impose costs and unnecessary delays on the Funds, and may preclude the Adviser from acting promptly in a manner considered advisable by the Board. Applicants note that the Advisory Agreement and any Subadvisory Agreement with an Affiliated Subadviser will remain subject to section 15(a) of the Act and rule 18f-2 under the Act, including the requirement for shareholder voting.

Applicants' Conditions

Applicants agree that any order granting the requested relief will be subject to the following conditions:

1. Before a Fund may rely on the requested order, the operation of the Fund in the manner described in the application will be approved by a majority of the Fund's outstanding voting securities, as defined in the Act, or in the case of a Fund whose public shareholders purchase shares on the basis of a prospectus containing the disclosure contemplated by condition 2 below, by the initial shareholder(s) before offering shares of that Fund to the public.

2. Each Fund relying on the requested order will disclose in its prospectus the existence, substance, and effect of any order granted pursuant to the application. Each Fund will hold itself out to the public as utilizing the Manager of Managers Structure. The prospectus will prominently disclose that the Adviser has ultimate responsibility (subject to oversight by the Board) to oversee the Subadvisers

and recommend their hiring, termination, and replacement.

3. Funds will inform shareholders of the hiring of a new Subadviser within 90 days after the hiring of the new Subadviser pursuant to the Modified Notice and Access Procedures.

4. The Adviser will not enter into a subadvisory agreement with any Affiliated Subadviser without such agreement, including the compensation to be paid thereunder, being approved by the shareholders of the applicable Fund.

5. At all times, at least a majority of the Board will be Independent Trustees, and the nomination of new or additional Independent Trustees will be placed within the discretion of the then-existing Independent Trustees.

6. Whenever a subadviser change is proposed for a Fund with an Affiliated Subadviser, the Board, including a majority of the Independent Trustees, will make a separate finding, reflected in the applicable Board minutes, that such change is in the best interests of the Fund and its shareholders, and does not involve a conflict of interest from which the Adviser or the Affiliated Subadviser derives an inappropriate advantage.

7. The Adviser will provide general management services to each Fund, including overall supervisory responsibility for the general management and investment of each Fund's assets and, subject to review and approval of the Board, will: (a) Set each Fund's overall investment strategies; (b) evaluate, select and recommend Subadvisers to manage all or a part of each Fund's assets; (c) allocate and, when appropriate, reallocate each Fund's assets among one or more Subadvisers; (d) monitor and evaluate the performance of Subadvisers; and (e) implement procedures reasonably designed to ensure that the Subadvisers comply with each Fund's investment objective, policies and restrictions.

8. No trustee or officer of the Trust or a Fund, or director, manager, or officer of the Adviser, will own directly or indirectly (other than through a pooled investment vehicle that is not controlled by such person), any interest in a Subadviser, except for (a) ownership of interests in the Adviser or any entity that controls, is controlled by, or is under common control with the Adviser, or (b) ownership of less than 1% of the outstanding securities of any class of equity or debt of any publicly traded company that is either a Subadviser or an entity that controls, is controlled by, or is under common control with a Subadviser.

9. In the event the Commission adopts a rule under the Act providing substantially similar relief to that in the order requested in the application, the requested order will expire on the effective date of that rule.

For the Commission, by the Division of Investment Management, under delegated authority.

Kevin M. O'Neill,
Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-68202; File Nos. SR-Phlx-2012-27; SR-Phlx-2012-54]

Self-Regulatory Organizations; NASDAQ OMX PHLX LLC; Notice of Filing of Amendments No. 1, and Order Granting Accelerated Approval for Proposed Rule Changes as Modified by Amendments No. 1 Relating to Complex Order Fees and Rebates for Adding and Removing Liquidity in Select Symbols

November 9, 2012.

I. Introduction

On March 1, 2012 and April 23, 2012, NASDAQ OMX PHLX LLC ("Phlx" or "Exchange") filed with the Securities and Exchange Commission (the "Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Exchange Act" or "Act")¹ and Rule 19b-4 thereunder,² two proposed rule changes relating to the transaction fees for certain complex order ("Complex Order") transactions.³ The notice of filing of Phlx-2012-27 was published for comment in the **Federal Register** on March 15, 2012,⁴ and the notice of filing of Phlx-2012-54 was published for comment in the **Federal Register** on May 4, 2012.⁵

On April 30, 2012, the Commission suspended the proposals and instituted proceedings to determine whether to approve or disapprove the proposals.⁶ Following the institution of the proceedings, the Commission received a letter from the Exchange in support of its proposals.⁷ On September 11, 2012,

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ A Complex Order is any order involving the simultaneous purchase and/or sale of two or more different options series in the same underlying security, priced at a net debit or credit based on the relative prices of the individual components, for the same account, for the purpose of executing a particular investment strategy. A Complex Order may also be a stock-option order, which is an order to buy or sell a stated number of units of an underlying stock or exchange-traded fund ("ETF") coupled with the purchase or sale of options contract(s). See Exchange Rule 1080, Commentary .08(a)(i).

⁴ See Securities Exchange Act Release No. 66551 (March 9, 2012), 77 FR 15400 (SR-Phlx-2012-27) ("Notice I").

⁵ See Securities Exchange Act Release No. 66883 (April 30, 2012), 77 FR 26591 (SR-Phlx-2012-54) ("Notice II").

⁶ See Securities Exchange Act Release No. 66884 (April 30, 2012), 77 FR 26595 (May 4, 2012) ("Order Instituting Proceedings"). The Order Instituting Proceedings suspended the fees adopted in SR-Phlx-2012-27 and SR-Phlx-2012-54.

Consequently, these fees were in effect for only two months, from March 1, 2012 to April 30, 2012.

⁷ See Letter from Joan C. Conley, Senior Vice President and Corporate Secretary, Nasdaq OMX, to

the Commission issued a notice of designation of a longer period for Commission action on the proceedings to determine whether to disapprove the proposed rule changes.⁸ On October 24, 2012, the Exchange filed Amendment No. 1 to each of the proposed rule changes. In the amendments, the Exchange proposed to put certain of the fees (for Complex Order executions by Directed Participants⁹ and Market Makers)¹⁰ on a one-year pilot program, and stated that the proposed fees would be operative on December 3, 2012. The Exchange committed to provide publicly available data and data analyses of those fees to the Commission during the pilot.¹¹ The Exchange also represented that, prior to and at the time of a complex order transaction, Market Makers, including Directed Participants, are unaware of the identity of the contra-party to the transaction. The Exchange stated that Rule 707 is intended to prohibit coordinated actions between Directed Participants and order flow providers ("OFPs"), and that the Exchange proactively conducts surveillance for, and enforces against, such violations.¹²

The Commission received no comment letters on the proposals. This order approves the proposed rule changes, as modified by Amendments No. 1, and approves, as a one-year pilot program, those fees which the Exchange proposes to implement on a pilot basis.

II. Description of the Proposals

The Exchange's first proposal amended Complex Order fees and rebates for adding and removing liquidity in its Select Symbols.¹³ Specifically, Phlx's proposal: (1) Increased the customer rebate for adding liquidity from \$0.30 per contract to

Elizabeth M. Murphy, Secretary, Commission, dated July 26, 2012 ("Response").

See Phlx Fee Schedule at 3.

¹⁰ A "Market Maker" includes Specialists (see Exchange Rule 1020) and Registered Options Traders ("ROTs") (see Exchange Rule 1014(b)(i) and (ii), which includes SQTs (see Exchange Rule 1014(b)(ii)(A)) and RSQTs (see Exchange Rule 1014(b)(ii)(B)).
