Electricity Market Transparency Provisions of Section 220 of the Federal Power Act; Notice of Technical Conference

The Federal Energy Regulatory Commission staff will hold a one-day conference on Order No. 768.¹ The conference will be held on December 12, 2012, in the Commission Meeting Room at 888 First Street NE., Washington, DC 20426.

There will be a morning session and an afternoon session. The public may attend. The conference will principally address satisfying the Electric Quarterly Reports (EQRs) reporting requirements. The conference will not address the merits of issues raised on rehearing of Order No. 768. Advance registration is not required but is encouraged. Please

register at <https://www.ferc.gov/whats-new/registration/eqr-12-12-12-form.asp>.

The morning session will begin at 9:00 a.m. (EST) and is intended for new EQR filers who are not currently filing EQR reports. However, anyone may attend. FERC staff will provide introductory and background information about the EQR, including data fields that existed prior to Order No. 768. These data fields include information on seller names, customer names, contract data, transaction data, product type, quantity, and rate, among others.

The afternoon session will begin at 1:00 p.m. (EST). This session is intended for all EQR filers, including new filers, and will focus on refinements to the existing filing requirements as set forth in Order No. 768, including the new data fields. The requirements for these data fields will include (1) reporting the trade date and type of rate; (2) identifying the exchange used for a sales transaction, if applicable; (3) reporting whether a broker was used to consummate a transaction; (4) reporting electronic tag ID data; and (5) reporting standardized prices and quantities for energy, capacity, and booked out power transactions, among others.

A free webcast of the conference will be available through www.ferc.gov. Anyone with Internet access interested in viewing this conference can do so by navigating to www.ferc.gov's Calendar of Events and locating this event in the Calendar. The event will contain a link to the webcast. Capitol Connection provides technical support for the webcasts and offers the option of listening to the conferences via phone-bridge for a fee. If you need technical support, please visit www.CapitolConnections.org or call (703) 993-3100.

Commission staff encourages participants to email questions in advance to eqr@ferc.gov. When emailing questions, please include "EQR Conference" in the subject line.

The conference will be transcribed and the transcript placed in the record in Docket No. RM 10-12.

FERC conferences and meetings are accessible under section 508 of the Rehabilitation Act of 1973. For accessibility accommodations, please send an email to accessibility@ferc.gov or call toll free (866) 208-3372 (voice) or 202-502-8659 (TTY), or send a fax to 202-208-2106 with the required accommodations.

For more information on this conference, please contact Sarah McKinley at sarah.mckinley@ferc.gov or (202) 502-8004 or Connie Caldwell at

SUPPLEMENTARY INFORMATION:

I. General Information

A. Does this notice apply to me?

This action is directed to the public in general. This action may, however, be

of interest to all who manufacture, process, or distribute industrial chemicals. Since other entities may also be interested, the Agency has not attempted to describe all the specific entities that may be affected by this action. If you have any questions regarding the applicability of this action to a particular entity, consult the technical person listed under **FOR FURTHER INFORMATION CONTACT**.

B. How can I get copies of this document and other related information?

EPA has established a docket for this action under docket identification (ID) number EPA-HQ-OPPT-2003-0004. All documents in the docket are listed in the docket index available at <http://www.regulations.gov>. Although listed in the index, some information is not publicly available, e.g., CBI or other information whose disclosure is restricted by statute. Certain other material, such as copyrighted material, will be publicly available only in hard copy. Publicly available docket materials are available electronically at <http://www.regulations.gov>, or, if only available in hard copy, at the OPPT Docket. The OPPT Docket is located in the EPA Docket Center (EPA/DC) at Rm. 3334, EPA West Bldg., 1301 Constitution Ave. NW., Washington, DC. The EPA/DC Public Reading Room hours of operation are 8:30 a.m. to 4:30 p.m., Monday through Friday, excluding legal holidays. The telephone number of the EPA/DC Public Reading Room is (202) 566-1744, and the telephone number for the OPPT Docket is (202) 566-0280. Docket visitors are required to show photographic identification, pass through a metal detector, and sign the EPA visitor log. All visitor bags are processed through an X-ray machine and subject to search. Visitors will be provided an EPA/DC badge that must be visible at all times in the building and returned upon departure.

II. What action is the agency taking?

Under EPA Contract Number EP-W-12-001, contractor Abt of 55 Wheeler Street, Cambridge, MA is assisting the EPA in developing public information products for the 2012 Chemical Data Reporting (CDR) data. These products shall include individual fact sheets; a natural report with various descriptions of the data resulting from data queries and associated program analyses; trend analysis and other items.

In accordance with 40 CFR 2.306(j), EPA has determined that under EPA Contract Number EP-W-12-001, Abt requires access to CBI submitted to EPA under section 8 of TSCA to perform successfully the duties specified under

the contract. Abt's personnel were given access to information submitted to EPA under section 8 of TSCA. Some of the information may be claimed or determined to be CBI.

EPA is issuing this notice to inform all submitters of information under section 8 of TSCA that EPA is providing Abt access to these CBI materials on a need-to-know basis only. All access to TSCA CBI under this contract will take place at EPA Headquarters and Abt's Bethesda, MD and Cambridge, MA sites, in accordance with EPA's *TSCA CBI Protection Manual*.

Access to TSCA data, including CBI, will continue until November 30, 2016. If the contract is extended, this access will also continue for the duration of the extended contract without further notice.

Abt's personnel were required to sign nondisclosure agreements and were briefed on appropriate security procedures before they were permitted access to TSCA CBI.
