Certain Hot-Rolled Carbon Steel Flat Products From the People's Republic of China: Final Results and Final No Shipments Determination of Antidumping Duty Administrative Review; 2010-2011

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On August 1, 2012, the Department of Commerce (the "Department") published the *Preliminary Results* of the 2010-2011 administrative review of the antidumping duty order on certain hot-rolled carbon steel flat products ("hot-rolled steel") from the People's Republic of China ("PRC"). The period of review ("POR") is November 1, 2010, through October 31, 2011. We gave interested parties an opportunity to comment on the *Preliminary Results*, but none were received. The final weighted-average dumping margin for the PRC-wide entity is listed in the "Final Results of Review" section below.

DATES: *Effective Date:* November 21, 2012.

SUPPLEMENTARY INFORMATION:

Background

On August 1, 2012, the Department published the *Preliminary Results* of the administrative review of the antidumping duty order on hot-rolled steel from the PRC.¹ We invited interested parties to comment on the *Preliminary Results*, but none were received. The Department has conducted this administrative review in accordance with section 751(a) of the Tariff Act of 1930, as amended ("the Act").

Scope of the Order

The merchandise subject to the order is certain hot-rolled carbon steel flat products. The product is currently

Certain hot-rolled carbon steel flat products covered by the order, including: vacuum degassed fully stabilized; high strength low alloy; and the substrate for motor lamination steel may also enter under the following tariff numbers: 7225.11.00.00, 7225.19.00.00, 7225.30.30.50, 7225.30.70.00, 7225.40.70.00, 7225.99.00.90, 7226.11.10.00, 7226.11.90.30, 7226.11.90.60, 7226.19.10.00, 7226.19.90.00, 7226.91.50.00, 7226.91.70.00, 7226.91.80.00, and 7226.99.00.00. Subject merchandise may also enter under 7210.70.30.00, 7210.90.90.00, 7211.14.00.30, 7212.40.10.00, 7212.40.50.00, and 7212.50.00.00. Although these HTSUS subheadings are provided for convenience and customs purposes, the written product description available in *Antidumping Duty Order: Certain Hot-Rolled Carbon Steel Flat Products from the People’s Republic of China*, 66 FR 59561 (November 29, 2001), remains dispositive.

Final Determination of No Shipments

In the *Preliminary Results*, the Department preliminarily determined to rescind the review with respect to Baosteel² because it had reported and submitted timely-filed certifications that it had no sales of subject merchandise to the United States during the POR.³ We stated, consistent with the recently announced refinement to its assessment practice in non-market economy (“NME”) cases, that the Department would not rescind the review in these circumstances but, rather, would complete the review with respect to Baosteel and issue appropriate instructions to U.S. Customs and Border

² Collectively, Baosteel Group Corporation, Shanghai Baosteel International Economic & Trading Co., Ltd., and Baoshan Iron & Steel Co., Ltd.

³ See *Preliminary Results*, 77 FR at 45577.

Protection (“CBP”) based on the final results of the review. As stated above, we did not receive any comments on our *Preliminary Results* nor did we receive information from CBP indicating that there were reviewable transactions from Baosteel during the POR. Therefore, we continue to determine that Baosteel had no reviewable transactions of subject merchandise during the POR. Consistent with our “automatic assessment” clarification, the Department will issue appropriate instructions to CBP based on our final results.⁴

PRC-Wide Entity

In the *Preliminary Results*, the Department noted that Hunan Valin Xiangtan Iron & Steel (“Hunan Valin”) does not have a separate rate, and that it is therefore under review as part of the PRC-wide entity.⁵ Although Hunan Valin reported that it had no sales of subject merchandise to the United States during the POR, the Department does not find that the PRC-wide entity, of which Hunan Valin is part, had no shipments during the POR. After issuing the *Preliminary Results*, the Department did not receive any comments from interested parties. Therefore, for these final results, in accordance with section 776(a) and (b) of the Act, and as explained in more detail in the *Preliminary Results*, the Department continues to find that because Angang Group International (“Angang”), as part of the PRC-wide entity, failed to submit any response to the Department’s questionnaire it is appropriate to rely on the facts otherwise available to determine a margin for the PRC-wide entity and to assign to the PRC-wide entity the highest-rate and the only rate ever determined for the PRC-wide entity on the record of this proceeding, *i.e.*, 90.83%.⁶

Final Results of Review

The weighted-average dumping margins for the POR are as follows:

Assessment

Upon issuance of the final results, the Department will determine, and CBP shall assess, antidumping duties on all appropriate entries. The Department intends to issue assessment instructions to CBP 15 days after the date of publication of the final results of review. The Department recently announced a refinement to its assessment practice in NME cases. See *Assessment Practice Refinement*. Pursuant to this refinement in practice, for entries that were not reported in the U.S. sales databases submitted by companies individually examined during this review, the Department will instruct CBP to liquidate such entries at the NME-wide rate. In addition, if the Department determines that an exporter under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter’s case number (*i.e.*, at that exporter’s rate) will be liquidated at the NME-wide rate.⁸

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) For previously investigated or reviewed PRC and non-PRC exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (2) for all PRC exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be the PRC-wide rate of 90.83 percent; and (3) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporters that supplied that non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notifications

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement

⁸ See *Assessment Practice Refinement*, 76 FR at 65694.

of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties has occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a reminder to parties subject to the administrative protective order ("APO") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely notification of the destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing these results and this notice in accordance with sections 751(a)(1) and 777(i) of the Act and 19 CFR 351.213(d)(4).

Dated: November 13, 2012.

Ronald K. Lorentzen,
Acting Assistant Secretary for Import Administration.

Certain Pasta From Turkey: Final Results of Countervailing Duty Administrative Review; 2010

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On August 3, 2012, the Department of Commerce ("the Department") published in the **Federal Register** its preliminary results of administrative review of the countervailing duty order on certain pasta from Turkey for the period January 1, 2010, through December 31, 2010. We received no comments on those preliminary results and we continue to determine that Marsan Gıda Sanayi ve Ticaret A.Ş. ("Marsan"), Birlik Pazarlama Sanayi ve Ticaret A.Ş. ("Birlik"), and Bellini Gıda Sanayi A.Ş. ("Bellini") received *de minimis* countervailable subsidies during the period of review.¹

¹ We have also assigned a rate to Istanbul Gıda Dis Ticaret A.Ş. ("Istanbul Gıda"), which is cross-owned with Birlik and Bellini and produced the subject merchandise during the period of review. See *Certain Pasta From Turkey: Preliminary Results*

DATES: *Effective Date:* November 21, 2012.

FOR FURTHER INFORMATION CONTACT: David Layton or Christopher Siepmann, AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-0371 and (202) 482-7958, respectively.

SUPPLEMENTARY INFORMATION:

Background

The Department published the preliminary results of this administrative review on August 3, 2012. See *Preliminary Results*.

We invited interested parties to file comments following the release of the *Preliminary Results*. No comments were received.

Period of Review

The period of review ("POR") for which we are measuring subsidies is from January 1, 2010, through December 31, 2010.²

Scope of Order

The merchandise subject to the order is pasta. The product is currently classified under the Harmonized Tariff Schedule of the United States ("HTS") item numbers 1902.19.20. Although the HTS numbers are provided for convenience and customs purposes, the written product description, available in *Notice of Countervailing Duty Order: Certain Pasta from Turkey*, 61 FR 38546 (July 24, 1996), remains dispositive.

Final Results of Review

We have made no changes to our findings announced in the *Preliminary Results*. See *Preliminary Results*; see also Memorandum from Christopher Siepmann, International Trade Compliance Analyst to Susan Kuhbach, Office Director, "Preliminary Results Calculation Memorandum for Marsan Gıda Sanayi ve Ticaret A.Ş. ("Marsan"), Birlik Pazarlama Sanayi ve Ticaret A.Ş. ("Birlik"), Bellini Gıda Sanayi A.Ş. ("Bellini"), and Marsa Yag Sanayi ve Ticaret A.Ş. ("Marsa Yag")" (July 27, 2012).

of Countervailing Duty Administrative Review, 77 FR 46386 (August 3, 2012) ("Preliminary Results") at 46387.

² While the initiation notice correctly identified the period of review as January 1, 2010 through December 31, 2010, we note that our extension of the time limit for the preliminary results incorrectly identified the period of review as January 1, 2011 through December 31, 2011. See *Certain Pasta From Turkey: Extension of Time Limit for the Preliminary Results of the Countervailing Duty Administrative Review*, 77 FR 11065 (February 24, 2012).

For the period January 1, 2010, through December 31, 2010, we find the following *ad valorem* subsidy rates:

Exporter/manufacturer	Net subsidy rate
Marsan Gıda Sanayi ve Ticaret A.Ş.	0.15 (<i>de minimis</i>).
Istanbul Gıda Dis Ticaret A.Ş./Birlik Pazarlama Sanayi ve Ticaret A.Şcedil;/Bellini Gıda Sanayi A.Ş.	0.28 (<i>de minimis</i>).

Marsan's final cash deposit rate is a "combination rate" pursuant to 19 CFR 351.107(b). It applies only to subject merchandise exported by Marsan and produced by Birlik and/or Bellini.

Assessment Rates

Because Marsan, Birlik, Bellini and Istanbul Gıda received *de minimis* countervailable subsidies during the POR, the Department will instruct U.S. Customs and Border Protection ("CBP") to liquidate without regard to countervailing duties shipments of subject merchandise (a) exported by Marsan and produced by Birlik and/or Bellini, or (b) exported by Istanbul Gıda, Birlik or Bellini, and entered, or withdrawn from warehouse, for consumption from January 1, 2010, through December 31, 2010.

For all other combinations or companies, as appropriate, that were not reviewed, the Department will direct CBP to assess countervailing duties on all entries between January 1, 2010, and December 31, 2010, at the rates in effect at the time of entry.

Cash Deposit Instructions

Because Marsan, Birlik, Bellini and Istanbul Gıda have *de minimis* countervailable subsidy rates, the Department will instruct CBP to continue to suspend liquidation of entries, but to collect no cash deposits of estimated countervailing duties for the combination and companies described above on all shipments of the subject merchandise that are entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review.

Also, for all other combinations or companies, we will instruct CBP to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company. The cash deposit rates for all companies not covered by this review are not changed by the results of this review.
