SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-68294; File No. SR-BOX-2012-019]

Self-Regulatory Organizations; BOX Options Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Rule 7110 Regarding Session Orders

November 27, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on November 19, 2012, BOX Options Exchange LLC (the "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its rules to amend Rule 7110 regarding Session Orders. The text of the proposed rule change is available from the principal office of the Exchange, at the Commission's Public Reference Room and also on the Exchange's Internet Web site at <http://boxexchange.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposed rule change is to amend Rule 7110(e)(1)(iii)(C) to add a provision related to an exception to the manner in which certain Session Orders are handled when they have been routed to an away exchange. Specifically, the Exchange proposes to add a provision in Rule 7110(e)(1)(iii)(C)(3) to provide that any remaining quantity of a Session Order that has been routed away, if a Triggering Event occurs while the order is routed away and receives a partial execution, will be cancelled by BOX upon the return of the remainder to BOX from the away exchange.³

Exchange Rule 7110(e)(1)(iii) provides that a Session Order will remain active in the BOX trading system until a "Triggering Event" occurs that causes a BOX Participant to lose its connection to the BOX system, or causes BOX to be unable to process the Session Order.⁴ The following are "Triggering Events": (1) The connection between the Participant and BOX that was used to enter the order is interrupted; (2) there is a disconnection between internal BOX components used to process orders, causing a component to lose its connection to the Participant or the Trading Host while in possession of the Session Order; or (3) a component of the

³ Note that the Triggering Event does not need to be ongoing at the time the remainder is returned to BOX for it to be cancelled.

⁴ See Securities Exchange Act Release No. 62959 (September 21, 2010) 75 FR 59304 (September 27, 2010) (Notice of Filing and Immediate Effectiveness To Provide an Additional Order Type Which Will Give Options Participants Greater Control Over the Circumstances in Which Their Orders Are Executed) (BX-2010-065). See also BOX Informational Circular IC-2010-005 (New Order Duration Type—Session Order) available on the BOX Web site here: http://boxexchange.com/f_circulars/BOX_Informational_Circular_2010-005_Session_Order.pdf.

²² See Securities Exchange Act Release No. 68086 (October 23, 2012), 77 FR 65600 (October 29, 2012) (SR-CBOE-2012-066).

² 17 CFR 240.19b-4.

Trading Host experiences a system error in which it is unable to process open orders while in possession of the Session Order. Upon the occurrence of a Triggering Event, Session Orders within the affected BOX system are cancelled.

Currently, Rule 7110(e)(1)(iii)(C) provides certain exceptions to the cancellation of Session Orders. Specifically, the rule provides that a Session Order will not be cancelled and shall remain active in the BOX market if the order is in one of the following BOX system processes when a Triggering Event occurs:

(1) The order is being exposed to the BOX market pursuant to Rule 7130(b);
 (2) The order is a Directed Order to which the Executing Participant has not yet responded pursuant to Rule 8040(d)(2);

(3) The order has been routed to an away exchange pursuant to Rule 15030.

Exchange Rule 15030 provides that certain orders that are specifically designated by Options Participants as eligible for routing will be routed to an Away Exchange ("Eligible Orders"). If BOX cannot execute or book an Eligible Order, then it will route the Eligible Order to an Away Exchange on behalf of the Options Participant who submitted the Eligible Order through a third-party broker dealer. The full quantity of an Eligible Order is routed to one or more Away Exchange(s) as Immediate or Cancel limit order(s) priced at the current NBBO. If the Eligible Order routed away is not executed in its entirety at the Away Exchange(s) and its limit price is reached, then it is returned to BOX.

A technology system upgrade will now allow BOX to cancel any remaining quantity of a Session Order if a Triggering Event occurs while the order has been routed away, received a partial execution, and is returned to BOX by the away exchange. As such, the Exchange is proposing to add a provision to Rule 7110(e)(1)(iii)(C)(3). Upon the effectiveness of this proposed rule change, BOX will inform Options Participants via Information Circular about the implementation date of this change in the manner in which certain Session Orders are handled when they have been routed to an away exchange.

2. Statutory Basis

The Exchange believes that the proposal is consistent with the requirements of Section 6(b) of the Act,⁵ in general, and Section 6(b)(5) of the Act,⁶ in particular, in that it is designed

to remove impediments to and perfect the mechanism for a free and open market and a national market system and, in general, to protect investors and the public interest. In particular, the Exchange believes that this proposed rule change will benefit the marketplace and protect investors because, consistent with the purpose of Session Orders, it will further reduce the risk of erroneous or stale orders on BOX in the event that an Options Participant loses connectivity with the BOX system. Furthermore, Session Orders are intended to provide for the protection of Options Participants and their customers, who must bear the burden of market risk for stale orders caused by circumstances outside of their control. The additional provision to the exception to provide for when a Triggering Event occurs while a Session Order has been routed to an away exchange, so that any remaining quantity that might be returned to BOX will be cancelled, is consistent with the purpose of the Session Order, and would further provide for the protection of investors and the efficiency and fairness of the market. As such, the Exchange believes the proposed change is consistent with the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

This proposed rule change is filed pursuant to paragraph (A) of section 19(b)(3) of the Exchange Act⁷ and Rule 19b-4(f)(6) thereunder.⁸ This proposed rule change does not significantly affect the protection of investors or the public interest, does not impose any significant burden on competition, and, by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the

protection of investors and the public interest.⁹

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-68300; File No. SR-ICC-2012-21]

Self-Regulatory Organizations; ICE Clear Credit LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Correct One Term in the ICC Rules

November 27, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on November 13, 2012, ICE Clear Credit LLC (“ICC”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II and III below, which Items have been prepared primarily by ICC. ICC filed the proposal pursuant to Section 19(b)(3)(A)(iii) of the Act,³ and Rule 19b-4(f)(3)⁴ thereunder, so that the proposal was effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The purpose of the proposed rule change is to change the word “customer” to “client” in the defined term “Client Omnibus Margin Account” in one instance in Section 20-605(d) in order to ensure consistency of defined

terms throughout the ICE Clear Credit Rules.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, ICC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. ICC has prepared summaries, set forth in sections (A), (B) and (C) below, of the most significant aspects of such statements.

(A) Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

ICC is updating one word in Section 20-605(d) of the Rules to change the word “customer” to “client” in the defined term “Client Omnibus Margin Account.” ICC is making this correction in order to ensure that the defined terms in the ICC Rules are consistent. This change does not require any changes to the ICC risk management framework. The only change submitted is the correction of one defined term in ICC Rule 20-605(d).

Section 17A(b)(3)(F) of the Act⁵ requires, among other things, that the rules of a clearing agency be designed to promote the prompt and accurate clearance and settlement of securities transactions and, to the extent applicable, derivative agreements, contracts, and transactions. ICC believes that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to ICC, in particular, to Section 17A(b)(3)(F), because the correction of “customer” to “client” in the defined term “Client Omnibus Margin Account” in ICC Rule 20-605(d) will facilitate the prompt and accurate settlement of securities transactions and contribute to the safeguarding of securities and funds associated with swap transactions which are in the custody or control of ICC or for which it is responsible. ICC believes the proposed change will alleviate any potential confusion with defined terms in the ICC Rules.

(B) Self-Regulatory Organization’s Statement on Burden on Competition

ICC does not believe the proposed rule change would have any impact, or impose any burden, on competition.

(C) Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments relating to the proposed rule changes have not been solicited or received. ICC will notify the Commission of any written comments received by ICC.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective upon filing pursuant to Section 19(b)(3)(A)(iii)⁶ of the Act and Rule 19b-4(f)(3)⁷ thereunder because it is concerned solely with the administration of the self-regulatory organization. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.⁸

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

- Use the Commission’s Internet comment form (<http://www.sec.gov/rules/sro.shtml>) or
- Send an email to rule-comments@sec.gov. Please include File Number SR-ICC-2012-21 on the subject line.

- Send paper comments in triplicate to Elizabeth M. Murphy, Secretary, Securities and Exchange Commission, 100 F Street NE., Washington, DC 20549-1090.
