BUREAU OF CONSUMER FINANCIAL PROTECTION

12 CFR Part 1090

[Docket No. CFPB–2012–0040]

RIN 3170–AA30

Defining Larger Participants of the Consumer Debt Collection Market; Correction

AGENCY: Bureau of Consumer Financial Protection.

ACTION: Final rule; correction.

SUMMARY: The Bureau of Consumer Financial Protection published in the *Federal Register* of October 31, 2012 a final rule amending the regulation defining larger participants of certain consumer financial product and service markets by adding a new section to define larger participants of a market for consumer debt collection. The final rule contained four typographical errors, which this document corrects.

DATES: This correcting amendment is effective on January 2, 2013.

FOR FURTHER INFORMATION CONTACT: Kali Bracey, Senior Counsel, (202) 435–7141, or Susan Torzilli, Attorney-Advisor, (202) 435–7464, Office of Nonbank Supervision, Bureau of Consumer Financial Protection, 1700 G Street NW., Washington, DC 20552.

SUPPLEMENTARY INFORMATION: The Bureau of Consumer Financial Protection (Bureau) published a final rule in the *Federal Register* of October 31, 2012 (77 FR 65775) amending 12 CFR part 1090 by adding a new section to define larger participants of a market for consumer debt collection. The final rule contained four typographical errors, which this document corrects. Three of these errors were incorrect cross-references. The other error was an omission of a subheading designation.

The Bureau finds that there is good cause to publish these corrections

without seeking public comment. See 5 U.S.C. 553(b)(B). Public comment is unnecessary because the Bureau is correcting inadvertent, technical errors about which there is minimal, if any, basis for substantive disagreement.

Accordingly, in FR Doc. 2012–26467 published on October 31, 2012 (77 FR 65775), make the following corrections:

1. On page 65798, in the second column, in § 1090.105, in paragraph (iii)(C) of the definition of *Annual receipts*, remove the first reference to “(iii)(B)” and add “(ii)” in its place.

2. On page 65798, in the second column, in § 1090.105, in paragraph (iii)(C) of the definition of *Annual receipts*, remove the second reference to “(iii)(B)” and add “(ii)(B)” in its place.

3. On page 65798, in the second column, in § 1090.105, in paragraph (iii)(D) of the definition of *Annual receipts*, remove “(iii)(B)” and add “(ii)” in its place.

4. On page 65798, in the third column, add the paragraph designation “(b)” before “*Test to define larger participants*”.

Dated: November 28, 2012.

Richard Cordray,

Director, Bureau of Consumer Financial Protection.

Airworthiness Directives; Eurocopter Deutschland GmbH Helicopters

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: We are adopting a new airworthiness directive (AD) for all Eurocopter Deutschland GmbH (ECD) Model EC135 helicopters, except the EC 135 P2+ and T2+. This AD requires inspecting each upper and lower plain journal bearing (bearing) and replacing the swashplate assembly with an airworthy swashplate assembly if a

bearing is not correctly positioned. This AD was prompted by two reports of the bearings moving in relation to the main rotor swashplate sliding sleeve (sliding sleeve). The actions of this AD are intended to detect shifting of the bearing, which could limit the movement of the collective control and result in subsequent loss of control of the helicopter.

DATES: This AD is effective January 11, 2013.

ADDRESSES: For service information identified in this AD, contact American Eurocopter Corporation, 2701 Forum Drive, Grand Prairie, TX 75053–4005, telephone (800) 232–0323, fax (972) 641–3710, or at <http://www.eurocopter.com>. You may review the referenced service information at the FAA, Office of the Regional Counsel, Southwest Region, 2601 Meacham Blvd., Room 663, Fort Worth, Texas 76137.

Discussion

On May 11, 2012, at 77 FR 27661, the *Federal Register* published our notice of proposed rulemaking (NPRM), which proposed to amend 14 CFR part 39 to include an AD that would apply to all Eurocopter Deutschland GmbH (ECD) model EC135 helicopters, except the EC 135 P2+ and T2+. That NPRM proposed to require repetitively inspecting the
