## V. Discussion

The Commission continues to believe that the proposed plan is an achievement in cooperation among the SRO participants. The Plan, as amended, will reduce unnecessary regulatory duplication by allocating to the designated SRO the responsibility for certain options-related sales practice matters that would otherwise be performed by multiple SROs. The plan promotes efficiency by reducing costs to firms that are members of more than one of the SRO participants. In addition, because the SRO participants coordinate their regulatory functions in accordance with the plan, the plan promotes, and will continue to promote, investor protection.

Under paragraph (c) of Rule 17d-2, the Commission may, after appropriate notice and comment, declare a plan, or any part of a plan, effective. In this instance, the Commission believes that appropriate notice and comment can take place after the proposed amendment is effective. The primary purpose of the amendment is to add MIAx as an SRO participant. By declaring it effective today, the amended Plan can become effective and be implemented without undue delay.<sup>19</sup> The Commission notes that the prior version of this plan immediately prior to this proposed amendment was published for comment and the Commission did not receive any comments thereon.<sup>20</sup> Furthermore, the Commission does not believe that the amendment to the plan raises any new regulatory issues that the Commission has not previously considered.

<sup>19</sup> On December 3, 2012, the Commission granted MIAx's application for registration as a national securities exchange. See Securities Exchange Act Release No. 68341 (File No. 10-207).

<sup>20</sup> See *supra* note 18 (citing to Securities Exchange Act Release No. 66974).

## VI. Conclusion

This order gives effect to the amended plan submitted to the Commission that is contained in File No. S7-966.

*It is therefore ordered*, pursuant to Section 17(d) of the Act,<sup>21</sup> that the amended plan dated November 19, 2012, by and between the BATS, BOX, CBOE, C2, ISE, FINRA, MIAx, NYSE, NYSE MKT, Arca, NASDAQ, BX and the Phlx filed pursuant to Rule 17d-2 on November 20, 2012 is hereby approved and declared effective.

*It is further ordered* that those SRO participants that are not the DOEA as to a particular common member are relieved of those regulatory responsibilities allocated to the common member's DOEA under the amended plan to the extent of such allocation.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.<sup>22</sup>

Deputy Secretary.
