## DEPARTMENT OF TRANSPORTATION

### **Federal Transit Administration**

### **Review of National Environmental Policy Act Categorical Exclusion Survey Posted on DOT/FHWA Web Site**

**AGENCY:** Federal Highway Administration (FHWA), Federal Transit Administration (FTA), DOT.

**ACTION:** Notice of availability.

**SUMMARY:** In accordance with section 1318(a)(2) of the *Moving Ahead for Progress in the 21st Century Act* (MAP–21) the FHWA and the FTA have surveyed the use of Categorical Exclusions (CE) by the Department in transportation projects since 2005, described the types of actions categorically excluded and any requests previously received by the Secretary for new CEs, and completed a solicitation of requests for new CEs from State departments of transportation (SDOT), transit authorities, metropolitan planning organizations (MPO), or other government agencies. This survey review captures the results of these activities.

The FHWA and FTA are issuing this notice to advise the public that the CE survey review is now available on the FHWA Web site, <http://www.fhwa.dot.gov/map21>, and FTA Web site, <http://www.fta.dot.gov/map21>.

**SUPPLEMENTARY INFORMATION:** Section 1318 of MAP–21 (112 Pub. L. 141, 126 Stat. 405) requires a survey of CE use for transportation projects since 2005, a description of CE actions and any requests for new CEs received by the Secretary since 2005, and a solicitation request for new CEs from a variety of stakeholders. The statute requires publication of the survey.

To comply with the survey requirement, the FHWA and FTA reviewed the administrative records of rulemakings for new FHWA and/or FTA CEs since 2005 and in the Department’s review of regulations in 2011. The administrative records for the rulemakings included Notice of Proposed Rulemakings (NPRM), public comments on these rulemakings, and as final rules associated with these NPRMs, as applicable (72 FR 44038 (Aug. 7, 2007), Docket No. FTA–2006–26604 and 77 FR 15310 (Mar. 15, 2012), Docket No. FTA–2011–0056). In addition, FHWA and FTA reviewed requests for new CEs received as a part of the assessment of Federal regulations in response to the President’s Executive Order 13563 (Improving Regulation and Regulatory Review, January 18, 2011). The request for new CEs was documented in the Retrospective Review and Analysis of Existing Rules (Department of Transportation, August 2011). Also, in September 2012, the Secretary sent a questionnaire, OMB Control No. 2125–0632, to SDOTs, transit authorities, MPOs, local public agencies, and federally recognized Tribal Governments asking for actions they request for consideration as new CEs through rulemaking.

The questionnaire asked SDOTs, transit authorities, MPOs, and federally recognized Tribal Governments to provide information on:
