Public Housing Operating Budget, Supporting and Related Forms

AGENCY: Office of the Chief Information Officer, HUD.

ACTION: Notice.

SUMMARY: The proposed information collection requirement described below has been submitted to the Office of Management and Budget (OMB) for review, as required by the Paperwork Reduction Act. The Department is soliciting public comments on the subject proposal.

The operating budget and related form are submitted by PHAs for the low-income housing program. The operating budget provides a summary of proposed budget receipts and expenditures by major category, as well as blocks for indicating approval of budget receipts and expenditures by the PHA and HUD. The related form provides a record of PHA Board approval of how the amounts shown on the operating budget were arrived at, as well as justification of certain specified amounts. The information is reviewed by HUD to determine if the plan of operation adopted by the PHA and amounts included therein are reasonable for the efficient and economical operation of the development(s), and the PHA is in compliance with HUD procedures to ensure that sound management practices will be followed in the operation of the development. A small number of PHAs (200) are still required to submit their operating budget packages to HUD, namely those that are troubled, those that are recently out of troubled status or at risk of becoming troubled, or those that are at risk of fiscal insolvency. PHAs are still required to prepare their operating budgets and submit them to their Board for approval prior to their operating subsidy being approved by HUD. The operating budgets must be kept on file for review, if requested.
