## DEPARTMENT OF JUSTICE

### Notice of Lodging of Proposed Consent Judgment Under the Resource Conservation and Recovery Act and Clean Air Act

On December 11, 2012 the Department of Justice lodged a proposed Consent Judgment with the United States District Court for the Eastern District of New York in the lawsuit entitled *United States v. KTN Cleaners, Inc. d/b/a Enterprise Cleaners Inc.*, Civil Action No. 12–CV–6064 (FB)(LB).

Defendant KTN Cleaners, Inc. (“KTN”) owns and operates a large dry-cleaning facility in Long Island City, NY. The complaint seeks civil penalties and injunctive relief for KTN’s violations of (a) Resource Conservation and Recovery Act regulations, (b) federally enforceable New York State hazardous waste regulations, and (c) Clean Air Act regulations applicable to dry cleaners. KTN violated these regulations in connection with the management at its facility of waste perchloroethylene, used fluorescent light bulbs, and the associated recordkeeping requirements. The Consent Judgment provides for KTN to implement injunctive relief, comprising continued compliance with the applicable regulations, and the submission of regular reports to EPA to document its compliance. The Consent

Judgment also requires KTN to pay a civil penalty of \$5,000, which is based upon a financial analysis indicating KTN’s limited ability-to-pay.

The publication of this notice opens a period for public comment on the Consent Judgment. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States v. KTN Cleaners, Inc. d/b/a Enterprise Cleaners Inc.*, D.J. Ref. No. 90–7–1–09323. All comments must be submitted no later than thirty (30) days after the publication date of this notice. #### **Worley Parsons, Accounts Payable, a Subsidiary of Worley Parsons Corporation, Including On-Site Leased Workers From GAS Unlimited, the Mergis Group And Tatum LLC Pasadena, TX; Worley Parsons, Accounts Payable, a Subsidiary of Worley Parsons Corporation, Including On-Site Leased Workers From GAS Unlimited, the Mergis Group and Tatum LLC Bellair, TX; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974, as amended (“Act”), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on April 30, 2012, applicable to workers of Worley Parsons, Accounts Payable, a subsidiary of Worley Parsons Corporation, including on-site leased workers from GAS Unlimited and The Mergis Group, Pasadena, Texas. The workers firm provides engineering and design services. The Account Payable Group provides financial services. The notice was published in the **Federal Register** on October 17, 2012 (77 FR 63875).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. New information shows that Bellaire, Texas is a sister facility of the Pasadena, Texas location. Both locations experienced worker separations during the relevant time period due to a shift in services to Malaysia. Information from the company also shows that leased workers from Tatum LLC were employed on-site at the Pasadena, Texas and the Bellaire, Texas locations of the subject firm. Also, the original decision covered the Accounts Payable and Accounts Receivable departments. At the request of the company, only Accounts Payable is covered by this certification.

Accordingly, the Department is amending the certification to include workers of the Bellaire, Texas location of the subject firm, include on-site leased workers from Tatum LLC and to correctly identify the worker group to only include Accounts payable.

The intent of the Department’s certification is to include all workers of the subject firm who were adversely affected by a shift in services to Malaysia.

The amended notice applicable to TA-W-81,445 and TA-W-81,445A are hereby issued as follows:

All workers from Worley Parsons Group, a subsidiary of Worley Parsons Corporation, Accounts Payable, including on-site leased workers from GAS Unlimited, The Mergis Group and Tatum LLC, Pasadena, Texas (TA-W-81,445) and Worley Parsons Group, a subsidiary of Worley Parsons Corporation, Accounts Payable, including on-site leased workers from GAS Unlimited, The Mergis Group and Tatum LLC, Bellaire, Texas (TA-W-81,445A), who became totally or partially separated from employment on or after March 22, 2011 through April 30, 2014, and all workers in the group threatened with total or partial separation from employment on date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.

Signed at Washington, DC, this 29th day of November 2012.

#### **Welded Tube—Berkeley Including On-Site Leased Workers From Snelling, Aerotek and Express Personnel Services, Huger, SC; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on October 10, 2012, applicable to workers of Welded Tube—Berkeley, including on-site leased workers from Snelling and Aerotek, Huger, South Carolina. The workers are engaged in activities related to the production of steel pipe. The notice was published in the **Federal Register** on October 29, 2012 (77 FR 65583).

At the request of South Carolina State, the Department reviewed the certification for workers of the subject firm. New information from the company shows that workers leased from Express Personnel Services were employed on-site at the Huger, South Carolina location of Welded Tube—Berkeley. The Department has determined that these workers were sufficiently under the control of Welded

Tube—Berkeley to be considered leased workers.

The intent of the Department's certification is to include all workers of the subject firm who were adversely affected by increased customer imports of steel pipe.

Based on these findings, the Department is amending this certification to include workers leased from Express Personnel Services working on-site at the Huger, South Carolina location of the subject firm.

The amended notice applicable to TA-W-81,905 is hereby issued as follows:

All workers from Welded Tube—Berkeley, including on-site leased workers from Snelling, Aerotek and Express Personnel, Huger, South Carolina, who became totally or partially separated from employment on or after August 20, 2011, through October 10, 2014, and all workers in the group threatened with total or partial separation from employment on date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.

Signed at Washington, DC, this 29th day of November 2012.
