

ATTACHMENT 1—GENERAL TARGET SCHEDULE FOR PROCESSING AND RESOLVING REQUESTS FOR ACCESS TO SENSITIVE UNCLASSIFIED NON-SAFEGUARDS INFORMATION IN THIS PROCEEDING

Day	Event/activity
0	Publication of Federal Register notice of hearing and opportunity to petition for leave to intervene, including order with instructions for access requests.
10	Deadline for submitting requests for access to Sensitive Unclassified Non-Safeguards Information (SUNSI) with information supporting the standing of a potential party identified by name and address; describing the need for the information in order for the potential party to participate meaningfully in an adjudicatory proceeding.
60	Deadline for submitting petition for intervention containing: (i) Demonstration of standing; (ii) all contentions whose formulation does not require access to SUNSI (+25 Answers to petition for intervention; +7 petitioner/requestor reply).
20	Nuclear Regulatory Commission (NRC) staff informs the requester of the staff's determination whether the request for access provides a reasonable basis to believe standing can be established and shows need for SUNSI. (NRC staff also informs any party to the proceeding whose interest independent of the proceeding would be harmed by the release of the information.) If NRC staff makes the finding of need for SUNSI and likelihood of standing, NRC staff begins document processing (preparation of redactions or review of redacted documents).
25	If NRC staff finds no "need" or no likelihood of standing, the deadline for petitioner/requester to file a motion seeking a ruling to reverse the NRC staff's denial of access; NRC staff files copy of access determination with the presiding officer (or Chief Administrative Judge or other designated officer, as appropriate). If NRC staff finds "need" for SUNSI, the deadline for any party to the proceeding whose interest independent of the proceeding would be harmed by the release of the information to file a motion seeking a ruling to reverse the NRC staff's grant of access.
30	Deadline for NRC staff reply to motions to reverse NRC staff determination(s).
40	(Receipt +30) If NRC staff finds standing and need for SUNSI, deadline for NRC staff to complete information processing and file motion for Protective Order and draft Non-Disclosure Affidavit. Deadline for applicant/licensee to file Non-Disclosure Agreement for SUNSI.
A	If access granted: Issuance of presiding officer or other designated officer decision on motion for protective order for access to sensitive information (including schedule for providing access and submission of contentions) or decision reversing a final adverse determination by the NRC staff.
A + 3	Deadline for filing executed Non-Disclosure Affidavits. Access provided to SUNSI consistent with decision issuing the protective order.
A + 28	Deadline for submission of contentions whose development depends upon access to SUNSI. However, if more than 25 days remain between the petitioner's receipt of (or access to) the information and the deadline for filing all other contentions (as established in the notice of hearing or opportunity for hearing), the petitioner may file its SUNSI contentions by that later deadline.
A + 53	(Contention receipt +25) Answers to contentions whose development depends upon access to SUNSI.
A + 60	(Answer receipt +7) Petitioner/Intervenor reply to answers.
>A + 60	Decision on contention admission.

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request Copies Available
From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension: Rule 15c3-4; OMB Control No. 3235-0497, SEC File No. 270-441.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) (the "Paperwork Reduction Act"), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 15c3-4 (17 CFR 240.15c3-4) (the "Rule") under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) (the "Exchange Act") requires certain broker-dealers that are registered with the Commission as OTC derivatives dealers, or who compute their net capital charges under Appendix E to Rule 15c3-1 (17 CFR 240.15c3-1) ("ANC firms"), to establish, document, and maintain a system of internal risk management controls. The Rule sets forth the basic elements for an OTC derivatives dealer or an ANC firm to consider and include when establishing, documenting, and reviewing its internal risk management control system, which are designed to, among other things, ensure the integrity of an OTC derivatives dealer's or an ANC firm's risk measurement, monitoring, and management process, to clarify

accountability at the appropriate organizational level, and to define the permitted scope of the dealer's activities and level of risk. The Rule also requires that management of an OTC derivatives dealer or an ANC firm must periodically review, in accordance with written procedures, the firm's business activities for consistency with its risk management guidelines.

The staff estimates that the average amount of time a new OTC derivatives dealer will spend establishing and documenting its risk management control system is 2,000 hours and that, on average, a registered OTC derivatives dealer will spend approximately 200 hours each year to maintain (*e.g.*, reviewing and updating) its risk management control system.¹ Currently, four firms are registered with the Commission as OTC derivatives dealers. The staff estimates that approximately four additional OTC derivatives dealers may become registered within the next three years. Thus, the estimated annualized burden would be 800 hours for the four OTC derivatives dealers currently registered with the Commission to maintain their risk management control systems,² 2,666 hours for the four new OTC derivatives dealers to establish and document their risk management control systems,³ and 400 hours for the four new OTC derivatives dealers to maintain their risk management control systems.⁴ Accordingly, the staff estimates the total annualized burden associated with Rule 15c3-4 for the eight OTC derivatives dealers will be approximately 3,866 hours annually.

The staff believes that the cost of complying with Rule 15c3-4 will be approximately \$279 per hour.⁵ This per hour cost is based upon an annual average hourly salary for a compliance manager who would be responsible for ensuring compliance with the requirements of Rule 15c3-4.

¹ This notice does not cover the hour burden associated with ANC firms, because the hour burden for ANC firms is included in the Paperwork Reduction Act collection for Rule 15c3-1, which requires ANC firms to comply with specific provisions of Rule 15c3-4 in Appendix E to Rule 15c3-1. See 17 CFR 240.15c3-1(a)(7)(iii), 17 CFR 240.15c3-1e(a)(1)(ii), and 17 CFR 240.15c3-1e(a)(1)(viii)(C).

² (200 hours × 4 firms) = 800.

³ (2000 hours × 1.333 firms) = 2,666.

⁴ (200 hours × 4 firms × 2) = 400 {the number is divided by two to show an average, since it is assumed that the four new OTC derivatives dealers will register in even intervals over the three years}.

⁵ The \$279 per hour salary figure for a compliance manager is from SIFMA's Management & Professional Earnings in the Securities Industry 2011, modified by Commission staff to account for an 1800-hour work-year and multiplied by 5.35 to account for bonuses, firm size, employee benefits and overhead.

Accordingly, the total annualized cost for all affected OTC derivatives dealers is estimated to be \$1,078,614.⁶

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

The Commission may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act that does not display a valid OMB control number.

Comments should be directed to Thomas Bayer, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 6432 General Green Way, Alexandria, Virginia 22312 or send an email to: PRA_Mailbox@sec.gov.

Dated: December 26, 2012.

Kevin M. O'Neill,

Deputy Secretary.
