[Docket No. RM98–1–000]

Records Governing Off-the-Record Communications; Public Notice

This constitutes notice, in accordance with 18 CFR 385.2201(b), of the receipt of prohibited and exempt off-the-record communications.

Order No. 607 (64 FR 51222, September 22, 1999) requires Commission decisional employees, who make or receive a prohibited or exempt off-the-record communication relevant to the merits of a contested proceeding, to deliver to the Secretary of the Commission, a copy of the communication, if written, or a summary of the substance of any oral communication.

Prohibited communications are included in a public, non-decisional file

associated with, but not a part of, the decisional record of the proceeding. Unless the Commission determines that the prohibited communication and any responses thereto should become a part of the decisional record, the prohibited off-the-record communication will not be considered by the Commission in reaching its decision. Parties to a proceeding may seek the opportunity to respond to any facts or contentions made in a prohibited off-the-record communication, and may request that the Commission place the prohibited communication and responses thereto in the decisional record. The Commission will grant such a request only when it determines that fairness so requires. Any person identified below as having made a prohibited off-the-record communication shall serve the document on all parties listed on the official service list for the applicable proceeding in accordance with Rule 2010, 18 CFR 385.2010.

Exempt off-the-record communications are included in the decisional record of the proceeding, unless the communication was with a cooperating agency as described by 40 CFR 1501.6, made under 18 CFR 385.2201(e)(1)(v).

The following is a list of off-the-record communications recently received by the Secretary of the Commission. The communications listed are grouped by docket numbers in ascending order. These filings are available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the eLibrary link. ENVIRONMENTAL PROTECTION AGENCY

California State Motor Vehicle Pollution Control Standards; Urban Buses; Request for Waiver of Preemption; Opportunity for Public Hearing and Comment

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The California Air Resources Board (CARB) has notified EPA that it has adopted amendments to its emission standards for urban bus engines in a series of rulemakings. The rulemakings at issue took place between 2000 and 2005. Principally, these rulemakings set requirements for California's public transit agencies that operate urban buses and other transit vehicles; additionally, the rulemakings set emission standards for new urban bus engines. CARB requests that EPA grant a waiver of preemption pursuant to section 209(b) of the Clean Air Act for the emission standards and related test procedures. This notice announces that EPA has tentatively scheduled a public hearing to consider California's urban bus regulations, and that EPA is now accepting written comment on the request.

DATES: EPA has tentatively scheduled a public hearing concerning CARB's request on January 30, 2013, at 10:00 a.m. ET. EPA will hold a hearing only if any party notifies EPA by January 17, 2013, expressing interest in presenting the agency with oral testimony. Parties wishing to present oral testimony at the public hearing should provide written notice to Kristien Knapp at the email address noted below. If EPA receives a request for a public hearing, that hearing will be held at 1310 L Street NW., Washington, DC 20005. If EPA does not receive a request for a public hearing, then EPA will not hold a hearing, and instead consider CARB's request based on written submissions to the docket. Any party may submit written comments until March 1, 2013.

By January 25, 2013, any person who plans to attend the hearing may call Kristien Knapp at (202) 343-9949, to learn if a hearing will be held.
