subject merchandise, any suspended entries that entered under that exporter's case number (*i.e.*, at that exporter's rate) will be liquidated at the PRC-wide rate.⁷

The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.

Cash Deposit Requirements

The following cash deposit requirements, when imposed, will apply to all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for New-Tec, which has a separate rate, will be that established in the final results of this review (except, if the rate is zero or de minimis, then zero cash deposit will be required); (2) for any previously reviewed or investigated PRC and non-PRC exporter not listed above that received a separate rate in a previous segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all PRC exporters that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the PRCwide entity (i.e., 383.60 percent); and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied the non-PRC exporter. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This administrative review and notice are in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213. Dated: January 2, 2013. **Paul Piquado**, Assistant Secretary for Import Administration.

SUPPLEMENTARY INFORMATION:

The Convention and the Commission

The objective of the Convention is to ensure, through effective management, the long-term conservation and sustainable use of highly migratory fish stocks in the western and central Pacific Ocean in accordance with the United Nations Convention on the Law of the Sea of 10 December 1982 (UNCLOS) and the Agreement for the Implementation of the Provisions of the UNCLOS Relating to the Conservation and Management of Straddling Fish Stocks and Highly Migratory Fish Stocks. The Convention establishes the Commission, the secretariat of which is based in Pohnpei, Federated States of Micronesia.

The Convention applies to all highly migratory fish stocks (defined as all fish stocks of the species listed in Annex I of the UNCLOS occurring in the Convention Area, and such other species of fish as the Commission may determine), except sauries. The United States actively supported the negotiations and the development of the Convention and signed the Convention in 2000. It participated as a cooperating non-member of the Commission since 2005 and became a Contracting Party to the Convention and a full member of the Commission when it ratified the Convention in January 2007. Under the Act, the United States will be represented on the Commission by five Commissioners.

Advisory Committee

The Act (16 U.S.C. 6902) provides (in section 6902(d)) that the Secretary of Commerce, in consultation with the United States Commissioners to the Commission, will appoint certain members of the advisory committee established under the Act.

The members to be appointed to the advisory committee are to include not less than 15 nor more than 20 individuals selected from the various groups concerned with the fisheries covered by the Convention, providing, to the extent practicable, an equitable balance among such groups. On behalf of the Secretary of Commerce, NMFS is now seeking nominations for these appointments.

In addition to the 15–20 appointed members, the advisory committee also includes the chair of the Western Pacific Fishery Management Council's Advisory Committee (or designee), and officials of the fisheries management authorities of American Samoa, Guam, and the Northern Mariana Islands (or their designees).

Members of the advisory committee will be invited to attend all nonexecutive meetings of the United States Commissioners to the Commission and at such meetings will be given opportunity to examine and be heard on all proposed programs of investigation, reports, recommendations, and regulations of the Commission.

Each appointed member of the advisory committee will serve for a term of two years and is eligible for reappointment. This request for nominations is for the term to begin on or after August 2, 2013 and is for a term of two consecutive years.

The Secretaries of Commerce and State will furnish the advisory committee with relevant information concerning fisheries and international fishery agreements.

NMFS, on behalf of the Secretary of Commerce, will provide to the advisory committee administrative and technical support services as are necessary for its effective functioning.

Appointed members of the advisory committee will serve without pay, but

while away from their homes or regular places of business in the performance of services for the advisory committee will be allowed travel expenses, including per diem in lieu of subsistence, in the same manner as persons employed intermittently in the Government service are allowed expenses under section 5703 of title 5, United States Code. They will not be considered Federal employees while performing service as members of the advisory committee except for the purposes of injury compensation or tort claims liability as provided in chapter 81 of title 5, United States Code and Chapter 171 of title 28, United States Code.

Procedure for Submitting Nominations

Nominations for the advisory committee should be submitted to NMFS (see ADDRESSES). This request for nominations is for first time nominees as well as current Advisory Committee members. Self nominations are acceptable.
