SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-68630; File No. SR-NYSEMKT-2013-01]

Self-Regulatory Organizations; NYSE MKT LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending Its Price List With Respect to Regulatory Fees Related to the Central Registration Depository, Which Are Collected by the Financial Industry Regulatory Authority, Inc.

January 11, 2013.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act")² and Rule 19b-4 thereunder,³ notice is hereby given that, on January 2, 2013, NYSE MKT LLC (the "Exchange" or "NYSE MKT") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its Price List (the "Price List") with respect to regulatory fees related to the Central Registration Depository ("CRD system"), which are collected by the Financial Industry Regulatory Authority, Inc. ("FINRA"). The Exchange proposes to implement the fee changes on January 2, 2013. The text of the proposed rule change is available on the Exchange's Web site at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below,

of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend the Price List with respect to regulatory fees related to the CRD system, which are collected by FINRA.⁴ The Exchange proposes to implement the fee changes on January 2, 2013.

Certain of the regulatory fees provided in the Price List are collected and retained by FINRA via the CRD system for the registration of employees of member organizations of the Exchange that are not FINRA members ("Non-FINRA Member Organizations"). The Exchange originally adopted fees for use of the CRD system in 2003.⁵ FINRA recently amended certain of the fees assessed for use of the CRD system, and those amendments will become effective January 2, 2013.⁶

The CRD system fees are user-based and there is no distinction in the cost incurred by FINRA if the user is a FINRA member or a Non-FINRA Member Organization. Accordingly, the Exchange is proposing to amend the fees in the Price List to mirror those assessed by FINRA, which will be implemented concurrently with the amended FINRA fees on January 2, 2013.⁷ The proposed changes are as follows:⁸

⁴ The CRD system is the central licensing and registration system for the U.S. securities industry. The CRD system enables individuals and firms seeking registration with multiple states and self-regulatory organizations to do so by submitting a single form, fingerprint card and a combined payment of fees to FINRA. Through the CRD system, FINRA maintains the qualification, employment and disciplinary histories of registered associated persons of broker-dealers.

⁵ See Securities Exchange Act Release No. 48066 (June 19, 2003), 68 FR 38409 (June 27, 2003) (SR-Amex-2003-49).

⁶ See Securities Exchange Act Release No. 67247 (June 25, 2012), 77 FR 38866 (June 29, 2012) (SR-FINRA-2012-030).

⁷ The Exchange notes that it has only adopted the CRD system fees charged by FINRA to Non-FINRA Member Organizations when such fees are applicable. In this regard, certain FINRA CRD system fees and requirements are specific to FINRA members, but do not apply to NYSE MKT-only member organizations.

⁸ The Exchange is proposing to delete the current fees and descriptions in their entirety and replace them with the updated fees and descriptions in a separate table that will include all the fees applicable to Non-FINRA Member Organizations, as discussed further below (corresponding footnotes in the Price List would also be designated as "reserved"). In this regard, the Exchange is proposing a new subheading in the "Regulatory Fees" section of the Price List to differentiate between those fees that are applicable to all member organizations and those fees that are applicable

- Increasing the disclosure processing fee from \$95 to \$110;⁹ and
- Increasing the manual fingerprint processing fee from \$13 to \$30.¹⁰

In addition to increasing the existing CRD system fees, FINRA adopted a new fee for the additional processing of each initial or amended Form BD that includes the initial reporting, amendment, or certification of one or more disclosure events or proceedings.¹¹ Broker-dealers use Form BD to, among other things, report disclosure matters in which they or a control affiliate have been involved. Prior to the adoption of the new fee, FINRA did not have a fee designed to cover the costs associated with the review of Form BD, notwithstanding that the review is similar to that performed of broker-dealers' Forms U4 and U5. Such reviews include confirming that the matter is properly reported, reviewing any documentation submitted and determining whether additional documentation is required, conducting any necessary independent research and, depending on the matter reported, analyzing whether the event or proceeding subjects the individual or firm to a statutory disqualification pursuant to Section 3(a)(39) of the Act.¹² FINRA adopted a \$110 fee for the review of a Form BD, which mirrors the increased fee adopted for the review of Forms U4 and U5. As such, the Exchange is adopting the identical fee for FINRA's review of a Form BD submitted by Non-FINRA Member Organizations.¹³

The Exchange also proposes to include in its Price List certain other

only to Non-FINRA Member Organizations. The Exchange notes that member organizations that are also FINRA members are charged CRD system fees according to Section (4) of Schedule A to the FINRA By-laws.

⁹ See Section (4)(b)(3) of Schedule A to the FINRA By-laws effective on January 2, 2013. The updated description in the Price List for this fee would be "additional processing of each initial or amended Form U4, Form U5 or Form BD that includes the initial reporting, amendment, or certification of one or more disclosure events or proceedings." As noted below, this would incorporate the applicability of the fee to Form BD processing.

¹⁰ See Section (4)(b)(6) of Schedule A to the FINRA By-laws effective on January 2, 2013. The updated description in the Price List for this fee would be "processing and posting to the CRD system each set of fingerprint results and identifying information that have been processed through another self-regulatory organization and submitted to FINRA." The Exchange also proposes to permanently remove the current \$35 fee in the Price List for fingerprint processing. The fee for fingerprint processing by FINRA is addressed via the other fingerprint processing fees described herein and in the proposed changes to the Price List.

¹¹ See Section (4)(b)(3) of Schedule A to the FINRA By-laws effective on January 2, 2013.

fees that are charged by FINRA to FINRA members as well as Non-FINRA Member Organizations. These fees are as follows:¹⁴

- \$100 for each initial Form U4 filed for the registration of a representative or principal;¹⁵
- \$15 for processing and posting to the CRD system each set of fingerprints submitted electronically to FINRA, plus any other charge that may be imposed by the U.S. Department of Justice for processing each set of fingerprints;¹⁶
- \$30 for processing and posting to the CRD system each set of fingerprint cards submitted in non-electronic format to FINRA, plus any other charge that may be imposed by the U.S. Department of Justice for processing each set of fingerprints;¹⁷ and
- \$45 annually for system processing for each registered representative and principal.¹⁸

The Exchange notes that the proposed change is not otherwise intended to address any other issues surrounding regulatory fees and that the Exchange is not aware of any problems that member organizations would have in complying with the proposed change.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,¹⁹ in general, and furthers the objectives of Sections 6(b)(4) and 6(b)(5) of the Act,²⁰ in particular, because it provides for the equitable allocation of reasonable dues, fees, and other charges among its members, issuers and other persons using its facilities and does not unfairly discriminate between customers, issuers, brokers or dealers.

The Exchange believes that the change is reasonable because the

¹⁴ Non-FINRA Member Organizations have been charged CRD system fees since 2003. See *supra* note 5.

¹⁵ See Section (4)(b)(1) of Schedule A to the FINRA By-laws effective on January 2, 2013. This fee is assessed when a Non-FINRA Member Organization submits its first Initial, Transfer, Relicense, or Dual Registration Form U4 filing on behalf of a registered person. The current applicable fee is \$85.

¹⁶ See Section (4)(b)(4) of Schedule A to the FINRA By-laws effective on January 2, 2013. The current applicable fee is \$13.

¹⁷ See Section (4)(b)(5) of Schedule A to the FINRA By-laws effective on January 2, 2013. The current applicable fee is \$13.

¹⁸ See Section (4)(b)(7) of Schedule A to the FINRA By-laws effective on January 2, 2013. The current applicable fee is \$30. The proposed system processing fee would become effective for the 2013 Renewal Program. In this regard, as part of FINRA's 2013 Renewal Program, Preliminary Renewal Statements reflecting the proposed \$45 system processing fee will be made available in the fourth quarter of 2012.

²⁰ 15 U.S.C. 78f(b)(4) and (5).

proposed fees are identical to those adopted by FINRA for use of the CRD system for disclosure and the registration of FINRA members and their associated persons. As FINRA noted in amending its fees, it believed that the fees are reasonable based on the increased costs associated with operating and maintaining the CRD system, and listed a number of enhancements made since the last fee increase, including (1) Incorporation of various uniform registration form changes; (2) electronic fingerprint processing; (3) Web EFT™, which allows subscribing firms to submit batch filings to the CRD system; and (4) increases in the number and types of reports available through the CRD system. These increased costs are similarly borne by FINRA when a Non-FINRA Member Organization uses the CRD system. FINRA further noted its belief that the proposed fees are reasonable because they help to ensure the integrity of the information in the CRD system, which is very important because the Commission, FINRA, other self-regulatory organizations and state securities regulators use the CRD system to make licensing and registration decisions, among other things.

The Exchange also believes that the change is reasonable because it will provide greater specificity regarding the CRD system fees that are applicable to Non-FINRA Member Organizations. All similarly situated member organizations are subject to the same fee structure, and every member organization must use the CRD system for registration and disclosure. Accordingly, the Exchange believes that the fees collected for such use should likewise increase in lockstep with the fees assessed to FINRA members, as is proposed by the Exchange. The proposed change, like FINRA's proposal, is equitable and not unfairly discriminatory because it will result in the same regulatory fees being charged to all member organizations required to report information to the CRD system and for services performed by FINRA, regardless of whether or not such member organizations are FINRA members.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. Specifically, the Exchange believes that the proposed change will result in the same regulatory fees being charged to all member organizations required to report information to the CRD system and for

services performed by FINRA, regardless of whether or not such member organizations are FINRA members.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)²¹ of the Act and subparagraph (f)(2) of Rule 19b-4²² thereunder, because it establishes a due, fee, or other charge imposed by NYSE MKT.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)²³ of the Act to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
