#### SUPPLEMENTARY INFORMATION:

##### I. Background

The Department of Labor, as part of its continuing effort to reduce paperwork and respondent (e.g., an employee filing a retaliation complaint) burden, conducts a preclearance consultation program to provide the public with an opportunity to comment on proposed and continuing information collection requirements in accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3506(c)(2)(A)). This program ensures that information is in the desired format, reporting burden (time and costs) is minimal, collection instruments are clearly understood, and OSHA's estimate of the information collection burden is accurate.

The Agency is responsible for investigating alleged violations of "whistleblower" provisions contained in a number of statutes. These whistleblower provisions generally prohibit retaliation by employers against employees who report alleged violations
