

(2) the accuracy of our estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques, when appropriate, and other forms of information technology.

Food Labeling; Notification Procedures for Statements on Dietary Supplements—21 CFR 101.93 (OMB Control Number 0910–0331—Extension)

Section 403(r)(6) of the FD&C Act (21 U.S.C. 343(r)(6)) requires that FDA be notified by manufacturers, packers, and distributors of dietary supplements that they are marketing a dietary supplement

product that bears on its label or in its labeling a statement provided for in section 403(r)(6) of the FD&C Act. Section 403(r)(6) of the FD&C Act requires that FDA be notified, with a submission about such statements, no later than 30 days after the first marketing of the dietary supplement. Information that is required in the submission includes: (1) The name and address of the manufacturer, packer, or distributor of the dietary supplement product; (2) the text of the statement that is being made; (3) the name of the dietary ingredient or supplement that is the subject of the statement; (4) the name of the dietary supplement (including the brand name); and (5) a signature of a responsible individual who can certify the accuracy of the information presented, and who must

certify that the information contained in the notice is complete and accurate, and that the notifying firm has substantiation that the statement is truthful and not misleading.

The procedural regulation for this program is codified at § 101.93 (21 CFR 101.93). Section 101.93 provides submission procedures and identifies the information that must be included in order to meet the requirements of section 403 of the FD&C Act.

Description of Respondents: Respondents to this collection of information include manufacturers, packers, or distributors of dietary supplements that bear section 403(r)(6) of the FD&C Act statements on their labels or labeling.

We estimate the burden of this collection of information as follows:

TABLE 1—ESTIMATED ANNUAL REPORTING BURDEN¹

21 CFR Section	Number of respondents	Number of responses per respondent	Total annual responses	Average burden per response	Total hours
101.93	2,200	1	2,200	0.75	1,650

¹ There are no capital costs or operating and maintenance costs associated with this collection of information.

We believe that there will be minimal burden on the industry to generate information to meet the requirements of section 403 of the FD&C Act in submitting information regarding section 403(r)(6) of the FD&C Act statements on labels or in labeling of dietary supplements. We are requesting only information that is immediately available to the manufacturer, packer, or distributor of the dietary supplement that bears such a statement on its label or in its labeling. We estimate that, each year, approximately 2,200 firms will submit the information required by section 403 of the FD&C Act. We estimate that a firm will require 0.75 hours to gather the information needed and prepare a submission, for a total of 1,650 hours (2,200 × 0.75). This estimate is based on the average number of notification submissions received by us in the preceding 3 years.

Dated: January 14, 2013.

Assistant Commissioner for Policy.

BILLING CODE 4160–01–P

DEPARTMENT OF HOMELAND SECURITY

[DHS–2011–0108]

RIN 1601–ZA11

Identification of Foreign Countries Whose Nationals Are Eligible To Participate in the H–2A and H–2B Nonimmigrant Worker Programs

AGENCY: Office of the Secretary, DHS.
ACTION: Notice.

SUMMARY: Under Department of Homeland Security (DHS) regulations, U.S. Citizenship and Immigration Services (USCIS) may approve petitions for H–2A and H–2B nonimmigrant status only for nationals of countries that the Secretary of Homeland Security, with the concurrence of the Secretary of State, has designated by notice published in the **Federal Register**. That notice must be renewed each year. This notice announces that the Secretary of Homeland Security, in consultation with the Secretary of State, is identifying 59 countries whose nationals are eligible to participate in the H–2A and H–2B programs for the coming year. The list published today includes one new addition: Grenada.

DATES: Effective Date: This notice is effective January 18, 2013, and shall be without effect at the end of one year after January 18, 2013.

FOR FURTHER INFORMATION CONTACT:

Francis Cissna, Office of Policy, Department of Homeland Security, Washington, DC 20528, (202) 447–3835.

SUPPLEMENTARY INFORMATION:

Background: Generally, USCIS may approve H–2A and H–2B petitions for nationals of only those countries that the Secretary of Homeland Security, with the concurrence of the Secretary of State, has designated as participating countries. Such designation must be published as a notice in the **Federal Register** and expires after one year. USCIS, however, may allow a national from a country not on the list to be named as a beneficiary of an H–2A or H–2B petition based on a determination that such participation is in the U.S. interest. See 8 CFR 214.2(h)(5)(i)(F) and 8 CFR 214.2(h)(6)(i)(E).

In designating countries to include on the list, the Secretary of Homeland Security, with the concurrence of the Secretary of State, will take into account factors including, but not limited to: (1) The country’s cooperation with respect to issuance of travel documents for citizens, subjects, nationals, and residents of that country who are subject to a final order of removal; (2) the number of final and unexecuted orders of removal against citizens, subjects, nationals, and residents of that country; (3) the number of orders of removal executed against citizens, subjects,

nationals, and residents of that country; and (4) such other factors as may serve the U.S. interest. See 8 CFR

214.2(h)(5)(i)(F)(1)(i) and 8 CFR

214.2(h)(6)(i)(E)(1).

In December 2008, DHS published in the **Federal Register** two notices, "Identification of Foreign Countries Whose Nationals Are Eligible to Participate in the H-2A Visa Program," and "Identification of Foreign Countries Whose Nationals Are Eligible to Participate in the H-2B Visa Program," which designated 28 countries whose nationals are eligible to participate in the H-2A and H-2B programs. See 73 FR 77,043 (Dec. 18, 2008); 73 FR 77,729 (Dec. 19, 2008). The notices ceased to have effect on January 17, 2010 and January 18, 2010, respectively. See 8 CFR 214.2(h)(5)(i)(F)(2) and 8 CFR 214.2(h)(6)(i)(E)(3). To allow for the continued operation of the H-2A and H-2B programs, the Secretary of Homeland Security, with the concurrence of the Secretary of State, has published subsequent notices on an annual basis. See 75 FR 2,879 (Jan. 19, 2010) (adding 11 countries); 76 FR 2,915 (Jan. 18, 2011) (removing Indonesia and adding 15 countries); 77 FR 2,558 (Jan. 18, 2012) (adding five countries).

The Secretary of Homeland Security has determined, with the concurrence of the Secretary of State, that the 58 countries designated in the January 18, 2012 notice continue to meet the standards identified in that notice for eligible countries and therefore should remain designated as countries whose nationals are eligible to participate in the H-2A and H-2B programs. Further, the Secretary of Homeland Security, with the concurrence of the Secretary of State, has determined to add Grenada to the list. This determination is made taking into account the four factors identified above. The Secretary of Homeland Security also considered other pertinent factors including, but not limited to, evidence of past usage of the H-2A and H-2B programs by nationals of the country to be added, as well as evidence relating to the economic impact on particular U.S. industries or regions resulting from the addition or continued non-inclusion of specific countries.

Designation of Countries Whose Nationals Are Eligible To Participate in the H-2A and H-2B Nonimmigrant Worker Programs

Pursuant to the authority provided to the Secretary of Homeland Security under sections 214(a)(1), 215(a)(1), and 241 of the Immigration and Nationality Act (8 U.S.C. 1184(a)(1), 1185(a)(1), and 1231), I am designating, with the
