Notice of Proposed Information Collection: Comment Request; Debt Resolution Program

AGENCY: Office of the Chief Information Officer, HUD.

ACTION: Notice.

SUMMARY: The proposed information collection requirement described below has been submitted to the Office of Management and Budget (OMB) for review, as required by the Paperwork Reduction Act. The Department is soliciting public comments on the subject proposal.

HUD is required to collect debt owed to the agency. As part of the collection process, demand for repayment is made on the debtor(s). In response, debtors opt to ignore the debt, pay the debt or dispute the debt. Disputes and offers to repay the debt result in information collections. Borrowers who wish to pay less than the full amount due must submit a Personal Financial Statement and Settlement Offer. HUD uses the information to analyze debtors' financial positions and then approve settlements and repayment agreements. Borrowers who wish to dispute must provide information to support their position.
