

written agreement of that entity to abide by the terms of this Agreement.

E. Each agency will keep an accounting of disclosure of an individual's record as required by 5 U.S.C. 552a(c) of the Privacy Act and will make the accounting available upon request by the individual or other agency.

X. Records Accuracy Assessments

DHS/FEMA and SBA attest that the quality of the specific records to be used in this matching program is assessed to be at least 99% accurate. The possibility of any erroneous match is extremely small.

In order to apply for assistance online via the DAC portal, an applicant's name, address, SSN, and date of birth are sent to a commercial database provider to perform identity verification. The identity verification ensures that a person exists with the provided credentials. In the rare instances where the applicant's identity is not verified online or the applicant chooses, the applicants must call one of the DHS/FEMA call centers to complete the registrations. The identity verification process is performed again. Depending on rare circumstances, an applicant is allowed to register using an artificial SSN. Applicants must update their SSN and pass the identity verification to obtain assistance.

XI. Comptroller General Access

The parties authorize the Comptroller General of the United States, upon request, to have access to all SBA and DHS/FEMA records necessary to monitor or verify compliance with this matching agreement. This matching agreement also authorizes the Comptroller General to inspect any records used in the matching process that are covered by this matching agreement pursuant to 31 U.S.C. 717 and 5 U.S.C. 552a(b)(10).

XII. Duration of Agreement

The Agreement may be renewed, terminated or modified as follows:

A. Renewal or Termination. This Agreement will become effective in accordance with the terms set forth in paragraph IV.C and will remain in effect for 18 months from the commencement date. At the end of this period, this Agreement may be renewed for a period of up to one additional year if the Data Integrity Board of each agency determines within three months before the expiration date of this Agreement that the program has been conducted in accordance with this Agreement and will continue to be conducted without change. Either agency not wishing to

renew this Agreement should notify the other in writing of its intention not to renew at least three months before the expiration date of this Agreement. Either agency wishing to terminate this Agreement before its expiration date should notify the other in writing of its wish to terminate and the desired date of termination.

B. Modification of the Agreement.

This Agreement may be modified at any time in writing if the written modification conforms to the requirements of the Privacy Act and receives approval by the participant agency Data Integrity Boards.

XIII. Reimbursement of Matching Costs

SBA and DHS/FEMA will bear their own costs for this program.

XIV. Data Integrity Board Review/Approval

SBA and DHS/FEMA's Data Integrity Boards will review and approve this Agreement prior to the implementation of this matching program. Disapproval by either Data Integrity Board may be appealed in accordance with the provisions of the Computer Matching and Privacy Protection Act of 1988, as amended. Further, the Data Integrity Boards will perform an annual review of this matching program. SBA and DHS/FEMA agree to notify the Chairs of each Data Integrity Board of any changes to or termination of this Agreement.
