SUPPLEMENTARY INFORMATION: Section 221 (a) of Title II, Chapter 2 of the Trade Act of 1974, as amended by the Trade and Globalization Adjustment Assistance Act of 2009 (19 U.S.C. 2271), authorizes the Secretary of Labor and the Governor of each State to accept petitions for certification of eligibility to apply for adjustment assistance. The Secretary uses this information to certify whether groups of workers are eligible to apply for worker trade adjustment assistance. Revisions contained in this ICR will: (1) Align petitions (Form ETA-9042) with the American Job Center network branding initiative, (2) include additional citations to the appropriate regulations and guidance in the investigative data collection processing instructions page, and (3) provide clarifying language within the investigative data collection requirements.

Agency Information Collection Activities; Submission for OMB Review; Comment Request; Unemployment Compensation for Ex-Servicemembers

ACTION: Notice.

SUPPLEMENTARY INFORMATION: The Unemployment Compensation for Ex-Servicemembers Act (UCXA), 5 U.S.C. 8521 et seq., provides unemployment insurance protection to former members of the Armed Forces. The UCXA requires a State Workforce Agency (SWA) to administer the Unemployment Compensation for Ex-Servicemembers (UCX) Program in accordance with the same terms and conditions of State unemployment insurance law that apply to unemployed claimants who have worked in the private sector. Each SWA must obtain certain military service information about a claimant filing for UCX benefits in order to make a benefit-eligibility determination. A SWA may record or obtain required UCX information on Form ETA-843, Request for Military Document and Information. Use of this form may be essential to the UCX claims process. Optional-use Form ETA-841, Request for Determination of Federal Military Service and Wages, is also part of this information collection. Information pertaining to the UCX claimant can only be obtained from the individual's military discharge papers, the appropriate branch of military service, or the Department of Veterans' Affairs. Without a claimant's military information, a SWA cannot adequately determine the eligibility of ex-servicemembers and would not be properly able to administer the program.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number.
