[Docket No. FD 35715]

Norfolk Southern Railway Company— Temporary Trackage Rights Exemption—Grand Trunk Western Railroad Company and Wisconsin Central Ltd.

Pursuant to a temporary trackage rights agreement dated January 24, 2013, Grand Trunk Western Railroad Company and Wisconsin Central Ltd. (collectively, CN) have agreed to grant temporary overhead trackage rights ¹ to Norfolk Southern Railway Company (NSR) over the CN rail lines located: (1)

exemption: or partial revocation of this exemption in Norfolk Southern Railway Company—Temporary Trackage Rights Exemption—Grand Trunk Western Railroad Company & Wisconsin Central Ltd., Docket No. FD 35715 (Sub-No. 1), wherein NSR requests that the Board permit the proposed trackage rights arrangement described in the present proceeding to expire 24 months after the commencement date of the agreement, or the date that the Gary City Track Connection, at or near Gary, Ind., is completed and in use, whichever comes first. That petition will be addressed by the Board in a separate decision.

¹NSR states that this notice was not filed under the Board's class exemption for temporary trackage rights at 49 CFR. 1180.2(d)(8) because the agreement contemplates that the temporary trackage rights will be in effect for more than one year. See 49 CFR 1180.2(d)(8) ("Acquisition of temporary trackage rights by a rail carrier over lines owned or operated by any other rail carrier or carriers that are * * * scheduled to expire on a specific date not to exceed 1 year from the effective date of the exemption.") Therefore, NSR concurrently filed a petition for partial revocation of this exemption in
