

Exchange believes that the proposed rates are equitable and non-discriminatory in that they apply uniformly to all Members. The Exchange believes the fees and credits remain competitive with those charged by other venues and therefore continue to be reasonable and equitably allocated to Members.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

Regarding Flag RY, the Exchange believes its proposal to assess a charge of \$0.0005 per share increases competition among trading centers because it offers customers an alternative means to route to BATS BYX and add liquidity for the same price as entering orders on BATS BYX directly. The Exchange believes that its proposal will have no burden on intramarket competition because the rate applies uniformly to all Members.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from Members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁷ and Rule 19b-4(f)(2)⁸ thereunder. At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Self-Regulatory Organizations; ICE Clear Credit LLC; Notice of Designation of a Longer Period for Commission Action on Proposed Rule Change To Add Rules Related to the Clearing of European Corporate Single-Name CDS

February 8, 2013.

On December 6, 2012, ICE Clear Credit LLC ("ICC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change SR-ICC-2012-24 pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder.² The proposed rule change was published for comment in the **Federal Register** on December 26, 2012.³ The Commission did not receive comments on the proposal.

Section 19(b)(2) of the Act⁴ provides that within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. The 45th day from the publication of notice of filing of this proposed rule change is February 9, 2013. The Commission is extending this 45-day time period.

The proposed rule change relates to ICC's adoption of rules to permit the clearing of standard single-name CDS contracts referencing European corporate reference entities. The proposed rule change is novel because no clearing agency located in the United States currently provides clearing services for these products. As a result, and in order to provide the Commission with sufficient time to consider the proposed rule change, the Commission finds it is appropriate to designate a longer period within which to take action on the proposed rule change.

Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,⁵

Self-Regulatory Organizations; EDGA Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend EDGA Rule 11.14 To Extend the Operation of the Single Stock Circuit Breaker Program

February 8, 2013.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on January 30, 2013, EDGA Exchange, Inc. ("EDGA" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend EDGA Rule 11.14 to extend the operation of the single stock circuit breaker pilot program (the "Pilot") from the current scheduled expiration date of February 4, 2013 until the earlier of the initial date of operations of the Regulation NMS Plan to Address Extraordinary Market Volatility (the "Plan") or February 4, 2014. All of the changes described herein are applicable to EDGA Members. The text of the proposed rule change is available on the Exchange's Internet Web site at www.directedge.com, at the Exchange's principal office, and at the Public Reference Room of the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend EDGA Rule 11.14 to extend the operation of the Pilot from the current scheduled expiration date of February 4, 2013³ until the earlier of the initial date of operations of the Plan or February 4, 2014. The Pilot will continue to operate as to individual securities until such security is subject to the Plan.

EDGA Rule 11.14 requires the Exchange to pause trading in an individual security listed on the Exchange if the primary listing market for such stock issues a trading pause. Such trading pause will continue until trading has resumed on the primary listing market. However, the Exchange may resume trading in such stock if trading has not resumed on the primary listing market and ten minutes have passed since the individual stock trading pause message has been received from the responsible single plan processor. The Pilot was developed and implemented as a market-wide initiative by the Exchange and other national securities exchanges in consultation with the Securities and Exchange Commission (the "Commission") staff and is currently applicable to all NMS stocks and specified exchange-traded products.⁴

³ See Securities Exchange Release No. 67501 (July 25, 2012), 77 FR 45396 (July 31, 2012) (SR-EDGA-2012-31).

⁴ The Exchange notes that the other national securities exchanges and the Financial Industry Regulatory Authority have adopted the Pilot in substantially similar form. See Securities Exchange Act Release No. 62252 (June 10, 2010), 75 FR 34186 (June 16, 2010) (File Nos. SR-BATS-2010-014; SR-EDGA-2010-01; SR-EDGX-2010-01; SR-BX-2010-037; SR-ISE-2010-48; SR-NYSE-2010-39; SR-NYSEAmex-2010-46; SR-NYSEArca-2010-41; SR-NASDAQ-2010-061; SR-CHX-2010-10; SR-NSX-2010-05; and SR-CBOE-2010-047) and Securities Exchange Act Release No. 62251 (June 10, 2010), 75 FR 34183 (June 16, 2010) (SR-FINRA-2010-025).

The extension proposed herein would allow the Pilot to continue to operate without interruption until implementation of the Plan.⁵ The Plan will begin initial operations on April 8, 2013.⁶ If the Plan has an initial date of operations before February 4, 2014, the proposed Pilot for trading pauses would expire at that time.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁷ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁸ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Exchange believes that the change proposed herein meets these requirements in that it promotes uniformity across markets concerning decisions to pause trading in a security when there are significant price movements, which promotes just and equitable principles of trade and
