Background

On February 5, 2012, the President issued Executive Order 13599, "Blocking Property of the Government of Iran and Iranian Financial Institutions" (the "Order"). Section 1 (a) of the Order blocks, with certain exceptions, all property and interests in property of the Government of Iran, including the Central Bank of Iran, that are in the United States, that hereafter come within the United States, or that are or hereafter come within the possession or control of any United States person, including any foreign branch.

Section 1 (b) of the Order blocks, with certain exceptions, all property and interests in property of any Iranian financial institution, including the Central Bank of Iran, that are in the United States, that hereafter come within the United States, or that are or hereafter come within the possession or control of any United States person, including any foreign branch.

Section 1 (c) of the Order blocks, with certain exceptions, all property and interests in property that are in the United States, that hereafter come within the United States, or that are or hereafter come within the possession or control of any United States person, including any foreign branch, of the following persons: Any person determined by the Secretary of the Treasury, in consultation with the Secretary of State, to be owned or controlled by, or to have acted or purported to act for or on behalf of, directly or indirectly, any person whose property and interests in property are blocked pursuant to the Order.

Section 7 (d) of the Order defines the term "Government of Iran" to mean the Government of Iran, any political subdivision, agency, or instrumentality

thereof, including the Central Bank of Iran, and any person owned or controlled by, or acting for or on behalf of, the Government of Iran.

Section 7 (f) of the Order defines the term "Iranian financial institution" to mean a financial institution organized under the laws of Iran or any jurisdiction within Iran (including foreign branches), any financial institution in Iran, any financial institution, wherever located, owned or controlled by the Government of Iran, and any financial institution, wherever located, owned or controlled by any of the foregoing.

On October 22, 2012, the Iranian Transactions Regulations, 31 CFR part 560 (the "ITR"), were renamed the Iranian Transactions and Sanctions Regulations ("ITSR"), amended, and reissued in its entirety. The ITR and the ITSR prohibit various transactions, including, among others, transactions with the Government of Iran. Under the ITR, the term Government of Iran was defined in section 560.304 of the ITR to include: (a) The state and the Government of Iran, as well as any political subdivision, agency, or instrumentality thereof; (b) Any entity owned or controlled directly or indirectly by the foregoing; (c) Any person to the extent that such person is, or has been, or to the extent that there is reasonable cause to believe that such person is, or has been, acting or purporting to act directly or indirectly on behalf of any of the foregoing; and (d) An person or entity designated by the Secretary of the Treasury as included within (a)-(c). The phrase entity owned or controlled by the Government of Iran was itself defined in section 560.313 of the ITR.

On July 12, 2012, the Director of OFAC, in consultation with the Secretary of State, identified, pursuant to one or more of the criteria set forth in the ITR and in subparagraphs (a) through (c) of Section 1 of the Order, one hundred and ten (110) entities and vessels as the Government of Iran, Iranian Financial Institutions, entities owned or controlled by the foregoing, or property or interest in property of the Government of Iran, and updated OFAC's list of Specially Designated Nationals and Blocked Persons to identify those entities and vessels.
