SECURITIES AND EXCHANGE COMMISSION**Proposed Collection; Comment Request**

Extension:

Rule 17a–5; SEC File No. 270–155, OMB Control No. 3235–0123.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) is soliciting comments on the existing collection of information provided for in Rule 17a–5 (17 CFR 240.17a–5), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval.

Rule 17a–5 is the basic financial reporting rule for brokers and dealers.¹ The Rule requires the filing of Form X–17A–5, the Financial and Operational Combined Uniform Single Report (“FOCUS Report”), which was the result of years of study and comments by representatives of the securities industry through advisory committees and through the normal rule proposal methods. The FOCUS Report was designed to eliminate the overlapping regulatory reports required by various self-regulatory organizations and the Commission and to reduce reporting burdens as much as possible. The Rule also requires the filing of an annual audited report of financial statements.

The FOCUS Report consists of: (1) Part I, which is a monthly report that must be filed by brokers or dealers that clear transactions or carry customer securities; (2) one of three alternative quarterly reports: Part II, which must be

filed by brokers or dealers that clear transactions or carry customer securities; Part IIA, which must be filed by brokers or dealers that do not clear transactions or carry customer securities; and Part IIB, which must be filed by specialized broker-dealers registered with the Commission as OTC derivatives dealers;² (3) supplemental schedules, which must be filed annually; and (4) a facing page, which must be filed with the annual audited report of financial statements. Under the Rule, a broker or dealer that computes certain of its capital charges in accordance with Appendix E to Exchange Act Rule 15c3-1 must file additional monthly, quarterly, and annual reports with the Commission.

The variation in the size and complexity of brokers and dealers subject to Rule 17a-5 and the differences in the FOCUS Report forms that must be filed under the Rule make it difficult to calculate the cost of compliance. However, we estimate that, on average, each report will require approximately 12 hours. At year-end 2011, the Commission estimates that there were approximately 4,802 brokers or dealers, and that of those firms there were approximately 513 brokers or dealers that clear transactions or carry customer securities. The Commission therefore estimates that approximately 513 firms filed monthly reports, approximately 4,134 firms filed quarterly reports, and approximately 63 firms filed annual reports. In addition, approximately 4,650 firms filed annual audited reports. As a result, there were approximately 27,405 total annual responses ($(513 \times 12) + (4,134 \times 4) + 63 + 4,650 = 27,405$). This results in an estimated annual burden of 328,860 hours ($27,405 \text{ annual responses} \times 12 \text{ hours} = 328,860$).

In addition, we estimate that approximately 9 brokers or dealers will elect to use Appendix E to Rule 15c3-1 to compute certain of their capital charges (as of September 2012, six brokers or dealers have elected to use Appendix E). We estimate that the average amount of time necessary to prepare and file the additional monthly reports that must be filed by these firms is about 4 hours per month, or approximately 48 hours per year; the average amount of time necessary to prepare and file the additional quarterly reports is about 8 hours per quarter, or approximately 32 hours per year; and the average amount of time necessary to

prepare and file the additional supplemental reports with the annual audit required is approximately 40 hours per year. Consequently, we estimate that the total additional annual burden for these 9 brokers or dealers is approximately 1,080 hours ($(48 + 32 + 40) \times 9 = 1,080$).

The Commission therefore estimates that the total annual burden under Rule 17a-5 is approximately 330,000 hours ($328,860 + 1,080 = 329,940$, rounded to 330,000).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

The Commission may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

Please direct your written comments to: Thomas Bayer, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 6432 General Green Way, Alexandria, Virginia 22312 or send an email to PRA_Mailbox@sec.gov.

Dated: February 15, 2013.

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-68934; File No. TP 13-06]

Order Extending Temporary Exemptions From Certain Rules of Regulation SHO Related to Hurricane Sandy

February 14, 2013.

On December 12, 2012, the Commission issued an order (the "Order") pursuant to Section 36 of the

Securities Exchange Act of 1934 ("Exchange Act") granting exemptions from certain requirements of Regulation SHO under the Exchange Act¹ in response to the impact of Hurricane Sandy on the Depository Trust & Clearing Corporation vault at 55 Water Street in Manhattan (the "Vault").² Specifically, the Order granted exemptions from the "locate," short sale price test, and close-out requirements of Regulation SHO for sales of Vault Securities.³ The Order specified that, absent further action by the Commission, these exemptions would expire on February 1, 2013.

SIFMA has requested an extension until May 5, 2013, because the process for restoring Vault Securities is not complete at the present time.⁴ As a result, SIFMA states that sales of Vault Securities continue to experience settlement delays that have implications for compliance with Regulation SHO. For this reason and the reasons stated in the Order, the Commission finds that extending the Order, pursuant to our authority under Section 36 of the Exchange Act,⁵ is appropriate in the public interest, and is consistent with the protection of investors.

Therefore, it is ordered, pursuant to Section 36 of the Exchange Act, that the Order is extended until 11:59 p.m. E.D.T. on May 5, 2013.

The temporary exemptions granted in the Order and extended herein are subject to modification or revocation if at any time the Commission determines that such action is necessary or appropriate in furtherance of the purposes of the Exchange Act. In addition, persons relying on this order are directed to the anti-fraud and anti-

³ The Order defines "Vault Securities" as owned securities, represented by physical certificates held in the Vault at the time Hurricane Sandy made landfall and whose settlement depends on the delivery of such physical certificates (or documentation with equivalent effect).

⁴ See Letter from Theodore R. Lazo, Managing Director and Associate General Counsel, Securities Industry and Financial Markets Association, dated February 14, 2013. SIFMA informally contacted Commission staff on January 31, 2013, to discuss the possibility of extending the temporary exemptions.

⁵ Subject to certain exceptions, Section 36 of the Exchange Act authorizes the Commission, by rule, regulation, or order, to conditionally or unconditionally exempt any person, security, or transaction, or any class or classes of persons, securities, or transactions, from any provision or provisions of the Exchange Act or any rule or regulation thereunder, to the extent that such exemption is necessary or appropriate in the public interest, and is consistent with the protection of investors. 15 U.S.C. 78mm.

² Part IIB of Form X-17A-5 must be filed by OTC derivatives dealers under Exchange Act Rule 17a-12 and is subject to a separate PRA filing (OMB Control Number 3235-0498).
