BILLING CODE 3290-F3-P

**OFFICE OF THE UNITED STATES
 TRADE REPRESENTATIVE**

[Dispute No. WTO/DS447]

**WTO Dispute Settlement Proceeding
 Regarding United States—Measures
 Affecting the Importation of Animals,
 Meat and Other Animal Products From
 Argentina**

AGENCY: Office of the United States
 Trade Representative.

ACTION: Notice; request for comments.

SUMMARY: The Office of the United States Trade Representative (AUSTR@) is providing notice that Argentina has requested the establishment of a dispute settlement panel under the *Marrakesh Agreement Establishing the World Trade Organization* (AWTO Agreement@). That request may be found at www.wto.org contained in a document designated as WT/DS447/2. USTR invites written comments from the public concerning the issues raised in this dispute.

DATES: Although USTR will accept any comments received during the course of the dispute settlement proceedings, comments should be submitted on or before March 21, 2013, to be assured of timely consideration by USTR.

ADDRESSES: Public comments should be submitted electronically to www.regulations.gov, docket number USTR-2013-0003. If you are unable to provide submissions at www.regulations.gov, please contact Sandy McKinzy at (202) 395-9483 to arrange for an alternative method of transmission.

FOR FURTHER INFORMATION CONTACT: Philip Chen, Assistant General Counsel, Office of the United States Trade Representative, 600 17th Street NW., Washington, DC 20508, (202) 395-3150.

SUPPLEMENTARY INFORMATION: Section 127(b) of the Uruguay Round Agreements Act (“URAA”) (19 U.S.C. 3537(b)(1)) requires that notice and opportunity for comment be provided

after the United States submits or receives a request for the establishment of a WTO dispute settlement panel. Consistent with this obligation, USTR is providing notice that a dispute settlement panel has been established pursuant to the WTO Dispute Settlement Understanding (“DSU”). The panel will hold its meetings in Geneva, Switzerland.

Major Issues Raised by Argentina

Due to the presence of foot-and-mouth disease (FMD) in Argentina, the United States Department of Agriculture’s Animal and Plant Health Inspection Service (APHIS) does not permit the import of fresh bovine meat (beef) from Argentina. In December 2002, Argentina submitted an application for authorization to import fresh beef that is either chilled or frozen from the sub-national region of Argentina north of the 42nd parallel. In September 2003, Argentina submitted an application for FMD disease-free status (which would include permission to import fresh beef that is either chilled or frozen) with respect to a sub-national region designated as Patagonia South. In December 2008, Argentina submitted an application to APHIS requesting FMD disease-free status (which would include permission to import fresh beef that is either chilled or frozen) with respect to a sub-national region designated as Patagonia North B. No final decision has been reached on these applications.

In its request for the establishment of a panel, Argentina alleges that the regulations and other measures of APHIS as applied to Argentina’s request for import authorization breach various provisions of the Agreement on the Application of Sanitary and Phytosanitary Measures (SPS Agreement) and the General Agreements on Tariffs and Trade 1994 (GATT 1994). For instance, Argentina asserts that APHIS’s existing prohibition on the importation of animals, meat and other animal products in connection to FMD lacks scientific justification and is discriminatory. In addition, Argentina argues that APHIS has not processed Argentina’s applications in a timely manner.
